Eleventh Edition

The Wisconsin Women's Intercollegiate Athletic Conference presents the eleventh annual edition of its RECORDS BOOK as a means of informing the educators, writers, broadcasters and staff of the excellence of athletic competition displayed by teams and individual student-athletes of member institutions. This booklet is published annually to provide a record of all sports in the Conference-sponsored program.

It is the function of the Wisconsin Women's Intercollegiate Athletic Conference to encourage intercollegiate athletics on an amateur basis, with institutional control, and under the instruction of coaches who have faculty status, in order to assure maximum educational benefit from intercollegiate athletic contests among the member institutions.

THE UNIVERSITY OF WISCONSIN SYSTEM

The University of Wisconsin System is marking its 18th anniversary in the fall of 1989. The UW System was created in October 1971 by a law placing all of the state's public university campuses under a single Board of Regents. The 13 universities and 14 two-year UW-Centers served 158,971 on campus students in 1981-82, and UW-Extension provides outreach services from offices in every county. Although only 18 years old, the UW-System was one of the first statewide higher educational systems in the nation and has pioneered in developing coordinated and high quality programs and services on a statewide basis. System administrative offices are in Madison.

Universities are in Eau Claire, Green Bay, La Crosse, Madison, Milwaukee, Oshkosh, Kenosha-Racine (Parkside), Platteville, River Falls, Stevens Point, Menomonie (Stout), Superior and Whitewater. Centers are at Baraboo, Fond du Lac, Janesville, Manitowoc, Marinette, Marshfield, Menasha, Rice Lake, Richland Center, Sheboygan, Waukesha, Wausau and West Bend.

* Points were awarded for record during regular season with 9 points going to the team with the best record, eight to the second best, etc. Points were also awarded for finish at the conference meet with 9 points going to the winner of the meet. The team with the most points from both its regular season record and conference meet finishes was declared the overall conference champion.

Thanks to a consistent effort in most every sport, La Crosse has remained as the only winner of the WWIAC All Sports Award.

The award, originated a year ago, is given to the school which has the strongest overall athletic program. It is based exclusively on a team's finish in each conference sport. Nine points are awarded for a conference title, eight for a second place finish and so on.

La Crosse compiled 56 points during the 1988-89 academic year to repeat as the All Sports Award champion. Whitewater had 53 points to edge Oshkosh for second place. Oshkosh ended up third with 52.5 points.

Last year, La Crosse won the award with 57.5 points.

Interestingly, this year La Crosse won the award despite failing to capture a single conference title. But the Roonies finished second in six different championships.

Oshkosh won the most individual titles with four.
