The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Bewitched

Another thing is being bewitched by the kind of animal she resembles. They call it being bewitched by false faces. If it is a bear that bewitches her, they will put on false faces and become like bears and dance and then eat perhaps corn the way bears eat. Often they cure them but sometimes it happened again and right away they call them back.
