The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

anginaphobia: *must he live in fear?*

For the angina patient, fear of attack often restricts even *normal* activity. With Peritrate, you can restore confidence and help the patient live more fully—within the limits of his disability.
