"The Soldiers Return is another lovely production of a Lady, who as a Melodist not only rivals, but bids fair to Surpass our Professional Composers. We do not find an exceptionable note, or the most trifling error of any kind in this charming Ballad; which, being moderate in compass, easy to execute & sure to please, we recommend to the notice of our readers." VIDE HARMONICON

The Successful Performance of these Popular Songs at the Theatres Royal, The London Concerts, and Provincial Meetings, having obtained the best test of approbation, viz. Imitation, it is necessary to state that Mrs. Millard's Publications will in future bear her signature.
