## TWO WEEKS TRIP

TAKEN BY THE UNIVERSITY  
MUSICAL CLUBS.

ITS HISTORY TOLD BY A MEM-  
BER.

Sedgwick Sick for a Part of the Time  
—Greenbank Takes His Place.

The three special cars of the Glee, Banjo and Mandolin clubs pulled into the St. Paul depot early on Saturday morning and many of the boys were sorry to hear the porter's "Only twenty minutes in Madison" which sounded so different from the pleasant "Breakfast ready in the dining car," which had been his call heretofore. Nevertheless they were glad to be home again with the memory of perhaps the most pleasant trip made by the musical organizations of the university.

Milwaukee again proved herself a royal good friend to the university, giving a large and enthusiastic audience. After the concert the clubs were entertained at the Plankinton with a banquet given under the auspices of the Milwaukee alumni. Early on Monday morning they were on their way to Appleton, where the concert was listened to by an audience which was very enthusiastic even though not large.

Oshkosh was the next stopping place. After the concert the boys were entertained at a reception and ball given by the ladies of the city and a very enjoyable time was reported by all. Wednesday morning found the clubs in Racine. Here they were greeted by an audience which had not grown since last year.

Central Music hall at Chicago is in itself an inspiration and when Thursday evening saw its auditorium well filled it was no wonder that the clubs made there, one of the best efforts of the trip. The concert was a success in every particular and the many encores to which the clubs were called to respond gave evidence that the audience had thoroughly entered into the spirit of the occasion and were certainly enjoying the music.

Owing to circumstances which made it seem unadvisable to go to Rockford, the management had substituted Janesville for Friday evening. Mr. Sedgwick, the leader of the Glee club, left at this point, being quite ill. Mr. Greenbank took his place and the concert here, judging from the manner in which the audience received it, was very good.

We left Janesville at midnight and traveled until noon of the next day which found us in Des Moines, Iowa. Here the clubs spent a very enjoyable afternoon at the reception given them by Mr. and Mrs. W. E. Odell, who are W. W. graduates and have certainly not forgotten how to make things very pleasant for a lot of jolly college boys. A very fair audience and a very enthusiastic one greeted them here.

Council Bluffs was the next stopping place. They arrived at this place on

Sunday morning. Sunday was spent by the boys in seeing sights in Omaha and in calling on friends.

The pleasant rooms of the Gannymede club of Council Bluffs were thrown open all day to the members of the clubs and many of the boys found themselves very pleasantly entertained here by the wide-awake business men of that city.

On Monday afternoon Mr. and Mrs. C. S. Montgomery entertained very pleasantly at a reception given at their beautiful home in Omaha. Among those receiving were Messrs. C. C. and M. C. Montgomery, who had arrived from Madison in time to assist in making our entertainment here very pleasant.

The Council Bluffs opera house was well filled in the evening and the boys were made to respond again and again to encores on many of their selections. After the concert a reception and ball was given by the alumni and ladies of Council Bluffs and dancing was indulged in to a late hour.

Sioux City was the next stopping place. Prominent members of the alumni here gave a very pleasant reception. The alumni had made very telling efforts in the way of a big house and the star audience of the trip greeted us here. The opera house was filled to overflowing and we left Sioux City with a much improved financial standing.

A trip of 285 miles brought us to Minneapolis. Many of the boys heard Miss Waltzinger in the De Wolf Hopper Opera Company in the afternoon; others spent the day in calling on friends and seeing the sights. Several of the boys had cameras with them and Minnehaha Falls and Fort Snelling offered many fine scenes for good pictures.

The audience which greeted us in Minneapolis was not large but nevertheless the hearty applause which rewarded the efforts of the clubs told us that our hearers were much pleased. The feature of the concert was Mr. Boffel's football song. Wisconsin would not wilfully hurt any ones feelings, but U. M. boys evidently expected a football song and were loud in their demands for it. Mr. Boffel and the club finally responded and we are confident that it quite vividly recalled the scene of Nov. 17, of last fall, to the minds of our friends of Minnesota. Another notable feature of the evening was the very friendly spirit which existed between the boys of U. W. and U. M. After the concert we were entertained at the West Hotel at a banquet under the auspices of the alumni of Minneapolis. Miss Waltzinger wishing to thank those members of the clubs who had shown their appreciation of her beautiful singing in the afternoon by presenting her with a number of fine bunches of roses. Miss Waltzinger was brought in, amidst hearty applause, by Mr. C. F. McClure. After a very pretty little speech the prima donna very graciously favored us with a song which was heartily received. In the meantime M. and Mrs. DeWolf Hopper and other members of his company came in, accompanied by Miss Louise McElroy, a former U. W. girl and a member of the Gamma Phi Beta, now a member of the Alabama Company, where she is making a great success.

Mr. De Wolf Hopper's recitation, "Casey at the Bat," was received with great applause and Miss McElroy's negro dialect recitation was as heartily greeted. Of course the clubs were called upon again and again, Messrs. Kelly and Bacon particularly delighting the audience, the former by his excellent rendition of Schneider's band, the latter with Ben Bolt, for which Mr. Bacon's voice seemed remarkably well adapted. So amid music and stories and good cheer the evening rapidly passed away and not one of the boys will ever forget the pleasant time in the grand banquet hall of the West Hotel.

In Eau Claire we were very hospitably received, the alumni having made strenuous efforts for a good house. The concert was well received.

In La Crosse we were given a very pleasant reception by Mrs. Paul, mother of Alexander Paul, our assistant manager.

A large and appreciative audience greeted us that evening, which aided much in making the last entertainment of the trip one of the best.

The program during the trip was much the same as the one all our Madison friends have heard and which was published in a previous issue of the Cardinal. Mr. Bacon's Ben Bolt was everywhere received with great applause, and Mr. Kelly made himself famous by his unmatched comic songs, Schneider's Band, Song of the Pussy Cats, and Mary's William Goat.

The Medley arranged by Mr. Sedgwick was everywhere well received. Mr. Vaughn's College Two Step, arranged for the Banjo club, was a great favorite with our audiences.

The financial standing of the club is not as good as might be wished. Just how much is the deficit is not known, but will probably not amount to much more than \$400. The management intends to make up much of this by giving concerts in Rockford, Ill., Whitewater, Baraboo and other towns at small distance from Madison.

### TRACK ATHLETICS.

A Meeting of the Candidates Tomorrow Afternoon.

Tomorrow afternoon at 3 o'clock there will be an important meeting of the track team in the military lecture room of the gymnasium, and all who have announced themselves as candidates or who intend to train, are urgently requested to be present. The object of the meeting is to make clear to all the plans which will be followed in the spring training, to explain the course which will be pursued in arranging the work and explain about the training table which is to be at 708 Langdon street. The baseball team has already gone to the table and the track team will follow in a day or so. All training, except that of the bicycle men and hammer throwers, will be on the campus.

It is to be hoped that a large number of men will attend the meeting and go into active training at once. Anyone who has been following the papers must have noticed the work that the other institutions have been doing for some time. The chief fault with all the training done thus far has been the exceedingly small number of candidates for the team and the tendency to carelessness on the part of

some of those who did train. The latter has been in a measure excusable owing to the confusions of drill and class work, which rendered systematic work very difficult, but the former—the lack of candidates—is certainly discouraging and unless it is remedied it will have the same effect as in the past. We must have more men. The majority of the men, however, who were in training last term are to be commended for their faithful work which showed itself in the good records made at the indoor meets here and the one at Chicago, March 2d. If they do as well this term and the proper number of other men turn out there is every reason to be encouraged over the prospects for the team of '95.

### HOUSEHOLD ECONOMICS.

Beginning tomorrow, a course of twelve lectures on Household Economics will be given by Mrs. Helen Campbell. They will be continued weekly throughout the term.

The first lecture will be a brief review of the statics and dynamics of household science, the relation of the science to life, etc.

The second lecture will be on the subject, "The House." In this lecture will be considered its organic structure and evolution; the rooms, relation of differentiation and specialization in building; influence of soil, location, foundation, elevation, etc.

In the third lecture the "Building of the House" will be considered. Architecture in its relation to household economics and the arts; the development of domestic architecture and the effect of the home for the family will be among the topics under this head.

The next three lectures will treat of the decoration and furnishing of the house, both from an artistic and utilitarian point of view. These first six lectures will thus form a series on the organism of the household. The rest will be devoted to "Household Industries." The subjects of these lectures will be as follows:

Nutrition.  
Food and Its Preparation.  
Cleaning and Its Processes.  
Service.  
Organized Living.

### THE CATALOGUE.

The new catalogue is now in the binding and it is expected that copies will be ready for distribution this week. An edition of 10,000 copies will be issued. Extracts from the catalogue have been issued giving information in regard to the following departments: College of Mechanics and Engineering, College of Law, School of Economics, Political Science and History, Graduate department, College of Pharmacy.

### COAL ON FIRE.

The coal at the boiler house was discovered to be on fire this morning. It is not known how the fire originated as it may have been smouldering for some time. The fire was discovered in time to prevent any serious results and is now under control.

—Will Chamer, of La Crosse, is visiting friends at the university.

Several of Minnesota's seniors have  
absolutely refused to wear cap and  
gown.

Every man who has any ability in  
any line of track or field athletics  
should be present at the meeting of  
candidates tomorrow afternoon. The  
time is three o'clock; the place, the  
military lecture room.

The regents of the university of  
Minnesota have decreed that no one  
must smoke on the campus. Aside  
from the moral and hygienic phases  
of the question, they considered it a  
bad advertisement for the students to  
be seen sending up innumerable  
wreaths of smoke upon the college  
grounds.

The spring term is one of unusual  
interest in athletics. With baseball,  
the aquatic sports, track athletics,  
tennis, etc., the interest of every stu-  
dent cannot fail to be awakened. Ac-  
cordingly no one can afford to be  
without the Daily Cardinal, which will  
devote a great deal of space to ath-  
letic interests and which may be had  
for one dollar during the spring term.

We wish to call the attention of the  
Freshmen to the notice in regard to  
the Freshmen Declamatory Contest.  
These contests should be kept up and  
made a marked feature of the fresh-  
man year. Every freshman who has  
any oratorical aspirations, or who is  
in any way interested in elocution,  
should try to take part in this contest.  
It offers him an easy opportunity to  
test his powers upon a platform before

an audience. And what is of perhaps  
equal or even more value, it offers the  
only opportunity many will have dur-  
ing the year of securing the personal  
assistance of the instructor in elocution  
free of charge. We understand that  
Mr. Saunderson is prepared to give  
aid, in the way of advice, suggestion,  
and rehearsals, to all who intend to  
enter this contest. Certainly a suffi-  
cient number should enter to make the  
occasion one for the class of '98 to be  
proud of. The contest will take place  
some time about the middle of the  
term, but the exact date has not yet  
been announced.

## LOCAL AND PERSONAL.

—Flora Karel is visiting her brother,  
J. C. Karel, law '95.

—F. E. Dillon, ex-'96, for two years  
pitcher on the 'Varsity nine, is visit-  
ing at the university.

—Pres. Adams is out again after an  
attack of the grip.

—All the trains last night and this  
morning brought large numbers of  
students.

—W. T. Arndt, '96, attended the con-  
vention of College Republican clubs  
at Grand Rapid.

—The Badger is rapidly nearing com-  
pletion and will be placed on sale  
within the next two weeks.

—The forthcoming university cata-  
logue shows a total enrollment of 1,529  
students during the year.

—Dr. Rodney H. True, '90, who has  
been studying in Leipsic, will pursue  
advanced work in the university this  
term.

—Dr. Sharp has arranged a special  
course in practical ethical questions to  
meet twice each week, which will be  
open to all students.

TRACK ATHLETIC NOTICE: All  
candidates for the track team, whether  
they have or have not announced  
themselves as such up to the present  
time are requested to be present at a  
meeting Wednesday afternoon at 3 p.  
m. in the military lecture room of the  
gymnasium. It is important that  
every one should be present.

Office of THE PIONEER PRESS COMPANY, C. W. HORNICK, Supt.  
St. Paul, Minn., Sept. 7, 1894.

Eureka Chemical and Mfg Co., La Crosse, Wis.:  
Dear Sirs—I have been a tobacco fiend for many years, and during the past two years have  
smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected,  
until my physician told me I must give up the use of tobacco for the time being, at least. I tried  
the so-called "Keeley Cure," "No-To-Bac," and various other remedies, but without success, until I  
accidentally learned of your "Baco-Curo." Three weeks ago to-day I commenced using your pre-  
paration, and to-day I consider myself completely cured; I am in perfect health, and the horrible  
craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I  
consider your "Baco-Curo" simply wonderful, and can fully recommend it.

Yours very truly,
