When the cold wind blows and the rain falls all a-round me, I'll dress my-self  
4 in a bot - tle skin, way out on the moun - tain.  
7 Oh de - lay - hi oh de - lay - hi oh de - lay - hi.

## Lyrics

When the cold wind blows  
And the rain falls all around me,  
I'll dress myself in  
A bottle skin,  
Way out on the mountain.  
Oh delayhi oh delayhi oh delayhi.
