The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Supernatural Powers

The say that twins often have supernatural powers. One time She-lost-settlement had twin grandchildren and when they were young, they played. When someone arrived there, they say a sunbeam came into the house and it was just like a string that they were hanging doll clothes on. That is what the Oneidas call supernatural powers. They are not at fault and they cannot help their powers.
