The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

## DAVOL® 3P\* DISPOSABLES

Davol's leadership in the development of disposables is a result of continuous research into the exacting requirements of hospitals for constant and dependable performance. Davol's new 3P\* (personal patient protection) disposable line is designed to meet the demands of physicians and hospitals for improved methods and products.

**3P NEW MATERNITY-CARE KIT.** Completely individualized in feminine powder-blue package. Contains everything needed for patient perineal care following delivery. Offers hospital prestige plus savings in stock control, time and money. Encourages self-care and reduces chance of infection. Chargeable to patient, in most states.

**3P ALL PURPOSE CATHETER (10, 15 AND 19 FRENCH).** Combines features of Nelaton and Robinson style catheters. May also be used as a suction catheter. New Silicone coating process permits easy passage. Packed sterile individually in exclusive Peel-Back blister pack.

**3P CATHETERIZATION SET.** Now includes 6 oz. re-usable glass specimen bottle and thicker gauge plastic for multi-cup tray. Compact; ready-to-use. Disposable 15 French catheter optional. Contains all components for quick, sterile catheterization.

**3P PREP SET.** Includes double-edged disposable plastic razor with high quality surgical blade.
