The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Needles

Long ago they say the Oneidas did not have any needles. They used to make them from woodchips and these were what the women used and they would sew cornhusk mats. Then the Oneidas discovered these wires in umbrellas and they made sewing needles from them as well.
