ELIGIBILITY RECORDS

REQUIRED OF CONTESTANTS IN INTERSCHOLASTIC.

About Forty Schools Will be Represented—All Former Meets Will be Surpassed.

It has been decided that in order to cut out the large number of high school men who come down to Madison every year entirely unqualified for the meet, a certain standard of ability will have to be required of the contestants. Therefore besides being a bona fide student of his high school, of good standing and under twenty-one years of age, the contestant who wishes to enter the meet this year must have attained the required athletic record as well.

Following are the records required:

Records for Eligibility.
100 yard Dash, 11s; 220 Yard Dash, 25s; 440 Yard Dash, 58s; Half Mile Run, 2m. 20s; Mile Run, 5m. 10s; 120 Yard Hurdle, 19s; 220 Yard Hurdle, 29s; Mile Bicycle, 3m. 00s; One-third mile Bicycle, 50s; Running High Jump, 5 ft.; Running Broad Jump, 18 ft. 6 in.; Pole Vault, 9 ft.; Throwing Discus, 88 ft.; Putting Shot, 34 ft.; Throwing Hammer, 105 ft.

Each contestant must attain a record in a fair test equal to the above, in at least one event, before he becomes eligible to enter the Meet. After qualifying in one event, a contestant may enter as many other events as may be considered wise.

This plan is adopted this year for the first time, solely, as a protection to the management of the meet, but the records required are not high enough to keep out any worthy athlete who wishes to contend.

Another feature of the meet will be the illustrated fifty page program, which is to be known as the Wisconsin Interscholastic Annual.

The book is the result of a feeling on the part of the board and many members of the association, that there should be some publication which would serve as a permanent record of the athletic doings of the various high school athletic teams of Wisconsin. The suggestion to publish such a book, including in it the program of the annual meet, came from Mr. Geo. F. Downer, '97, the originator of these meets in Wisconsin.

The Wisconsin Interscholastic Annual for 1901 will be a book of fifty pages, printed on fine enamelled paper, with an artistic poster cover, done in two colors; the whole book will be profusely illustrated, and the usual program of the meet will occupy about eight pages at the end of the book. The book will contain historical matter, critical reviews, special articles by Coaches Kilpatrick and O'Dea, and Mr. Downer of Milwaukee, a record department, and the official program of the meet, and will be profusely illustrated throughout. It will be sold at the meet for twenty-five cents a copy.

Yesterday was the last day for entries to this year's meet and thirty-five schools had sent in their lists. In the eastern part of the state, the steady rain has prevented the holding of the trial field meets, so these schools have been allowed a few days of grace, and the whole number cannot be determined as yet. There will probably be about forty schools entered, a larger number than ever before.

Full Reports of the Chicago-Wisconsin Meet in Tomorrow's Paper.

Extras on sale at Menges, Co-Op, College Book Store.

The total number of contestants is also larger than at any previous meet. Thus this year's meet promises to eclipse all former Interscholastics, in the number of contestants, and quality of material, and the attendance will probably be correspondingly large. General admission will be fifty cents, reserved seats a dollar. Reserved seats can be obtained of Sexton and O'Neil, and may be ordered by mail.

No Sham Battle.

Captain Curtis announced yesterday that it would be necessary to dispense with the sham battle. The few drills that are left will be taken up with preparations for the inspection, so that there will not be sufficient time to learn the movements in extended order. However, the blank cartridges will be issued and there will be a chance to do some shooting anyway.

ST. JOHNS VS. 1904

FRESHMAN CREWS PREPARING FOR ANNUAL RACE.

Will Occur on June 7 Over a Two-Mile Course on Lake Monona.

Coach O'Dea has been giving the freshman crews much attention during the past week in order to round them into form to meet Coach McConville's fast eight from St. John's Military Academy on June 7. The race will be over the two-mile course on Lake Monona, the same course as was used last year. The race promises to be very close this year as St. John's has a crew which is much faster than any ever turned out at that school. Coach McConville has had two shell crews practicing daily for some time and it is reported that he expects his eight to win in the coming race. The visiting crew will row in a new shell and will use new sweeps, so that they will not be handicapped as they were last year with their limber paper boat.

The Varsity freshmen on the other hand have not been doing as good work as Coach O'Dea had expected. Several changes have been made in the boat recently and the crew is now becoming steadier and acquiring better form. In the race Saturday they rowed in fair form, but will have to improve if they expect to win from the Delafield crew. There's every prospect for an exciting race throughout the whole two miles.

The navy department is planning to have one of Mr. Askew's new launches follow close behind the two crews all the way through the race where it can be seen to the best advantage. A small sum will be charged to help defray the expenses of the visiting crew.

Commodore Haskin has been busy with the subscription lists among the students and hopes to have all the lists in by the end of this week. So far the students have responded better than last year.

The freshmen have been rowing in

the following order:
Bow, Banta; 2, Hobbins; 3, Potter; 4, Keith; 5, Kimball; 6, Thom; 7, Christman; stroke, McComb.

OFF FOR CHICAGO

VARSITY TRACK ATHLETES LEFT THIS AFTERNOON.

Wisconsin Well Represented and Should Win the Meet by About Twelve Points.

At four o'clock this afternoon, by way of the Milwaukee road, Captain McGowan and twenty-three track men left for Chicago, where they will meet Coach Stagg's team on the cinder path at Marshall Field tomorrow afternoon. The Illinois meet has shown the men what they can do, and both the team and the coach are confident that the invasion of the hostile camp will be successful. Says Captain McGowan, "Wisconsin ought to win, according to the indications. We concede that they will win just half the firsts, and the outcome of the meet lies in the carrying of the second places. Wisconsin ought to take them."

By a liberal estimate, it is conceded that the dwellers on the Midway will beat us out in both hurdles, the half and quarter mile runs, because of Lord and the Maloneys, and also in the broad jump, the hammer and shot events.

For Wisconsin Senn should win in the 100 and Captain McGowan in the 220; we should win the pole vault, discus throw and high jump; the mile and two mile runs are Wisconsin's own events. In almost every event we have men who are good for second; Schule, Poage and Burdick will make even the conceded races doubtful. A conservative estimate should give Wisconsin 62 points, Chicago 50.

The following is the correct list of athletes who will wear the cardinal stripe: McGowan, Senn, Poage, Schule, McCrossen, Ross, Burdick, Hahn, Keachie, Chapman, MacFarland, Bredsteen, MacEachron, Smith, Meyer, Hughes, Bishop, Borreson, Muckleston, Lerum, Webster, Watson, Grass and Wheeler.

As soon as the teams arrive at Chicago they will be taken to the Lexington hotel at the corner of Michigan avenue and 22nd street, and will there be entertained until they return Saturday night. The meet is scheduled for 2 p. m. at Marshall Field, the ball game to immediately follow the track contests.

Partly because of the reduced rates, a fare and a third the round trip, but perhaps more because of the genuine interest that is taken in our strong team, an unusually large number of Wisconsin supporters will accompany the athletes.

—Psi Upsilon defeated Sigma Chi at baseball yesterday by a score of 13 to 7.

6. Best set of photos of U. W. life—as well-known faces, class rushes, etc. First prize—Three dollars.

The Board reserves the right to use any of the contributions not awarded prizes, if it so desires. Extra prizes, however, may be awarded if the literary or art work merit it.

Literary matter should be unsigned, but should be placed in an envelope marked with a statement of which competition is to be entered and containing a sealed envelope with the writer's name within. The art contributions may be marked with the artist's name or initials.

The 1903 Badger Board sincerely hopes that the students will take advantage of the offers. In instituting this competition the board not only wishes to interest those who are at present engaged in work for University publications, but it especially desires to call forth talent now unrecognized and to interest those who

Distinguished Visitor.
Every student should take an active interest in the preparations which are being made to fittingly receive ex-President Bascom, who is to deliver the Phi Beta Kappa address early in June. It is indeed a privilege that this learned gentleman has conferred upon Wisconsin in promising to visit the scene of his earlier labors. Every loyal Varsity man and woman should turn out to do the professor the honor that his high position and past associations merit. It will doubtless be a matter of much congratulation to himself that the institution of which he was the head is in its present thriving and prosperous condition and it is the duty of all students to show how they appreciate the part he took in its advancement.

Chicago Twice Tomorrow.
Wisconsin men want a double victory over the Midway institution tomorrow if possible, both in the track team and the baseball contests. In the first we are reasonably sure. The second will give some indication of what our team can do on the enemies' grounds. If they are reasonably steady they ought to sustain a record which is better up-to-date than the twirlers have given us for some time.

Class Memorials.
The senior class at a recent meeting took action towards the purchase of a very appropriate memorial, namely a president's chair for state occasions. It has been suggested in this connection that the professional departments, such as the law school and school of engineering, take up the custom, and make similar provision for their respective heads.

A Suggestion.
The Daily Cardinal would offer as a suggestion that the final game of the inter-fraternity championship series be played at Camp Randall, a moderate admission fee to be charged and the

receipts to be given to the naval department. In this way a neat sum might be netted for the expenses of our aquatic representatives at Poughkeepsie.

have refrained from entering previous competitions of this sort, because of lack of confidence. The annual is a representative feature of the whole University and every one should take equal interest in its success.

INTER-FRAT BASEBALL.

League Formed Last Night to Compete for Elsom Cup.

The organization of an inter-fraternity baseball league was effected last evening at a meeting of fraternity representatives held at the Phi Gamma Delta house. It was decided to divide the twelve fraternities into three groups of four teams each. Each of these groups will play a round of games among themselves, the teams that lose a game dropping out of the race immediately.

When the championship of each group is established, the final games will be played. To arouse greater interest Dr. Elsom has offered a beautiful loving cup as a prize for the championship team.

The fraternities are grouped as follows:

First group: Psi Upsilon, Delta Upsilon, Theta Delta Chi, Sigma Chi.

Second group: Phi Rho Beta, Delta Tau Delta, Phi Delta Theta, Beta Theta Pi.

Third group: Phi Kappa Psi, Phi Gamma Delta, Kappa Sigma, Chi Psi.

Prize for Best Class Baseball Team.

Dr. Elsom has offered a prize for the best class baseball team. There are only two teams as yet entered; the freshman engineers and the school of commerce. If any other teams wish to enter, their managers should report to Dr. Elsom at once. It is to be remembered that all Varsity players are barred from these games.
