MADISON, WIS., MONDAY, JULY 11, 1921

10 CENTS

SIX TEAMS IN
BALL LEAGUE;
STILL GROWINGTwo Games Played Off—
Third of Series Set for
Tomorrow

A summer session baseball league has been formed by Guy S. Lowman, director of the gymnasium and varsity baseball coach, with six teams entered as a starter. Later he expects to reorganize the league by states and if there are not enough men from one state, several players from one section will form a team.

One league game was played last Friday afternoon between the Lake street gang and Coach Lowman's nine from the class in Methods of Coaching, the "Gang" winning by a score of 3-0. Saturday the Delta Sigs won from the Gun and Blade club, 10-6. Tomorrow at 6 p. m. a southern aggregation composed of men from Missouri, Kansas, Texas and Oklahoma will play a Wisconsin team.

The six teams comprising the tentative organization now formed all: Coach Lowman's nine, one delegation from Wisconsin and one from the south, the Gun and Blade team, the Lake Street Gang, and Delta Sigma Phi fraternity.

SECOND BOAT TRIP
PLANNED BY Y. W.

The second boat ride held under the auspices of the Y. W. C. A. has been set for July 13. The boat will leave the Park street pier at 5:30 p. m. for the trip around Lake Mendota. The party will stop on the way, possibly at Black Hawk's cave, for a picnic supper. Those who wish, bring a basket lunch, others call the Y. W. C. A. office to arrange for lunches. The fare for the round trip is 40 cents.

Every Sunday evening the Y. W. is serving luncheon on Comstock Knoll, the second hill back of Bascom hall. This is a beautiful picnic ground overlooking Lake Mendota. Both men and women are invited to come here for their Sunday evening meal. The cost of these picnic lunches is 35 cents per plate.

The Y. W. C. A. is one of the campus organizations which does not cease work when the school year ends in June, but continues its activities during summer school as during the regular session.

Observation
and Comment

By MacCARROLL PATTISON

The city fathers are to be thanked. Moreover, is Captain Tom Isabell to be thanked for his earnest and successful efforts in convincing the council that further assistance than he is already rendering is necessary to properly protect swimmers in Lake Mendota. A full time duty it is to protect bathers at "The Willows" swimming hole. For his efforts he is to be compensated by the city from an appropriation made for that purpose. We are glad that the council has seen fit to share in the responsibilities of making Lake Mendota safer for the enjoyment of the hundreds who desire it so.

The official divining wand seems to have something the matter with it—at least it is still failing to function on the second floor center of

FREE DELIVERY
OF BADGERS IS
BUSINESS OFFER1922 Annual Being Sold On
Hill Daily at Cut
Price Rate

The opportunity of delivery of the 1922 Badger to your home address which will do away with the necessity of carrying a heavy volume home at the close of summer school, has been offered by the business department of the Badger.

The Badger, besides being on sale at various places in the city, is being sold on the hill every morning from 8 until 12 o'clock, and students of the summer session are asked to stop at the stand in front of Music hall to examine copies of Wisconsin's annual.

Students having the opportunity of attending only summer session of the university be particularly interested in finding that the Badger, with its photographs of the campus, buildings, and scenery of Madison will serve as an excellent reminder of the days spent at the university, upon reference to it in future years.

The fact that offering the Badger on sale to summer session students is a departure from former custom, and that seven dollar volume is being offered for the small amount of four dollars leads the business department of the Badger to believe that a large number of sales will be recorded before the close of the session.

BASTILLE DAY TO
BE CELEBRATED BY
CERCLE FRANCAIS

On Thursday, July 14, members of Cercle Francais will have charge of an open air Bastille Day celebration, in honor of the customary recognition of that day as French Independence Day. The celebration will take place northwest of Bascom hall at 4:30 p. m.

There will be a program consisting of an address in English by Prof. H. A. Smith and a response by Mme. Helie, and other members of the French department.

The Physical Education department will assist in the presentation of folk dances, songs and patomines. Mme. A. Salvan will give a pantomime interpretation of "The Sleeping Beauty." Miss E. W. Elmore, has charge of a number of French folk dances and Mme. E. Dejean will sing several French songs. The program will be followed by a picnic lunch.

SECOND OF FRIDAY
MIXERS SUCCESSFUL

The second Friday night mixer proved a more interesting affair than the first. Lathrop hall was packed and the students showed an inclination to make the affair a real "mixer". Prof. P. W. Dykema led the singing for the first part of the

READING

Thousand Books a Day Is
Summer Record At Uni-
versity Library.

"No matter how early one manages to make the library, one always finds the book assigned, gone or the place one wanted to work occupied," is the complaint. True the reading room has a seating capacity of 250 with extra seating arrangements at east table, but still there is difficulty.

There really is an explanation, for statistics compiled at the University desk show that 1,000 books for the reading room use only are checked out of the University library daily. This does not include the number that leave of their own volition without the formality of being checked out. One-half that number are drawn out for a period of two weeks. Twice the number of clerks are required for the summer session as are needed for the regular year, while the student enrollment is 4,000 less. The summer session student is working.

L. C. Burke, for 20 years librarian of the University of Wisconsin, offers this opinion:

"The summer session student is spending his or her own money, not Dad's. He is here to advance himself. He is here to work and he keeps the entire library staff busy. During the year the student is here either because it is traditional to go to colleges or because the social opportunity appeals. With him, collateral reading and research study exists only as something assigned that "must" be done. During the year a staff of four people can easily take care of the wants of the students, while during the summer that number would be entirely inadequate."

LUTHERAN CHURCH
ENTERTAINS FOR
SUMMER STUDENTS

In order to get the Lutheran students acquainted, Luther Memorial church has planned a series of entertainments. The first of these was given last Thursday and was attended by 115 students. Thursday, July 14, at 4:30 p. m. all Lutherans are invited to meet at the church on 626 University avenue to hike or ride to Vilas park where a baseball game, picnic, supper and other amusements will be special features. All those desiring to go will kindly get in touch with Miss Marion Neprud, Student secretary, at B. 7855 or B. 7470.

program. An Indian song proved very popular.

The second part of the program consisted of three numbers by members of the International club, followed by songs by a girls' glee club.

The final event was a series of stunts put on by groups of those whose birthdays were in the same month.

Cardinal Bathing Suit Contest Set
For July 19; Judgeship Race Open

Eight days left to prepare, girls! The Cardinal bathing suit contest is to be held Tuesday, July 19, at 4 p. m. at the boat house pier. On that day and at that hour will be chosen the queens of the summer session—as far as bathing suits go and swimming ability is concerned.

The way requests for judgeship jobs are coming in it surely looks like we may have the very best talent possible in our contest. But only about six judges can be used at the most—three to pick the best suit, and three who are able to pass on swimming ability.

No swimming race will be held but the performers will demonstrate their trials and

straight swimming, and floating, and the winner will be chosen by expert swimmers. The entries in the other contest will line up along the pier and the other set of judges will do the inspecting.

Seconds and thirds will be given but the prizes are not yet decided upon. However they will be worth winning as well as the honors.

Don't forget the date—Tuesday, July 19, at the hour of four. It's going to be a great contest—to be sure and be in it is a wise plan to turn in your name to the Cardinal office—but no entry will be barred. The main thing is to be on hand. Come on Annette! Hurry up,

and

WORK STARTED
ON EAST SIDE
CAMP RANDALLWooden Bleachers Remov-
ed; Work on 4,000 Con-
crete Seats for Stadium

The contract for the construction of 4,000 additional concrete seats at the Camp Randall stadium has been let to a local contractor and work will be started this week. The seats, similar to the lower tier of the proposed bowl, which are now located on the opposite side of the field, will be built where the recently condemned old bleachers stood.

The athletic department is going ahead with this work on its own funds earned from gate receipts during the past three years. It is intended to have 25,000 seats ready by the time the conference season opens in October. There will be 11,000 permanent seats, the 4,000 in the wooden grandstand, 4,500 in the wooden seats on the west side, and the rest in temporary bleachers.

With these the athletic department hopes to be able to accommodate the crowds during the next season. At the Homecoming game last year, 21,000 were seated and several thousand had to be turned away.

Plans call for initial concrete construction on the opposite side of the giant bowl which will have a capacity of 52,000 when completed at an approximate cost of \$500,000. Crowding which has in the past caused confusion at the big games will largely be eliminated through construction of a large retaining wall behind the present concrete section, with the entrance from two rear ends. A section of seats also will be added on this side to complete the lower half of one side of the bowl.

Wooden bleachers on the east side of the field have been torn down to make way for the concrete. The University of Wisconsin is ahead of Ohio and Illinois in construction of its stadium, but with no assurance that the other schools will not outstrip her within the next few years. The legislature has not appropriated any funds to the athletic department to be used at the Camp Randall field since an initial outlay of \$20,000 to build the first seats. At the present rate of construction it is believed that the stadium will be completed in 10 years.

MISS INA PEREGO
TO READ TONIGHT

A dramatic recital of "The Lady of the Weeping Willow Tree", by Stuart Walker, will be given this evening at Music hall, by Miss Ina Maude Perego. The recital will differ from most readings, in that it will be acted out instead of being interpretive.

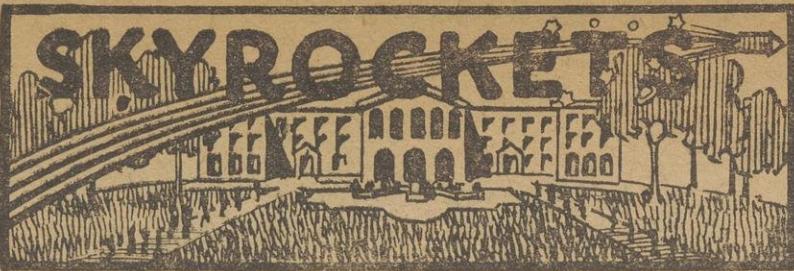

Miss Perego, will appear in symbolic costumes and will use symbolic screens during the course of the reading, which are of her own design.

Miss Perego, who is a member of the faculty of the summer session of Northwestern university, in dramatics, has been instructing in dramatic work for the past two years in New York. She also took part in the production of *Ithegemeia in Aulis*, in which Miss Margaret Anglin, noted actress, played the leading role.

SWINNEY IS SOLOIST AT
TONIGHT'S GATHERING

Professor E. Earle Swinney, baritone, of the Schol of Music, will be the soloist tonight at the third informal gathering at Music hall. He will sing a group of four solos, which are:

Had a Horse Korby
She Never Told Her Love Haydn
De Ole Ark's alMornin' Guion

HESPERIANS TO OPEN MEETINGS

The Hesperian Literary society will launch upon its summer activity when the initial meeting of the summer session is called to order Thursday night at 7:30 at Lincoln Terrace. The idea of summer meetings for the purpose of physical as well as intellectual recreation was introduced on this campus two years ago and has proved to be a success.

Hesperia is one of the oldest literary societies at Wisconsin, now being sixty-seven years young, and has a roll of alumnae which exceeds a thousand. During the academic year she holds weekly meetings and partakes in all forensic activities on the campus.

All Hesperians, whether active or alumni members, are urged to attend this meeting.

Miss Genevieve Fay, Wyoming, O., is visiting her sister, Miss Helen Fay, at the Chi Omega house.

EASTERN STUDENTS ENJOY BOAT RIDE

The students from the Eastern States held their first picnic last Thursday evening. Unfortunately the heavy rain of the afternoon forced a change of plans, but in spite of this the committee furnished an enjoyable entertainment and a boat ride around Lake Mendota to a large number. All pronounced the evening a big success. The second outing of the season will be held rain or shine next Thursday, July 14. All who are interested and have not yet enrolled should phone in their names to C. P. Purdy, B. 7762, so that the committee will know how many to supply supper for. The club will meet at Lathrop Hall at 5:15 p. m.

Miss Betty Morse, Fond du Lac, and Miss Edith Hogan, Duluth, Minn., visited here over Sunday.

Small enough to wear

Vest Pocket Kodak Special

Focusing Model

Pictures, $1\frac{1}{8} \times 2\frac{1}{2}$ inches

New goods from the Kodak City are no sooner introduced than you find them here.

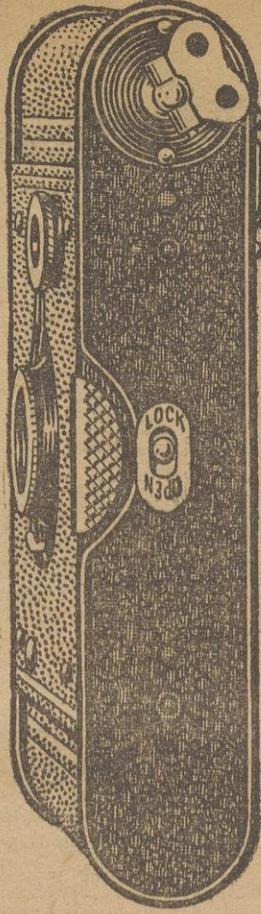

For example, the new camera in the V.P.K. size—the focusing model of the Vest Pocket Kodak Special—is ready for your inspection.

It is a splendid picture-maker in every way. The lens is Kodak Anastigmat f.6.9—that means speed and sharpness. Through a distinctive focusing arrangement, the Kodak may be brought in sharp focus with the subject only three feet away—that means "close ups" with the regular lens equipment.

Price, \$21.00

And of course there are the other models of the V.P.K.

\$8.00 to \$21.00

THAT DIRTY LAKE

IT IS a painful duty that confronts the man bent on telling the truth when the truth is sure to be unpopular. But the public good is of more importance than the public pleasure. We are about to dip into our subject—Lake Mendota.

For it is an undeniable fact that the lake IS DIRTY,—VERY, VERY DIRTY.

The reason is easy to explain, but the remedy more difficult. And in the meantime our bathing place, tideless and unrefreshed by rain, becomes even more unsanitary.

Probably the worst places are these three: Willows point, where more people swim than any one place; the vicinity of the boat house; and University bay at the foot of Frances street.

Refuse of all sorts, dead fish, oil from motor boats and the hydraulic laboratory, debris from the bottom of the shallow bays, and the dirt from the bodies of those who are taking their semi-annuals, all add to the sum total.

There is a serious danger that increases as the summer wears on of an epidemic of skin disease or worse. The health authorities might do well to investigate conditions and see if it is possible to make the lake a more sanitary place for bathers.

BULLETIN BOARD

The Bulletin Board is run as a regular department of the summer session Cardinal. It is open for use by all organizations to announce their activities. Material should be left at the Union building office not later than 3:00 p. m. on the date of issue. Phone messages cannot be guaranteed.

MICHIGAN STUDENTS

Due to the various trips that are to be taken on Saturday, the committee has set the date of our picnic for Friday, July 15. There will be two boats leaving the Park street pier for Bernards park at 4:30 and 5:15. A nominal fee will be charged at the picnic grounds. Special for the ladies only—you may bring a man if you wish. Sign up before Wednesday, July 13, at bulletin boards at Bascom hall, foot of the hill or in the lobby of the Y. M. C. A.

HOOSIERS

Come have some fun! Indiana students will have a boat-ride and picnic at Bernard's park, Tuesday, July 12. Boat will leave Park street pier at 5 p. m. Bring your lunch.

EASTERN CLUB

The Eastern club will hold its second outing Thursday, July 14. Those who are interested should meet at Lathrop hall at 5:15 p. m. Come ready for a good time. If you have not yet enrolled, phone your name to C. P. Purdy, B. 7762 before Wednesday noon so that the committee will know for how many to supply supper.

Miss Commons Honored Before Departure from Rochester

Miss Rachel Commons, daughter of Dr. and Mrs. John R. Commons, will leave on Thursday for Rochester, N. Y., to become secretary to Dr. William Leiserson, impartial judge of the court of arbitration of the Rochester clothing industry. Miss Commons, who graduated with the class of 1921, is a member of Kappa Kappa Gamma, and has been active in a variety of campus circles.

In compliment to her, several of her friends are entertaining, informally before her departure. Miss Elizabeth Kehpton was hostess at a luncheon at the Woman's building on Friday, at which Miss Commons shared honors with Miss Dorothea MacLaurin, who will soon go with her family to reside in Minneapolis.

This afternoon, Miss Delma Donald invited about fifteen intimate friends of Miss Commons to an informal little farewell, at her home, 211 Prospect ave.

Miss Martha Buell will give an informal luncheon tomorrow noon, at her home, 115 Ely place, at which Miss Commons will be the honored guest.

Gun and Blade Garden Party

Gun and Blade, organization of federal board students, will give a garden party on next Saturday evening, July 16, on the lawn of the Union building, on the shore of the lake. The lawn and porches will be decorated with colored lanterns. The early part of the evening will

be devoted to a musical program, and there will be dancing in the club rooms from nine until eleven, after which refreshments will be served. Dean and Mrs. J. D. Phillips and Mr. and Mrs. M. H. Teige will chaperon the party.

Pi Phi Open House

Members of Phi Beta Pi sorority and women who are living at the Pi Phi house during summer school, received at open house Sunday afternoon.

Phi Beta Pi Dance

Members of Phi Beta Pi medical fraternity, who are attending summer school, entertained Saturday evening with an informal dancing party, held at the chapter house, 609 N. Lake st. Dr. and Mrs. J. Y. Malone and Mr. and Mrs. Robert Groves chaperoned the party.

Miss Ellen Gould, Miss Eleanor Chase, and Miss Mabel Hooper motored down from Oshkosh, and visited here over the week end.

If you walk I'll teach you to dance. Results absolutely guaranteed.

U. W. DOUBLES IN TEN YEARS

Enrollment Increased Two Fold Every Decade Says Thorkelson

"The enrollment of students in the University of Wisconsin doubles every 10 years, declared H. J. Thorkelson, former business manager of the University at the noon luncheon of the Kiwanis club today.

"The enrollment of extension students has increased from 3,000 students in 1909 to over 13,000 in 1920. Thirty years ago, only 1 person in every 1,000 attended university. Today, 3 out of every 1,000 attend.

"If all of the buildings of the university were placed in a solid mass, they would be four times as big as the state capitol building. However, buildings, books, and equipments combined cost much less than the

money spent for the construction of the capitol.

"The extension department, with 15,000 students nets the university over \$80,000 yearly. The amount of money appropriated yearly by the state has decreased considerably during the past few years. In 1919, 72 per cent of the funds of the university were appropriated by the state. In 1920, only 32 per cent was appropriated. The clinic department of the university is very interesting. It has 12 physicians, who handle over 40,000 consultations yearly."

Sigma Nu fraternity gave an informal dance last Saturday evening at the chapter house, 625 N. Henry st. Mr. and Mrs. Thomas Rose chaperoned. Mr. and Mrs. H. G. Phillips, Evanston, Ill., were out of town guests who attended the dance.

The Devereux Players are the attraction of the week, coming here on July 14 for a three days' stand. The four plays that will be presented by them are of the highest type of stage production and much interest is being manifested by the

students in these dramas.

The first play is Sir Edward Bulwer Lytton's powerful romantic drama of "Richelieu," in which Mr. Devereux will be seen as the great Cardinal, is an event of no small importance to the theater goers of Madison, as well as to the students of the university.

Miss Zinita Graff, the talented and attractive leading woman of the Devereux company, who in past seasons has become so great a fa-

vorite with the theater going public of Madison, will during the present engagement be seen in a round of parts peculiarly suited to her, and which give full scope to the display of her pronounced dramatic and emotional qualities.
