

## TAPE INDEX

Fall, 1980

Collector: Jim Leary  
Informant: Charles Karye  
Marengo, Wisconsin

Note: Charles Karye made two ninety minute homemade tapes of his singing in Finnish and English. I have made copies of both tapes, but--because of my inability to understand Finnish and the vast amount of material--I have not yet attempted to identify all the pieces contained on these tapes. Since I will soon be conducting a session with Charles, during which the names of all numbers will be taken down, I have put off the arduous task of trying to identify everything on the homemade tapes.
