## BREEDSTEEN'S APPEAL

### EX-CAPTAIN OF TACK TEAM WRITES OF DUAL MEET.

Illinois is Strong and in Good Shape—  
Wisconsin's Chances of Winning  
Appear Doubtful.

Ex-Captain Joseph Breedsteen has written the following for the Daily Cardinal regarding the coming dual meet with Illinois:

Next Friday afternoon our track men will try conclusions with the representatives from Champaign. This is the third dual meet with that institution of which we have won two. The margin last year was only one point. This year Illinois has a stronger team than usual. She is strengthened by the famous pair of athletes, who last year and the year before won the Illinois interscholastic meet for the Biggsville High School. This, in addition to the men that she has in the quarter, the mile, jumps and weights makes her an opponent which will require the best efforts of our track men to win a decisive victory.

This is the only opportunity for seeing what our track men can really do on our home grounds this year as the meet with Chicago comes off at Marshall Field. It is hoped that everybody who is interested in track work will attend this meet and cheer our runners on to victory. A poor attendance is disheartening to the men who have worked all year to win points for their alma mater in these meets. Wisconsin can be depended upon to support her teams if they do their part. This has been clearly demonstrated in the case of our baseball team this year. Many thought that baseball spirit was dead here but it was only asleep and all that was required to arouse the baseball enthusiasts from the lethargy that had come upon them was that the players do their part. As soon as we saw that our men were playing ball in earnest and settling down to victory after victory till last Friday when Chicago came in for her turn the true Wisconsin spirit burst forth anew and our baseball team was given as true a demonstration of loyalty and support as any team could wish for.

Now the prospects of our winning the intercollegiate track meet this year are brighter than they have been since the days of Maybury, Cochems, Kraentzlein and Richards. All the good men that were with us last year are here with the exception of Granke in the discus and this loss will not be felt if Webster, Watson and Wheeler do as well as their practice work would indicate. Last year we were only ten points behind the winner. The improvement of the men should overcome this lead.

Now Friday is the time that students can show the men that they want them to win the intercollegiate. The interest manifested in the indoor meets was gratifying. Never before has so much interest been manifested in local track work and the effects are clearly visible in the excellent records made in last Friday's field meet.

We want to make our victory over Illinois as decisive as possible and nothing can do more to bring this about than the genuine good old Wisconsin rooting.

Joseph Breedsteen.

### Illinois' Entries.

Coach Kilpatrick has received a list of the entries from Illinois for the dual meet to be held at Camp Randall Saturday. The list contains many athletes of high standing who will give Wisconsin a hard fight.

Bell and English won the hundred yard and two-twenty events in the triangular meet between Illinois, Chicago and Notre Dame. Cayou, the Indian who won the quarter mile in the meet last year, is with the team again and running well. In the pole vault and running broad jump Illinois is also well represented and on the whole the Illinois team is in better shape than last year.

Our team, on the other hand, is at present in bad shape. Schule has injured his leg and it is not probable that he will be in condition to run Friday. Breedsteen ran Monday for the first time in three weeks, being laid up as the result of an operation for catarrh, and so is not in any kind of shape.

The other two-milers, Smith and MacEachron, are both running well and should win the event for Wisconsin. The other men on the team are in good shape and though we may not be able to win, the team will put up a good fight and an interesting contest is assured.

The list of entries for Wisconsin will be published to-morrow. The following are Illinois' entries:

100 yards dash—Bell, Brown, Miles, English; 220 yards dash—Bell, Brown, Cayou, Miles, English; 440 yd. run—English, Cayou, Bell; 880 yd. run—Herrick, Gale, Siler; mile run—Siler, Gale, Henry, Ketzler; 2 mile run—Lloyd, Ketzler, Gale, Siler; 120 yd. high hurdle—Lloyd, Thompson Garret, Goodspeed; 220 yd. hurdle—Goodspeed, Miles, Thompson, Rodman; high jump—Long, Goodspeed; broad jump—Goodspeed, Garret, Thompson; pole vault—Baird, Harney; shot put—Garret, Baird, Rodman; hammer throw—Bear, Veers, Baird; discus throw—Hobble, Rodman, Baird.

Herr August Hyllested.

Students will have an unusual opportunity for hearing two famous musicians at the Choral Union concert Thursday night. Mr. Hyllested and Mrs. Auer are both musicians of great reputation and well known among music loving people. Mr. August Hyllested has won for himself great fame in all the countries of the old world. He has played before almost all the royal families of Europe and has appeared in all the large cities on the continent. He is a native of Stockholm and has been honored by being appointed court pianist to the king of Sweden.

The Berlin (Germany) Post says that "for a long time the critic does not remember of having heard a pianist who treats the piano with so masterly a touch as does Herr Hyllested. There is not a shade from the very tenderest to the most powerful which is not at his command. He knows how to coax the finest dynamic shadings from the keyboard. He is a born pianist—a master of the pedal." And Franz Liszt in a private letter thus wrote: "Among the many pianists I have had the opportunity to hear I find only a few that are really talented artists; but among those few is particularly the Scandinavian pianist, August Hyllested."

Mrs. Louis Auer, who is to be the soprano, is returning to the concert stage after several years of retirement on account of family cares. Her recent successes in Milwaukee indicate that she has lost none of the beauty of voice and skill formerly shown on the operatic stage. She is a young and beautiful woman of charming presence. Full scope of her powers will be found in Barbara Frietschie.

### GESELLSCHAFT ELECTION.

#### Varsity German Society in a Flourishing Condition.

At the last meeting of the Germanistische Gesellschaft society last evening, the following new officers were elected for the coming year: Mr. E. O. Eckelmann, president; Mr. T. Ave-Lallemand, secretary; Miss Herfurth, vice president; and Professor Voss, treasurer. Dr. R. Fischer was elected an honorary member of the society. The meetings have been very pleasant during the winter and the society feels very grateful to those who have been taking interest in their success.

The society has now \$219 to its credit, which speaks for the past successful management.

### Geneva Meeting.

The Christian Associations will hold a Geneva meeting next Sunday afternoon at 4:30 in room 16, Main Hall. An illustrated talk on the annual students' conferences will be given. The illustrations will consist of stereopticon views showing incidents in the association camp. All men and women are cordially invited.

—At the sale of Short Horn cattle yesterday afternoon on the University farm, some sold as high as \$750. The entire herd of fifty-seven sold for nearly \$14,000.

—At the end of the fourth inning the score was 6 to 2 in favor of Beloit.

## MANY NEW SCHOOLS

### WILL BE REPRESENTED IN INTERSCHOLASTIC MEET.

Larger List of Entries and Better Sport Promised for This Year—  
Elaborate Souvenir Program.

The approach of June 1, the date of the annual interscholastic field meet, has shown that there is more interest among the high schools than in any previous year. Coach Kilpatrick states that he has received a dozen or more letters from schools not now included in the association, who are anxious to send teams this year, and he says the meet will undoubtedly be the largest ever held. This year, however, the fact that a certain limit of time on the track and distance in the field has been set, will cut out the usual throng of contestants who have no chance for a place, and who only crowd the track and make the meet drag.

Coach Kilpatrick will have charge of the meet up to the day it is held, when he will be in Chicago with the Varsity team at the inter-collegiate. The meet will be under the management of George Downer of Milwaukee after Mr. Kilpatrick leaves the city. Notwithstanding the absence of the Varsity coach and team, the most efficient officials obtainable will be secured and the meet will be run off with more celerity than before. Many arrangements have already been made and the following judges have been chosen and have promised to act: J. T. S. Lyle, who has acted as assistant clerk of the course for two years will this year be clerk and Joe Davies will do the megaphone act to the audience; Pierce, Beule, Allen, Kies, Gibson, Chamberlain and Rioridan will also act but have not yet been assigned their duties.

There will be fewer judges this year than usual, and this is another thing that will contribute to the enjoyment of the spectators. Many complaints were made that at last season's meet there was such a crowd of officials around the events, especially in the field, that they were about the only ones who saw the performances at all. The management intends to do away with this annoyance at the coming meet.

The entries have not come in as yet, but will commence to arrive this week, and will be published as soon as they are received. All the old teams will come except Ishpeming, which has been barred, and probably there will be several new entries. The keenest rivalry exists between Madison High and West Side Milwaukee, and those who are on the inside say that the local yellow pennant has the best chance in years of decorating the top of the stick this season. The Milwaukee people have lost Koch who took the dashes and broad jump last year. For Madison, Schreiber, Regan and Daniells, who have been working faithfully at Camp Randall, are showing up in excellent form for their events. The race between Daniells and Mowry of Milwaukee in the half-mile will be as pretty a race as any lover of athletics could desire.

The management are getting up a most elaborate program this year; it will be printed in book form and will contain many cuts of Varsity teams and scenes of local interest. It will probably be sold for a quarter.

#### CONCERNING COMMUNICATIONS.

Unsigned communications will not be printed in the Cardinal, but it is always glad to print any communication the authorship of which is known to the editor, although the name need not be published unless so designated.

#### Inter-collegiate Tennis.

The interest taken in tennis matters this spring shows a marked revival in the game. The local tournament will be well contested and Wisconsin should be well represented in the invitation meet with Beloit. The tennis association has been handicapped for the last few years by the lack of funds for sending men to the inter-collegiate games. This year it is hoped that the increased interest in the game will enable the association to send at least three men to Chicago to compete in the inter-collegiate tournament. Wisconsin has some good men trying for the team this spring and should make a creditable showing with the other college teams.

#### Choral Union Concert.

The Choral Union concert Thursday evening promises to be of a very high order. The first concert given this year was excellent but the student attendance was deplorably small. While the Madison Choral Union is not strictly a student organization, yet one of its purposes is to stimulate an interest in good music in the University. The reason why no more students take interest in the concerts is probably because the majority of undergraduates have never attended any of the concerts and as a result know nothing of the class of music presented at these concerts. The concert tomorrow evening will be the last of the year and promises to be an enjoyable event.

—R. W. Hargrave instructor in the machine shop, has resigned his position for the coming year and will be employed by the Northern Electric company at Madison.

—Professor J. G. D. Mach, secretary of the faculty of the college of engineering, will be chairman of the board of instructors in the summer school of artisans and apprentices, in the absence of Dean Johnson who will be obliged to be away during that time.

—C. R. Rounds, '01, has accepted a position in the University of Illinois as instructor in argumentation and public speaking. The position is considered an excellent one and holds out bright prospects for advancement. Mr. Rounds begins his work with the opening of the next college year.

—University Architect Jennings has been asked by the Library Board of the City of Janesville to act as supervising architect in the building of their new library. The funds for this library were given by Andrew Carnegie, 30,000, and the late F. S. Eldredge of Janesville, \$10,000.

—Acting President Birge has called a meeting of the High school principals and teachers of the state for Friday, May 31, and Saturday, June 1. Professor Stearns is the presiding officer of the general session. Professor Slichter takes charge of the conferences in science and mathematics; Professor Haskins in English and history; Professor Smith in German, Latin and Greek.

—Yesterday afternoon shortly before five, W. G. Hamilton, '03, Arthur B. Grindell, '02, and Harry A. Cady, law '01, had a narrow escape from drowning while rowing on Lake Mendota. Their canoe accidentally capsized when they were over a quarter of a mile from shore. The distance was too great to swim in such cold water but the men managed to cling to the boat until two boats came out from the shore to their rescue.

## RUSH MEDICAL COLLEGE.

In Affiliation with the Univ. of Chicago. Organized 1837.

The academic year of Rush Medical College is divided into four quarters, corresponding with those recognized with the University of Chicago, beginning respectively the first of July, first of October, first of January and first of April, each continuing for twelve weeks. A recess of one week occurs between the end of each Quarter and the beginning of the next following.

The general course of instruction requires four years of study in residence with a minimum attendance upon three Quarters of each year. A student may begin his college work on the first day of any Quarter, and may continue in residence for as many successive Quarters as he desires. Credit will not be allowed, however, for more than three consecutive Quarters. At least 45 months must elapse between the date of a first matriculation and the date of graduation. For further information, address

RUSH MEDICAL COLLEGE, Chicago, Illinois.
