NEW GOTHIC FACES

— IN —

WOOD TYPE

The specimens shown in this book consist of original faces:

LIBERTY GOTHIC

REPUBLIC GOTHIC

POSTER GOTHIC

These faces should all prove very useful in printing a superior line of show-bills, price circulars, and other poster work. Each style is made and supplied for printing in two colors, as shown on pages 16, 32 and 44.

When ordering always mention clearly what is wanted. Caps only or Caps and Figures only, or complete fonts of Caps, Lower Case and Figures are supplied in quantities as required. Special assortment of characters can be made.

Wood Type and Border are not carried in stock. This material is made to order only. All orders, however, can be supplied on short notice. All Wood Type can be supplied with accented letters for any foreign language. The price for accented lower case is one and one-half the regular price. Piece accents for cap letters are supplied at half the regular price.

MANUFACTURED EXCLUSIVELY BY

SCALE OF FONTS

Showing the number of letters in each font from 3A's to 30A's. Heretofore it has not been customary to list large fonts of Wood Type, and customers have been compelled to double and treble the small fonts, thus acquiring too many of the least used characters. These fonts are carefully assorted and do not contain surplus characters.
