Caroid and Bile Salts tablets help correct:

Faulty digestion — The enzyme, Caroid, improves protein digestion up to 15%.

Insufficient flow of bile — Bile salts increase the flow of bile to maintain normal water balance in the colon for soft, well-formed stools — and to improve fat digestion.

Poor muscle tone — Two gentle laxatives working synergistically provide mild stimulation of the upper and lower bowel.

Irregularity — Caroid and Bile Salts with its (D) digestant (C) choleric (L) stimulant laxative action encourages normal daily bowel function.
