The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

# AN AMES CLINIQUICK<sup>TM</sup>

CLINICAL BRIEFS FOR MODERN PRACTICE

*other than  
glycosuria and  
ketonuria,  
what are  
common urine  
findings  
in diabetic  
coma?*

Proteinuria and large numbers of granular casts in the sediment.
