A COMMUNIQUE FOR WISCONSIN UNION MEMBERS

JUNE - AUGUST 1985

History of Union Art is published

We are proud to announce the publication of *A Reflection of Time: the Wisconsin Union Art Collection*, a history of the Union art program and collection. Researched and written by former

Union Public Information Director Jody Schmitz, the art booklet illustrates how art became an important part of the overall Union program, shaped largely by former Union Director Porter Butts, whose own interest in the various arts strengthened his philosophy that art be an accepted part of the daily life of students and the entire University community.

A Reflection of Time is replete with photographs of the "living collection" and remembrances from the archives, includes a history of the Salon of Art and student competitive art shows,

recalls the founding of the Craft-shop, and explains how the state's largest collection of art by Wisconsin artists was put together. Also featured are selected artists from the collection. An addendum to the booklet, a catalogue of the complete Union collection, is soon to be completed.

Anyone interested in receiving a complimentary copy of the booklet can mail in this form, plus \$1 for shipping and handling. You may also become a part of the Wisconsin Union art program by contributing to award and purchase funds for this dynamic art venture. If interested, please indicate on the form.

UPDATE: Travel-Adventure Film Series

In April, Union members received their brochures announcing the 1985/86 **Travel-Adventure Film Series**. The response to this mailing was enormous. As of this writing, all orders received from Union members have been processed and the Monday and Tuesday night series for next season are sold out. If you are a Union member and you have already sent in your ticket request, your order has been filled, and your tickets will be mailed to you as usual at the end of August. At that time the UW Parking Office will be sending you an application for reserved series parking permits.

In order to accommodate Union members and others who have

not yet ordered **Travel Series** tickets for next season, we have created a new 4-stop **Mini-Travel-Adventure Series**. It will occur on Wednesday evenings, and will include the first 4 programs of the regular 6-program **Travel Film Series**. Remember, if you are a Union member and you have already sent in your **Travel Film** order for next season this request

has been filled, but if you have not yet ordered your **Travel Series** tickets for next fall, you should complete the coupon below and mail it to us, so that we may send you information about the Wednesday Mini-Series. (Union members will, of course, receive priority in the filling of these orders.)

I am a Union member, and I have *not yet* ordered Travel-Adventure Series tickets for 1985-86. I understand that all Union member orders to date have been filled, and that Monday and Tuesday night have been sold out. I wish to receive information about the newly created 4-night Mini-Series.

Concert Series Reminder

If you did not receive, or you have misplaced, your 1985-86 **Concert Series** brochure, please call or write the **Union Theater Box Office**, 262-2201 or 262-2202, and we will be glad to send you one.

This year's series continues in the **Union Theater's** tradition of excellence, featuring outstanding soloists and chamber ensembles. In addition to the five regular programs, the exciting young cellist Carter Brey will give a free **Bonus Debut Concert** November 22.

The series opens with the Tokyo String Quartet on October 8. The brilliant American early music ensemble Ars Musica will play a program including Handel's complete "Water Music" on November 1. Guitarist Alexandre Lagoya, who accompanied Jean-Pierre Rampal last year at Union Theater, returns for a solo engagement on February 28. The poetic pianist Murray Perahia performs March 12, and the series comes to a spectacular close on April 12 with the Philip Jones Brass Ensemble.

Once again, reserved parking will be available to series subscribers.

If I had a hammer . .

A noisy, dusty summer is in store for Memorial Union and surroundings as reconstruction of Langdon Street begins, closing the street from Park St. to Lake St. Alco, Trailways and Greyhound buses will now be loading at Union South on the Johnson St. Side. In addition, the Helen C. White parking ramp will be closed while the upper level is repaved. Keep this in mind when traveling close to campus . . . it may be best to park at the Lake Street ramp or beyond to avoid traffic disruptions. At Memorial, the outdoor deck surrounding Tripp Commons will be ripped up and resurfaced, and the Theater roof and the deck above the Hoofers Quarters will be replaced.

Enjoy a great day with Hoofers

***Hoofers Summer Carnival** is guaranteed fun for the entire family! On June 28, from noon to dusk, members of the various **Hoofers** clubs will give free horseback, canoe and sailboat rides, and scuba, waterpolo and sailboard demonstrations at Memorial's lakefront. To add to your fun, check out the **MU Country Hoedown** going on on the Terrace. You'll enjoy free hayrides, bluegrass music and a square dance caller.*

Anyone participating in this free program can enter a drawing for a Lake Mendota midnight cruise on the Maria, the largest sailboat on the lake.

*Be sure to check the Quarterly calendar for other **Hoofers** events, such as club kickoffs, scheduled throughout the summer. Or call 262-1630 for information.*

*If you're planning to purchase a new sailboard or other sports gear, do it before June 30, 1985 at Isthmus Sailboards, a retail store at 3537 University Ave. According to store owner Gary Stone, they will donate to the **Hoofers Sailing Club** 5% of the purchase price of any item bought at Isthmus Sailboards by club members. Donations to the **Sailing Club** will be made in cash or merchandise.*
