TRADITIONS TO BE CONSIDERED IN FALL VOTE

Reapportionment of Senate Representation is Proposed

The proposed revision of traditions and reapportionment of membership in the Student Senate and Student Court by the various colleges instead of classes will be voted on at a referendum to be held at the fall election, November 11, according to a decision made at a meeting of the Senate last night.

The donning of the green cap at the Varsity Welcome, the discarding of the visor and red button, and making Cap Night an all-university function at which time the freshmen will discard the green cap are among the measures to be voted on in the referendum. Whether or not a field day shall be held each year in which the freshman and sophomore classes shall participate will also be decided by the voters.

Elect From Colleges

Members of the Student Senate and the revived Student Court will be elected from the Colleges of Letters and Science, Agriculture, and Engineering, the Law school, the Course in Commerce, and the School of Medicine, according to the proposed measures to be submitted on November 11. This will not effect the position of freshman president, the Graduate school representative, or the board representatives.

Only qualified male voters of the senior, junior, and sophomore classes, and of the Graduate school will be permitted to vote in the referendum.

Enter Parade

Robert Stewart '23 was appointed chairman of a committee in charge of a senate float for the Union Memorial parade on November 5. George Stolley '22, and Jack Hurley '24 are the other members of the committee.

About 3,500 sample copies of the ballots to be used in the traditions referendum will be distributed among the voters as soon as possible, according to Sterling Tracy '22, president of the senate.

CASTS PICKED FOR RED DOMINO PLAYS

Pauline Ambrose '23, and John Beffel '23 will take the leading parts in "Boccaccio's Untold Tale," a tragedy, one of the three plays to be presented by Red Domino on the evening of November 17 in the concert room of Lathrop hall.

The part of the peace-seeking butler in the comedy, "Fipps," will be played by William Purnell '21. Christine Affeld '23 will take the part of the Lady, and Wells Carberry '21, of the Lord.

Olivia Fentress '23 will be the shepherd, and Margaret Emmerling '23 will be the princess in a pantomime entitled, "A Shepherd in the Distance."

Mabel Garrison to Sing Tonight; Radio Will Carry Concert

Mabel Garrison, who appears this evening in what critics say will be one of the best musical programs Wisconsin has heard in years, will arrive in Madison this morning, having quite recovered from the recent illness which prevented her expected appearance here a short while ago.

Advance criticisms of Miss Garrison's work are without exception in declaring her to be one of the finest English speaking singers at the present time, and her recent appearance in London was abundant proof to the English critics of the high level to which American vocal art has developed. Her recitals there were met with unrestricted praise, and she was referred to as one of the few sopranos who are able to sing Mozart's larger arias.

One of the newest applications of the recently installed powerful radio telephones of the university will be the broadcast distribution of Miss Garrison's singing by radio. Initial experiments were carried out last year, on the occasion of the Men's Glee club concert, when the voices of the singers were very successfully transmitted as far as Independence, Mo., from which word came later that the concert had been much appreciated by listeners at that station.

TWO SENIORS TO MAKE SENATE RUN WITH BUNGE CARD

Hughes and Boerke Are Both Federal Board Students

Two Federal board students, Edison Boerke and Idrys Hughes, have announced their candidacy for the senior positions on the Student senate on the Bunge ticket.

Boerke, who lives in Wausau, is a student in the Commerce course and a member of Delta Sigma Phi fraternity. He was wounded in action, spending three years in service, and was first lieutenant of the infantry of the A. E. F. His activities are: president of the Wisconsin chapter of Gun and Blade for two years, district president of Gun and Blade, 1921-'22; adjutant, University Wisconsin Post American legion, and a member of the interfraternity council. He also secured class numerals and his college letters through his work on the Broad Swords gym team.

Idrys "Doc" Hughes, who is the other candidate for the Student Senate, is a member of Lambda Chi Alpha fraternity. He is now vice commander of the Legion Post and on the Circulation staff of the Wisconsin Literary magazine. He was prominent in the Ag mixer and was an active worker on the Summer Cardinal.

Y. W. BANQUET TO BE HELD TONIGHT

The membership banquet of the Y. W. C. A. will be held tonight at 5:30 in the Woman's building.

Dorothy Dwight '22, chairman of the banquet committee, has estimated the sale of tickets at 175. Tickets may be bought at the Y. W. C. A. office until noon today.

The Rev. Dr. Tittle of the University Methodist church at Evans-ton, will be the main speaker of the evening. The freshman commission will be announced by Miss Helen Kasbeer and the freshman response will be made by some member of the commission.

It is hoped by the committee that all who can, will attend in order to make this one of the largest membership drives. Those who desire to attend the Union Memorial drive sales class will be free in plenty of time.

Five Cups Offered For Homecoming House Decorations

Five silver cups, to be on display at the Chocolate shop next week, will be given this year for the five best decorated houses at Homecoming. Besides a first and second prize for sorority houses, and the same for fraternities, there is a cup for the best decorated rooming-house. Any house, whatever its size or location, is urged to compete.

The judges, who will award the prizes Friday night, Oct. 28, are Dean F. W. Roe, Major John S. Wood, and Professor William H. Varnum of the Arts department. The basis for choice will be how well the decorated houses express the spirit of Homecoming. All houses intending to compete should notify George Parker '22, so that the judges will not by any chance overlook some of them in their tour of inspection Friday night.

The Madison Gas and Electric company have offered to dip, free of charge, electric lights brought to them between October 20 and 27. Extra circuits can be arranged for by calling the company. Students are warned, in gathering shrubbery, to keep off the drive, and avoid any recurrence of last year's trouble with the Madison Park and Pleasure Drive association.

DANCE TICKETS SELL RAPIDLY

Tickets for the Mortar board dance in Sterling court Saturday afternoon are being rapidly sold by members of the Y. W. C. A. sophomore commission, and members of Mortar board.

Four star orchestras are scheduled to play in the "harbors," at the Theta, Gamma Phi, Alpha Phi, and Kappa houses. The Phi Kaps and Phi Gamms will furnish music at two of the "harbors," and two other sets of players are reserved for the other houses.

Tickets are 10 cents a dance per couple, and are being sold in blocks of five each.

DALE MERRICK WILL MANAGE UNION VODVIL

Leslie Gage Will Be Assistant—Dates Set for December 9 and 10

Dale Merrick, last year's Prom chairman, was appointed production manager of the 1921 Union Vodvil and Leslie Gage '23, who is conducting the Union board dances, was appointed assistant production manager at a meeting of the Union board on Tuesday, December 9 and 10 have been set for the presentation of the show.

Merrick, who has charge of the Union board concerts, was appointed production manager in accordance with a custom that a senior member of the board be chosen as head of the annual variety show which is produced by this organization.

Proceeds to Memorial

The Union Vodvil, the proceeds of which are turned over to the Memorial Union fund, is a production which is staged by members of the university. The acts and sketches are furnished by the several dramatic societies and by other groups. Although the Vodvil is an annual event, it was not produced last year on account of the conflict in dates with the Engineers' minstrels.

"With the remodeled Fuller theater in which to give the performances, and with the talent accruing from the postponed Vodvil of last year, the Union Vodvil promises to outdo any former production which has been staged at the university," is the way Arthur Kinnan, president of Union board, sees the possibilities of this year's show.

DON MURPHY WILL BE CHAIRMAN OF FEATURE CARNIVAL

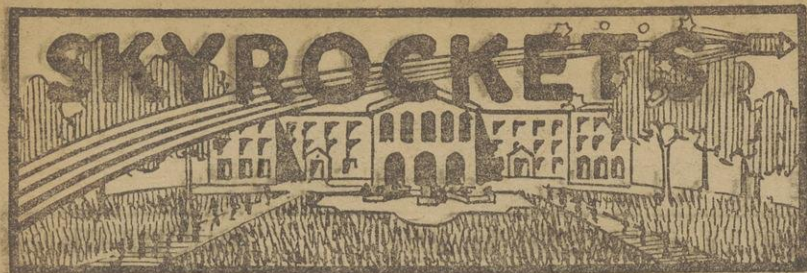

The Homecoming Feature Carnival, the new free attraction for this year's Homecoming which will be held in the gymnasium Friday night, Oct. 28, just after the bonfire, is in charge of Don B. Murphy '22, chairman, Henry Capon '22, assistant chairman, Louis Meek '22, Harry McMurray '22, David Rowland '22, James Sutton '25, and David Wheeler '25.

Taking the place of the Engineers minstrels, the Homecoming Feature carnival is patterned after one of the main traditional events of homecoming activities in eastern schools. "Next to the football game we intend to make the Homecoming Feature carnival the biggest attraction for Wisconsin's annual event," said Don Bailey, chairman of the carnival committee. "The Feature carnival will be composed of vaudeville acts, staged in a more or less informal manner, and designed to fit in with the Homecoming spirit."

Considerable favorable comment has been made on the action taken by the board of directors of the Association of Commerce in lending its efforts, with other organizations, to preventing the staging of tag day and solicitations on days when large gatherings are assembled in Madison. It is believed that this policy will prove helpful in its not seeking to take advantage of its giving out the impression that Madison exceptional facilities as the home of the university and as a convention city.

TUESDAY SET FOR DEBATE TRYOUTS

Honor System is Question to Be Used in Eliminations for Varsity

Preliminary tryouts for inter-collegiate debating will be held Tuesday, Oct. 25, under the direction of Prof. J. M. O'Neill, chairman of the department of speech. The question selected for the tryouts is as follows: "Resolved, that final examinations at the University of Wisconsin should be conducted under the honor system."

All students entering the preliminary contest will register at Professor O'Neill's office.

Any contestant may speak for five minutes on either side of the question. The tryouts will be held in 165 Bascom hall, and the entrants will be divided into three sections, one to be conducted from 4:30 to 6 p. m., another from 7:30 to 9 p. m., and the third from 9 p. m.

The preliminary contest is being held much earlier this year than in the past: It is Professor O'Neill's intention to get the machinery in smooth working order by the beginning of the second semester.

It is probable that the varsity debates this year will be held under the decision plan. Negotiations are now under way with Illinois, Michigan, Minnesota, and Northwestern to reach an agreement on this question. Last year the debates were held under the no decision plan. It was not popular at Wisconsin.

"This is a Good Team," Says Richards

HOOSIERS AND PURPLE START BASKET WORK

Meanwell Men Have Been Reporting for Last Two Weeks

While Wisconsin basketball players have been reporting to Coach W. E. Meanwell for at least two weeks, Northwestern and Indiana issued their first call for Varsity candidates early this week. So far as is known, other Big Ten conference schools are keeping the indoor game in the background until the western football championship has been settled, but it is entirely probable that those with good chances for the title will begin work very soon.

Only two regulars of last year, ex-captain "Cop" Taylor and "Duke" Ceaser, are working out with the Wisconsin quintet at present. "Rollie" Williams is busy with his halfback position on the football eleven and "Gus" Tebell, sub guard last year, is another grid regular who will not be able to report after November 19. Frawley and "Les" Gage, who were on the squad last season, are aspiring for regular berths this year. With this array of veterans and a number of promising additions to the squad, Coach Meanwell has enough material to mold another championship team.

"Bill" Feirn, lanky sophomore, who learned his basketball under "Vic" Hemming, former Badger center, Johnson, Foy, Gibson, and Bareis are all making a strong bid for places on the squad.

Hoosiers Start

At Indiana, Coach George Levis, former Wisconsin basket star, called 16 Varsity basketball men for the first workout of the season. Three veterans, Cox, Maynard, and Thomas, and two candidates, Bahr and Eberhardt, of last year's freshman team, will not report until the end of the football season.

With these experienced candidates, Busby, Hauss, Buckner, Aldridge, Marson from last year's Varsity team, and Crowe, Sanford, Houston, Coffey, May, and Kimberline from the 1921 freshman team, the Hoosiers will be well fortified on the basketball court during the coming season. Thomas will be the only first string man from the 1921 Varsity quintet, however.

Marson, flashy forward, is out for the team, but heart trouble will make it impossible for him to stand the gaff of a hard conference game. He was easily the star of last year's Varsity. DeHority, this year's captain-elect, left Indiana to attend Harvard, and a new leader for the squad will be selected.

Levis Successful

Coach George Levis had much success in his first year as a Big Ten basketball coach. During the first half of last season, his team set the circuit afire and was up in the first division practically all of the time. The quintet burned itself out because of the unaccustomed pace for Indiana, and the last part of the year was somewhat of a disappointment to Coach Levis.

Athletic Director Dana Evans succeeds "Monk" Elder, another Wisconsin old-timer, at Northwestern. Evans will have Holmes, Franzen, Stegman, McKenzie, and Saunders of last year's five to use as a nucleus for the 1921-22 team. Saunders, Dahl, and Shearon are on the football squad and will not begin basket practice until the football season closes. "Swede" Johnson, captain of the frosh team last year, Houghton, center, and other promising sophomores, will report for the Purple quintet.

Maroons and Tigers Gird For Battle

Neither the Maroons nor the Tigers appear to feel over-confident as the day of the great inter-sectional struggle draws near. Coach Stagg's eleven is way off form, while Coach Bill Roper is making a mighty effort to correct a few of the many faults that were brought out in their game against the Navy last week.

Tiger stock was boosted yesterday when Garrity and Lourie, two of the biggest stars in the east, assumed their regular places in the lineup. Both appeared to have practically recovered from the injuries received a couple of weeks ago, and are almost sure of being in the lineup that faces the Maroons next Saturday. The absence of these two men was keenly felt last Saturday, and the new enthusiasm which their presence has created among the players will make the Tigers put up a much better exhibition than they did last week.

The Princeton lineup will probably be as follows: Tyson and Stinson, ends; Kech and Hooper, tackles; Von Schilling and Morgan, guards; Wittmer, center; Gilroy and Newby, halves; Lourie, quarterback; Garrity, fullback.

Coach Stagg, on the other hand, is more undecided on his lineup than he has been at any time this season. King at center and McGuire at tackle appear to be the only men who are sure of starting the game. Either Lewis, Fletcher, or Leatherman will be assigned the other tackle position. Redmon, Fletcher, Dawson, Rohrke, and Proudfoot seem to be the best bets for the guard positions; the first appearing to have a slight edge. Crisler, and Strohmeier will handle the wing positions.

Stagg's greatest problem seems to lie in the selection of the backfield. He has three complete sets of backs, none of which appears to have an edge over the other. Romney apparently will retain the quarterback position. The Cole-Zora-Bryan backfield combination is likely to be the one which will face the Tigers on the opening kickoff.

While Princeton seems to have a slight edge over the Maroons at present, Coach Stagg is by no means whipped, and he is liable to send on to the field Saturday a team which will in no wise resemble the outfit that has performed in such a ragged manner on the midway during the past week.

No Reduced Rates On Special Train For Illinois Game

To permit Badger enthusiasts to see Wisconsin in action against Illinois Saturday, a football special train will leave the C. & N. W. Madison depot at 4:10 Saturday morning and will arrive in Champaign at 11:55.

About 500 students are planning to go to the game, it is estimated, and a large part of these are expected to accompany the band on the special train, while others drive down. Rates will be the same as are usually charged, there being no reduction for the special train. The fare will be \$15.96.

The special will start on its return trip at 6 o'clock Saturday night and will arrive in Madison at 2:30 Sunday morning.

Berths will be made up on the special after 9:30 Friday evening.

T. K. E. LEADS IN SECOND DIVISION OF PIN LEAGUE

Tau Kappa Epsilon maintained its lead in the second division of the interfraternity bowling league by winning three straight games from Phi Delta Phi on Tuesday evening. T. K. E. is the only team to hold a 1000 per cent average. Phi Delta Phi offered but little resistance to the pin smashers of T. K. E. and was completely subdued after the first game.

Sigma Alpha Epsilon received a scare when, after copping the first game, Delta Sigma Phi came back and won the second. However, this sprint was short lived and the S. A. E. bowlers managed to win the deciding game quite handsly. Beta came out from under and won the first game by a large margin of spare pins, but the Theta Chi came back strong in the second and third games and handed Betas the short end of both games. A. T. O. defeated the Triangle bowlers in the first and third games, dropping the second by a number of pins. Theta Xi took the D. K. E. aggregation in by winning the first and third games.

Delta Upsilon and Chi Phi, members of the first division, bowled Tuesday, due to a conflict. D. U. took two games.

The standings of the second division is as follows:

Team	Won	Lost	Pct.
T. K. E.	9	0	1000
Phi Delta Phi	6	3	.667
Cheta Chi	6	3	.667
Theta Delt	6	3	.667
A. T. O.	5	4	.556
Theta Xi	5	4	.556
S. A. E.	4	5	.444
Triangle	4	5	.444
Alpha Delt	2	7	.222
Delta Sigma Phi	2	7	.222
D. K. E.	1	8	.111
Beta	1	8	.111

ZUPPKE SHIFTS LINE-UP FOR WISCONSIN TILT

Carney, Crangle, and Olander Will Be Back for Badger Game

URBANA, ILL.—With Carney, all-American end, Crangle, all-Western fullback, and three other first-string players in the scrub outfit, Zuppke has started his campaign to beat Wisconsin.

The Badgers have upset Illinois for the past two years and if the Illinois score in the game in the game with Iowa Saturday is indicative of her strength, Wisconsin stands a good chance of repeating.

Some of the changes which Zuppke made in his lineup last week were due to his desire to train capable substitutes while other changes were the result of dissatisfaction with his men. The latter changes may be permanent.

Crangle, Carney, and Olander are certain to return to the varsity before the Wisconsin game. Reichle, however, has been replaced by Ott Bauer, a sophomore, who may bet a permanent job. Bauer replaced Reichle at guard late in the Iowa game and during the short time he was in the game gave Slater the only real resistance that he met.

In the backfield Zuppke placed Woodward, substitute fullback, at halfback. Woodward is not as fast as the other members of the backfield, but is a strong man on interference.

Says Squad Will Be in Best Form For Michigan Game

"This is a good Varsity team," said Coach John R. Richards last night after he had sent his Varsity against "Shorty" Barr's All-Americans in the hardest scrimmage of the year. "It was the best scrimmage thus far, and the line just 'rared'."

"The Wisconsin football squad is going to give a good account of itself in this season's games. We may not go through the season undefeated, but any team that plays the Badgers will know that it has been in a game," continued Richards.

"The Northwestern contest last Saturday was not a real test for the line. It is improving and we can now say that at this stage of the season, Wisconsin is in as good condition as possible. The hospital list has diminished until there is not a man on the squad who would not be able to play against Illinois at Urbana.

At Best for Michigan

"The team will not be at its best, however, until the Michigan game. It will be a bellwether then, of course, barring accidents. Gradual improvement, not too fast nor too slow, has made this Varsity eleven a good, fighting outfit."

With "Shorty" Barr calling Illinois plays against the regulars last night, a Wisconsin first eleven battled for 40 minutes on the wet Camp Randall practice field. The All-Americans were at the top of their game and they shot the Sucker formations at Varsity with speed and precision. The Badger forward wall snapped into play with aggressiveness that bespoke great improvement since the last time that Badger rooters saw the team in action.

Squad Numbers 35

About 35 men will compose the squad which has been chosen to make the trip to Urbana tonight. They are: Capt. Sundt, Elliott, Williams, Gibson, Gould, Tebell, Brader, Brumm, Horne, Irish, Taft, Bunge, Nelson, Christianson, Scherneck, Crozier, Woods, E. A. Carlson, G. Carlson, Hohlfeld, Gill, Johnson, Kellogg, Kiessing, Anderson, Collins, Benston, Yaudes, Gude, Paige, Sykes, Platten, Irons.

The large squad will board a Chicago and Northwestern train tonight, and after spending a night in the sleepers, will arrive in Chicago at 7:30 Friday morning. Transferring to a special car on the Illinois Central, the Badger outfit is due to roll into Champaign at 12 o'clock Friday noon. Wisconsin works out on the Illinois athletic field tomorrow afternoon. Immediately after the contest, the Badgers will hop a train at 6 o'clock Saturday and will arrive in Madison Sunday morning. As a display of Wisconsin spirit, students should give the squad a rousing reception upon its arrival in Madison.

IOWA RECOVERS FROM ILLINOIS TILT; HAS HOPES

(By Radio News Service)

IOWA CITY, Ia.—The University of Iowa is recovering from the Iowa-Illinois football game held at Iowa City last Saturday and has hopes for conference championship.

"When did 'Bull' Montana, that grizzled movie star, join the Badger football team?" queried an actor who was watching the squad at Camp Randall. He was looking at "Kibo" Brumm.

GOOD WORK

THE sophomore honors list is now on display in Bascom hall. It is a list of goodly size and it contains the names of men and women who have distinguished themselves in scholarship during their first two years in the university.

Sophomore honors are not ordinary achievements and deserve special praise in this day when societies and clubs are bidding fair to compete in number with the stars in the heavens. Even though the sophomore honor student does not wear a pin or key he is entitled at least to some of the awe and reverence attaching to the wearers of these marks of prestige and superiority.

It is hoped that the recipients of these honors continue in the faith and that others may follow in their steps.

LET THE LAW TAKE ITS COURSE

WHILE it is yet early in the season a definite stand ought to be taken on a question that assumed serious proportions last year. That is the question of personal and business dishonesty on the part of students.

Last year the merchants of Madison lost around \$1,000 in forged checks alone, the forgeries being committed by university students. Petty larceny also was much too common. This is an appalling record. It constitutes a problem which any self-respecting university must meet.

It is not enough for the faculty to take action. Forging checks and petty larceny are violations of the law of the land as well as violations of the standards of probity demanded by the university officials.

There seems to have been an impression in some quarters that students caught in such violations of the law should be dealt with more gently than their erring brothers outside the pale of college life. This is an unsound doctrine in principle and it works a positive injustice to the 99 per cent of students who suffer when the

few bring shame upon the university.

There is some justification for special clemency in cases where harmless college pranks lead students into minor trespasses. But the college student and the ordinary citizen stand on the same ground when it comes to a case of forging checks and shuffling. Equality before the law cannot be abrogated in favor of one or the other.

The only way to prevent a recurrence of last year's record is for student opinion to support the vigorous and fearless prosecution to the limit of every student who acts in violation of the law. The authorities may rest assured that the great mass of students are for justice in such cases, let it lead where it will.

PACK THEM AWAY

QUITE a number of high school letters and insignia are in evidence on the campus this year. Even some of the athletic co-eds are adorning their persons with the symbols of triumph won back home.

All this is contrary to university traditions. High school sweaters should be committed to trunks and sprinkled with moth balls when the proud wearers come to the university.

Most of the violations have probably been due to forgetfulness or to ignorance of the tradition. These traditions are not given sufficient publicity at the beginning of the year. One word ought to be enough about the high school insignias. Let's give the right of way to the varsity letter men and women.

A CHANNEL OF THE HUMAN SPIRIT

THE first of a series of splendid concerts arranged by the Union board will be held tonight. There is no particular point in urging students to fill the armory, as most of the seats were sold two weeks ago.

It is to the point, however, to take this occasion to set forth the proper place of such concerts in university life. If this thing called higher education means anything it means acquainting men and women with the best in thought and the best in feeling.

Music is one of the greatest channels of expression for the human soul. With painting and sculpture it speaks a universal language intelligible to all men alike in all ages.

To neglect music is to impoverish a noble part of one's nature and to make confession of doubtful cultivation.

* * *

It is utterly fruitless to argue with a man so credulous that he more often accepts an untruth than a truth as the basis of his reasoning and who is so illogical that he more often reasons incorrectly than correctly from such data as he accepts.—Wausau Record-Herald.

* * *

Wisconsin has roughly 210,000 boys and girls of high school age, and about 60,000, or 30 per cent, of them are in the high schools.

A POWERFUL SLOGAN

"BUILD a home for Wisconsin spirit" is to be the slogan in the forthcoming campaign to help pay the debt Wisconsin owes to her sons who fought for freedom in the Great War.

There is a magical power in watchwords, despite the cynicism of critics. Slogans have figured notably in the founding of religions, in the establishment of states, in the holding of crusades, and in the winning of wars. The slogan adopted for the Memorial Union carries a thrill and a challenge. It strips the issue of all superfluities. If Wisconsin spirit is not worthy of a home then blot out the words and let the memory of them die. If Wisconsin spirit is worthy of a home then let's have it!

200 JOIN Y. W. IN MEMBERSHIP DRIVE

Over 200 girls have become members of the university Y. W. C. A. as a result of a membership campaign held last week. Quality rather than quantity was emphasized in an effort to secure a group of girls who are willing to live up to the Y. W. C. A. ideals and to cooperate.

"We feel very much encouraged and have reason to believe that the organization will accomplish a great deal in consequence of the splendid group of girls who have joined," said Katherine Wheeler '22, chairman of the membership committee. "The committees were unable to reach girls living in the outlying districts, and we will be glad to give them information regarding the work and membership in the Y. W. C. A., if they will call at the office in Latrop hall.

Hold Leif Erickson Festival Friday Night

The Sons and Daughters of Norway will hold their annual Leif Erickson festival at Woodman hall, Friday night at 8. Prof. J. E. Olson will be the speaker. The Dove singing society will likely sing, and there will be community singing. Refreshments will be served and music will be provided. Most of the program will be carried on in the Norwegian language. The meeting is open to friends as well as members.

COMMUNICATIONS

Editor The Daily Cardinal:

There seems to be a movement of automobiles in the vicinity of the university greater this year than ever before; or else there must certainly be an augmented lack of regard for the lives of pedestrians.

The fact is that one actually risks life or limb in attempting to cross certain streets at certain hours of the day. Particularly is this noticeable at the corner of State and Park streets, and even more so at the crossing of Park street and University avenue.

If there are no serious accidents as yet, it is only because of the intervention of some kindly angel. Heaven only knows at what moment the shameless boldness of some machine driver will obtain us a perfectly legitimate clinical excuse for absence from classes, i. e., if we live to obtain it.

The recklessness with which cars are driven in turning the corners of the streets mentioned above is astounding. The custom of giving warning by blowing the horn has in Madison fallen into complete disuse.

When one evening a policeman was actually seen on the dangerous spot at University avenue in the capacity of traffic director, it was with even greater confusion as the result. He seemed about as much at home on this job as a vegetarian would at a cannibals' dinner party. The strangest thing is that, while the complaints of individual students have been many, the student body as a whole exposes itself to this public defiance of vehicle drivers with the utmost docility. The other day, a student who by the breadth of a hair escaped being run over, had the satisfaction of being laughed at by those who had witnessed the incident.

The least we can do is to work up a general student sentiment against this willful attempt at wholesale homicide. Something must be done to stop it before it is too late. We have enough with our annual lake tragedies!

OUTING CLUB MEET POSTPONED A WEEK

Outing club meeting, which was announced for tonight, has been postponed until next Wednesday evening, because of the Y. W. C. A. banquet, the Garrison concert, and the Union Memorial drive meetig, which are scheduled for tonight.

"We are very desirous of having all the university girls out for the first meeting of the club," said Elizabeth Kirk '23, president, "and so we are putting it off until next week when there will not be any conflicting meetings. No change has been made in the board meeting, however, which takes place Thursday noon at 12:45 on the fourth floor of Lathrop."

WEATHER

The highest temperature during the last 24 hours was 66 at 4 p. m. and the lowest was 48 at 7 a. m. Sun sets at 5:09.

The area of low barometer in the Saskatchewan valley reached the upper lake region this morning accompanied by light rains. Colder weather on the northern plains. Freezing temperatures were reached this morning in Montana, Saskatchewan and Alberta. Fair weather prevails in the Rocky mountains and plateau regions where the barometer is high.

UNION BUILDING DESCRIBED BY PROF. GARDNER

Many Attend First Lecture on Salesmanship; Second Tonight

"The Memorial Union building of the University of Wisconsin will be one of the most beautiful structures in the country, the finest and best equipped union building of any college," said Prof. E. H. Gardner in his illustrated lecture to workers in the campaign for memorial funds in the auditorium of the Chemistry building Tuesday night.

This was the first meeting of a course in salesmanship for canvassers, and 300 men and women students were present. Coach John Richards also spoke. He stressed the fact that the Union building will bring back non-fraternity alumni to occasions like Homecoming, who would not come for lack of a place to stay.

The next meeting of the salesmanship class will be held today at 7:15 p. m.

Moving pictures of the University of Michigan union taken by Willet Kempton '2 a week ago were exhibited. They showed the union in use. Over 5,000 students are accommodated daily. Pictures of the Minnesota union were also shown.

"The plans for Wisconsin's union are not final," Professor Gardner stated. "As they now stand they include rooms for all organizations and publications, a theater, accommodations for alumni, the largest student dining room, billiard room, barber shop, and a dance floor that will enable students to dance from Park street to the Y. M. C. A."

Charts and diagrams were used by Professor Gardner in explaining the principles of salesmanship. He mentioned pride and enthusiasm as two prime factors in collecting the funds. "It is the duty of the canvassers besides raising the money to get the subscribers to use the union a students or alumni in the spirit of a unified Wisconsin," he said.

MANY FROSH OUT FOR BASKET SQUAD

Elimination Practices Reduce Numbers to Working Size

With more than 120 men signed up for freshman basketball, Coach "Doc" Meanwell, assisted by McIntosh, of last year's varsity five, are holding this week a series of elimination practices by which the yearling squad will be reduced to a working size.

Those who survived Tuesday's workout are: N. Hickok, E. Hauga, C. Rowland, R. M. Rodgers, K. S. Mainland, F. A. Bailey, E. Sigglecow, S. A. Holberg, R. C. Folsom, S. Lamer, C. Kreuger, F. Jacobson, and R. Kistner. The results of this afternoon's tryouts has not been given out, but about 30 men are expected to be retained for further work.

Five men are contending for the position of frosh basketball manager. They are: L. R. Gunderson, K. Ray, T. E. Carlin, H. Denbufsky, and W. English.

Much excellent material has shown up already, and the frosh should have a very good team. F. Jacobson from the Appleton high school five, which contended strongly for the championship in the state tournament last year, was given a berth on the all state high school team. Hickok played a fast game with the Madison high, and Kistner starred on the Elkhart, Indiana, five.

SPARTA—Playing brilliant football in the second half of the game with Sparta Saturday at the Sparta field, the La Crosse high school eleven emerged at the long end of a 25-3 score.

MANY ATTEND BEEF AUCTION

Dairy Calves to Be Judged Today at Junior Stock Exposition

More than 500 people attended the auction sale of baby beeves at the junior live stock exposition in the university stock pavilion last night.

The auction was conducted by C. C. Bennett, auctioneer. Among the buyers were representatives of Madison Packing Co., Swift & Co., Chicago, Armour & Co., Chicago, and Plankinton Packing Co., Milwaukee.

Bidding was not very lively. The Grand Champion Aberdeen, Angus, senior yearling, owned by Kenneth Stevenson, Dane, sold for 30 cents a pound live weight. The champion Hereford Junior yearling owned by Lee Jewell, Mineral Point, brought 16 cents a pound. Madison Packing Co. bought the grand champion, and the junior champion.

Judging of baby beeves took place yesterday forenoon. Kenneth Stev-

enson, aged 14, Dane, was awarded the Plankinton silver trophy for showing the Grand champion baby beef of the exposition. The junior champion Hereford steer was exhibited by Lee Jewell, Mineral Point.

"This is the culmination of the year's work for more than 75 boys and girls," said G. W. Davies, secretary of the Wisconsin Live Stock Breeders' association. "It has been an unusually dry summer, but you will have to admit, that under the circumstances, the boys and girls have done very well."

Dairy calves will be judged today. In the evening, a banquet for the boys and girls will be held at the city Y. M. C. A.

EDWIN BOOTH INITIATES FIVE

Five pledges of Edwin Booth club were initiated last night after a banquet held at the Woman's building. Those initiated were Keith Davis '24, Laurens Hastings '24, Cyrus Minshall '23, Richard McCaffrey '24, and J. Stuart Hamilton '22.

Dean S. H. Goodnight, Prof. J. M. O'Neill, Prof. Gertrude Johnson, Esther Guerini '22, and Dorothy Dwight '22 made short after dinner speeches at the banquet, at which Ralph Scheinpflug '23, president of

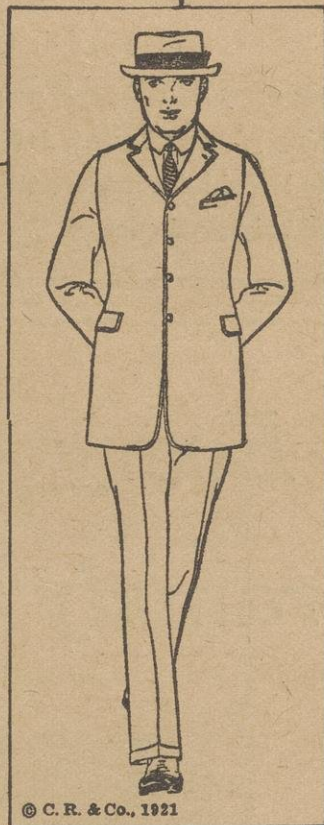

as an initiation stunt the pledges Edwin Booth, presided. presented John Drinkwater's one act play "A Night of the Trojan War," coached by Henry Rubel '23. The play treats in very powerful manner the waste of art and culture in useless war.

Historical Society To Honor Draper

Dr. Louise P. Kellogg will deliver an address in memory of Dr. Lyman C. Draper, founder of the State Historical society at a meeting of the society at the library this evening at 8 o'clock.

The address will be primarily a story of the efforts of Dr. Draper to establish a library where the records of the early history of the middle west could be preserved. Any students interested in such history are cordially invited to attend.

Dr. Draper was a pioneer in the school of western historians and was one of the first men to appreciate the importance of the early history of the middle west. He was untiring in his ceaseless efforts to collect documents and manuscripts which were fast disappearing. If it were not for him we would know very little about the first settlers of his part of the country.
