WHEN
IT'S

CAMPUS

Come one, come all to the biggest show ever to hit the University of Wisconsin campus! Here you'll find thrills and chills to remember the rest of your days! Freaks, ghosts, Indians, dancing girls, all are here to please you.

Let down your hair — enjoy the fun and frolic that comes only at carnival time! There are booths all around you, so don't miss a one: for each has a new and completely different show that you've never seen before.

Only a few thin dimes will open up heaven's gate of entertainment for you! Here you need no I.D. No one's too old to enjoy the youthful antics of your classmates.

Who ever heard of missing a carnival! If you have special talents at anything, here's the place to display them, for all your friends to see.

Nothing can be escaped at the carnival! All the mysteries of life . . . past, present, and future . . . will be unfolded before you in these few short hours of carnival time!

This is it! This is the climax of all the work that has been done by the chairmen and their committees so that you could have an unparalleled evening of fun and give to needy organizations in ways which you'll enjoy.

Inevitably you have felt that you would like to support every one of these needy organizations if only you knew how. Now everything has been simplified for you so that the—

More dimes you spend, the more fun you'll have, and the more you'll be helping others to enjoy life as you know it. This is not charity in Webster's terms: It's being neighborly to people who need your help.

Every penny will be put to good use, with approximately half of the money going to the World Student Service Fund and the other half being distributed among Negro college funds, the University YMCA and YWCA, the American Heart Association, and charitable organizations in Madison and Dane County.

THIS IS CAMPUS CARNIVAL!

Campus Carnival, sponsored by the Wisconsin Student Association, is fast becoming an institution at the University. It was presented for the first time two years ago in the Stock Pavilion, replacing the Charity Ball. Founded with the purpose of helping needy organizations through the Campus Community Chest, the first Carnival was so successful that last year it was moved to the field house in order to accommodate the crowds and the overflow of booths.

All organized groups on campus are eligible to participate and each year more of them have taken part in the Carnival. Trophies contributed by the business men of Madison create a competitive spirit, adding to the enthusiasm of the groups entering. Two sets of first, second, and third place trophies will be awarded to the following: booths in which the audience takes an active part in the fun, and booths in which a show is given for the audience.

This year for the first time a new attraction has been added to the Campus Carnival in the person of a "Campus Clown". Each organization participating in the carnival is qualified to nominate a candidate for clown. The candidates will be voted upon by the Carnival-goers on their antics preceding and during the Carnival.

The highlight of the evening will be the awarding of trophies to the booth winners by the "Campus Clown".
