The Second Edition of the **WIAC Directory and Records Book** is dedicated to **Judy Kruckman**. Judy retired from the conference office in May of 1998.

Judy Kruckman was named Assistant Commissioner effective September 1, 1996. Prior to this appointment she had served as Commissioner of the Wisconsin Women's Intercollegiate Athletic Conference since October 1, 1984.

Kruckman had been a faculty member at UW-Eau Claire since August 1966 and was appointed Women's Athletic Director in 1974. She had also coached tennis and swimming during her tenure at UW-Eau Claire.

She was one of the original representatives in the conference when it was formed in 1971 and served as its president from 1974-1976. She was beginning another term of presidency when she was appointed Acting Commissioner for the 1984-85 academic year. Judy was inducted into the UW-Eau Claire Athletic Hall of Fame in 1988 and the NAIA District 14 Hall of Fame on May 3, 1992. She was selected as the National Association of Collegiate Women Athletic Administrators (NACWAA) District 6 Administrator of the Year in 1991 and received the Women's Sports Advocates of Wisconsin, Inc. In recognition of Judy's years of service to the conference and numerous contributions to intercollegiate athletics, the award presented annually to the scholar-athlete in each women's championship sport will be entitled the "*The Judy Kruckman Scholar-Athlete Award*", effective with the 1998-99 academic year.

WISCONSIN INTERCOLLEGIATE ATHLETIC CONFERENCE
1998-99 DIRECTORY AND RECORDS BOOK

This is the Second Edition of the ***WIAC Directory and Records Book***. It is presented as a means of informing educators, writers, broadcasters and staff of the excellence of athletics competition displayed by teams and individual student-athletes of member institutions. This book is published annually to provide a record of all sports in the conference-sponsored program.

It is the purpose of the Wisconsin Intercollegiate Athletic Conference to encourage intercollegiate athletics on an amateur basis, with institutional control, and under the instruction of coaches who have faculty status, in order to assure maximum educational benefit from intercollegiate athletic contests among the member and nonmember institutions.

WOMAN ATHLETE OF THE YEAR

Tiffany Ebensperger

Distance runner Tiffany Ebensperger (nee Speckman) of the University of Wisconsin-Oshkosh was named winner of the Honda Award as the 1997-98 NCAA Division III Woman Athlete of the Year. Ebensperger, a senior from Juda, became a candidate for the Honda Award after she won the NCAA Division III women's cross country title last fall in Boston, Mass. The awards program is sponsored by the American Honda Motor Company, Inc. and includes a \$5,000 donation to UW-Oshkosh general scholarship fund.

Ebensperger, the first Honda award winner from a Wisconsin Intercollegiate Athletic Conference school, concluded an outstanding career this spring as a member of both the UW-Oshkosh women's cross country and track and field teams. In cross country, Ebensperger won five meets, including the WIAC Championship for a league-record third time. Her performances helped UW-Oshkosh to the WIAC title and a fourth-place finish at the NCAA Division III Championship. In track and field, Ebensperger won the 3,000-meter run at the NCAA Division III Indoor Championship and claimed the 3,000 and 5,000-meter run titles at both the WIAC indoor and outdoor championships. Her efforts helped UW-Oshkosh to the WIAC indoor title and third and fifth-place finishes at the NCAA Division III outdoor and indoor championships, respectively. During her career at UW-Oshkosh, Ebensperger was a member of the 10 conference championship and six national championship women's cross country and track and field teams.

In the classroom, Ebensperger achieved a 3.39 cumulative grade point average as a biology/pre-veterinary medicine major. Among the accolades bestowed upon her during the past year were WIAC Women's Cross Country Scholar Athlete, GTE Academic All-America Fall At-Large First Team and captain of the *Successful Farming* Academic All-America Women's Track and Field Team, with the latter giving UW-Oshkosh \$1,000 for its general scholarship fund.

UNIVERSITY OF WISCONSIN SYSTEM

The University of Wisconsin System marks its twenty-seventh anniversary in the fall of 1998. The UW System was created in October 1971, by a law placing all of the state's public university campuses under a single Board of Regents. The UW System is composed of 13 universities and 13 two-year UW Centers, and UW-Extension which provides outreach services from offices in every county. Although only 26 years old, the UW System was one of the first statewide higher educational systems in the nation and has pioneered in developing coordinated and high quality programs and services on a statewide basis. System administrative offices are in Madison.

Universities are at Eau Claire, Green Bay, La Crosse, Madison, Milwaukee, Oshkosh, Kenosha (Parkside), Platteville, River Falls, Stevens Point, Menomonie (Stout), Superior and Whitewater. Centers are at Baraboo, Fond du Lac, Janesville, Manitowoc, Marinette, Marshfield, Menasha, Rice Lake, Richland Center, Sheboygan, Waukesha, Wausau, and West Bend.

DR. GARY F. KARNER, COMMISSIONER

Gary F. Karner, a native of the Milwaukee area, was named Commissioner of the newly merged Wisconsin Women's Intercollegiate Athletic Conference and the Wisconsin State University Conference, effective July 15, 1996.

Karner came to the WWIAC-WSUC office in Madison from the National Collegiate Athletic Association headquarters in Overland Park, Kansas, where he had served as a compliance services representative since 1988.

Karner's background in athletics includes strong ties to Wisconsin. He was born in Brown Deer and graduated from high school there in 1971. In 1975 he received his undergraduate degree in education from UW-Stevens Point and a master's in educational administration from UW-Madison in 1978. While earning his doctorate in educational administration at UW-Madison he served as an intern in the division of intercollegiate athletics (1982-83) and was an administrative assistant in the WSUC office in Madison during 1983-84.

The new commissioner taught and coached at North Fond du Lac (1975-77) and at Waunakee (1977-79). He was an assistant district administrator at Woodruff from 1979-82. Athletics were not part of his assignment at Woodruff, although he remained active as an official in several sports.

After completing his doctorate in 1984 Karner served as district director of athletics' activities in Woodland Park, Colorado, until joining the NCAA staff.

DON PAGE, SUPERVISOR OF FOOTBALL AND MEN'S BASKETBALL OFFICIALS

Don Page retired as UW-River Falls athletic director in 1992 following a varied career in athletics as a player, coach, administrator and official. The Madison native starred in five sports at West High School (football, basketball, tennis, track and volleyball) and went on to win letters in basketball and tennis at the University of Wisconsin-Madison.

He earned All-Big Eight Conference honors in football and basketball twice when the Regents won titles in each sport both years. He won the conference basketball scoring championship twice and sparked West to the WIAA state basketball championship in 1945. He also won the Big Eight tennis singles championship twice.

Page earned his Bachelor's degree from UW-Madison in 1950 and his Master's from there in 1953. While an undergraduate, he was a regular forward on the 1949-50 Badger basketball team that compiled a 17-5 record and finished second in the Big Ten Conference. Following coaching stints at Edgerton and Madison West High Schools, Page was head basketball, baseball and tennis coach at UW-River Falls and served as the university's athletic director from 1970 to 1992.

Page was a football official from 1949 to 1993 and officiated basketball from 1949 until 1982. He taught two officiating classes at UW-River Falls for 30 years and served as an official observer of football and basketball officials in the WSUC for 22 years.

He developed the "Football Course Outline" for the Wisconsin Interscholastic Athletic Association and is a member of the National Federation Interscholastic Officials Association. He recently received "Distinguished Service Awards" from the Wisconsin High School Football Coaches Association, the National Federation of Interscholastic Coaches Association, and the Pierce/St. Croix Officials Association. He was inducted into the Madison Sports Hall of Fame in 1988.

Page is probably the only person in Wisconsin history to play (1945 champions), coach (1957 runnerup) and officiate (1968, '70, '72, '73, '74) in the WIAA State High School Boys Basketball Tournament. He also officiated the first WIAA Class A Girls Basketball Championship game in 1976 and has worked Shrine All-Star and State High School Football Playoffs.

MARK BRADEN, SUPERVISOR OF WOMEN'S BASKETBALL OFFICIALS

Mark Braden, a lifelong resident of Lake Geneva, graduated from Badger High School in 1970 where he lettered and earned all-conference honors in football, lettered in basketball and as a sprinter in track.

He continued his athletic and academic interest at the University of Wisconsin-Madison. While a Badger, Braden was a linebacker on the 1971 UW Football Team. He pursued a History Major with a Business minor before transferring to UW-Whitewater to complete his requirements for Dental School. While at Whitewater he completed the requirements for a biology major with a chemistry minor. In 1976 he was admitted to the Marquette University School of Dentistry and graduated from Marquette with a Doctor of Dental Surgery in 1980. He set up his General Dentistry practice in Lake Geneva that same year.

Braden began his officiating career in 1975, officiating freshman and sophomore football and basketball. He has officiated college football in the WSUC for the last nine seasons. He has also worked numerous high school playoff games along with three state high school championship games and the 1996 Shrine All-Star game.

Mark has officiated high school basketball for the last 20 years and has worked numerous WIAA Tournament games along with the State Boys High School All-Star Game.

Braden has been involved with women's college basketball for the past 11 seasons and has worked numerous NCAA Tournament games, twice working the Championship game of the Elite Eight. He has also worked the Great Midwest (1995) and MCAA (1996,1997) Post Season Tournament. He is currently on the staff of the WIAC, Lake Michigan Conference, Midwest Collegiate Conference, Great Lakes Valley Conference, Mid-Continent Conference, Conference USA, MCC and the Big Ten Conference. He has functioned as the Supervisor of Officials for the WWIAC for the last 5 years.

WISCONSIN STATE UNIVERSITY CONFERENCE HISTORICAL REVIEW

The organization meeting of the Wisconsin State University Athletic Conference, then to be known as the State Normal Conference, was held in Madison in July of 1913. The two-fold purpose of this meeting was to secure for each school a schedule of games and to establish rules to regulate and control athletic competition within the proposed conference. The basic purposes of the rules have been to limit and control competition to bona fide students who are making regular progress in their studies toward a diploma or degree; to insure faculty control of athletics; and to promote harmony among the members. With the exception of a short period during World War II, the conference has maintained a regular schedule of games.

The schools represented at the organization meeting in 1913 were Superior, River Falls, Stevens Point and La Crosse, which were to become known as the Northern Division; with Oshkosh, Whitewater, Milwaukee and Platteville constituting the membership of the Southern Division. Each division determined its champion, and then met for a play-off game or a series, mainly in football and basketball. These championship games were played the first year of the organization and for many years thereafter.

To insure faculty control of athletics, the constitution stated that each institution shall have one representative and one vote; also that the representative must not be one who is paid primarily for services connected with athletics and with the physical education department of the university. Possibly one reason why the code of rules has worked so well, and relations between schools have been so harmonious, is because of the apparent policy of each school to have the same faculty representative serve for reasonably extended periods of time. An example of this is the pioneering and strong leadership given the conference by Dr. R. A. Karges of River Falls, and Mr. William A. Atwood of Milwaukee, who began with the formation of the conference and served more than forty years each. Others who gave long service to the conference were Dr. Wittich of La Crosse, Mr. Whealden and Mr. Smith of Superior, Mr. Clemons of Oshkosh, Mr. Keith of Stout, Mr. Fischer of Whitewater, Mr. Fox of Eau Claire, Mr. Chinnock of Stout, as well as others who served for lesser years. Mr. Keith served for many years as secretary-treasurer of the conference.

From the original membership of eight, the conference increased to ten schools. Stout Institute, now University of Wisconsin-Stout, became a member in 1914, and the first record of membership of the then Eau Claire Normal was in January 1917. These two, along with the original eight, maintained continuous membership over the years until June, 1964, at which time the University of Wisconsin-Milwaukee (formerly Milwaukee State Teachers College) terminated its membership in the conference.

The above change in the membership has created an eight-team conference in football and nine-team conference in basketball. Championships in these sports are decided on a percentage basis. Some of the original north-south organization structure prevails in baseball, because of the schedule problems due to spring weather. Championships in other sports are decided by conference meets.

In July 1966, Fred Jacoby was appointed as the first commissioner of athletics for the conference. With rapidly increasing enrollments, expanding athletics programs, and increased time needed to administer the affairs of the conference, it was a needed and necessary appointment.

WISCONSIN STATE UNIVERSITY CONFERENCE HISTORICAL REVIEW (continued)

In August 1971, Max Sparger replaced Fred Jacoby as commissioner of athletics. In September 1971, the conference member institutions became part of the newly merged University of Wisconsin System. This merger did not, however, affect the operational procedures and constitution of the Wisconsin State University Conference.

In August 1993, Dr. Dennis Keihn was named commissioner after the retirement of Max Sparger.

WISCONSIN WOMEN'S INTERCOLLEGIATE ATHLETIC CONFERENCE HISTORICAL REVIEW

In 1958 the Wisconsin Athletic and Recreation Federation of College Women (WARFCW) was formed for the purpose of coordinating athletic activity among Wisconsin institutions of higher education. This organization followed the national model (ARFCW) in which governance was primarily the responsibility of student leaders. The WARFCW included representatives from: Eau Claire State College, La Crosse State College, University of Wisconsin-Milwaukee, Oshkosh State College, Platteville State College, Ripon College, River Falls State College and University of Wisconsin-Madison. The WARFCW held sports days in archery, badminton, basketball, golf, gymnastics, tennis and volleyball.

In 1966 a motion to form a women's athletic conference was presented, but defeated. Then, in 1969 at the annual convention held at Carthage College (Kenosha), a motion to limit the number of sports days per sport to one was passed. This constituted a state meet in each particular sport. Member institutions were allowed to travel to other member schools for dual meets.

In the winter of the 1969-70 academic year, a number of schools, which are currently members of the Wisconsin Women's Intercollegiate Athletic Conference (WWIAC), participated in a unique state basketball tournament at the then Wisconsin State University at Stevens Point. As a result of playing a partial round robin, three state champions were recognized. The triumvirate championship of basketball, with its sportsday hues, was questioned later in the spring of 1970 at the state track meet involving essentially the same schools. At that meet, Martha van Steenderen (UW-Whitewater), Chair of the Wisconsin State Division for Girls' and Women's Sports (DGWS), appointed Dr. Judy Wilson of River Falls and Dr. Mary Jo Mullen of Stevens Point to investigate Minnesota's intercollegiate athletic organization for women and report back to the Wisconsin Athletic and Recreation Federation for College Women (WARFCW) schools. Dr. Wilson and Dr. Mullen began their work, with Dr. Wilson contacting the Minnesota contingent and Dr. Mullen organizing the fall 1970 meeting for the presentation of their report. Marty Beck of Bemidji, Sue Day and Joyce Locks of Winona State served as resource people. Dr. Mullen chaired the fall 1970 meeting at Stevens Point to which eleven universities sent representatives. At that time, an agreement was reached that the development of a conference was needed. Dr. Mullen took the draft of the Constitution of the newly formed WWIAC and presented it for final approval at a meeting held at UW-Eau Claire on January 29-30, 1971. After two days of deliberations, the WWIAC became a reality. In the spring of 1971, the first "Governing Board" meeting was held.

WISCONSIN WOMEN'S INTERCOLLEGIATE ATHLETIC CONFERENCE HISTORICAL REVIEW (continued)

The original membership consisted of twelve schools (the nine current members plus Carthage College, UW-Madison and UW-Parkside) and grew to its maximum of 16 by 1975 with the addition of UW-Milwaukee, Carroll College, UW-Green Bay and Marquette University. All members were at one time affiliated with the Association of Intercollegiate Athletics for Women (AIAW), and the Midwest Association of Athletics for Women (MAIAW). Initially, the AIAW conducted regional and national championships with a large school/small school format. This initial format was later changed to a three division format determined by percentages of financial assistance based on athletic ability. In 1982 the AIAW dissolved and members affiliated with the NAIA (National Association of Intercollegiate Athletics) and/or the NCAA (National Collegiate Athletic Association), Division III. As of the 1993-94 academic year, all WWIAC institutions had only NCAA Division III affiliation.

In 1975 the University of Wisconsin System allocated a part-time position for coordination of the WWIAC. Gail Grimm was appointed Executive Secretary, and was succeeded in 1977 by Dr. Emogene Nelson (UW-River Falls). It was through Dr. Nelson's efforts that a commissioner's position became a reality. In August 1979, Dr. Janice Stocker became the first WWIAC Commissioner, resigning in August 1984. Judy Kruckman (UW-Eau Claire) served as acting Commissioner until her appointment in June 1985.

In 1984-85 the Conference functioned for the first time as a non-scholarship (no financial assistance allowed based on athletic ability) organization, and Faculty Athletics Representatives acted upon recommendations made by the Athletics Directors.

In 1988 the Conference initiated a study of gender equity and compliance with Title IX requirements at all member athletic departments. This study was divided into four phases (institutional self-study, plan of action and time frame for rectifying inequities, initial status report, and a final status report), with the final phase to be completed during the fall of 1993. Support from UW System administrators has helped keep the WWIAC on the cutting edge of what may turn out to be the most visible and debated issues in athletics during the 1990s.

WISCONSIN INTERCOLLEGIATE ATHLETIC CONFERENCE HISTORICAL REVIEW

On July 1, 1997 the nine members of the former Wisconsin State University Conference (WSUC) and the Wisconsin Women's Intercollegiate Athletic Conference (WWIAC) were joined together to form a single conference—The Wisconsin Intercollegiate Athletic Conference. Dr. Gary F. Karner was appointed commissioner in July 1996 to direct the merged conferences.

WIAC SCHOLASTIC HONOR ROLL

Each academic year, the Wisconsin Intercollegiate Athletic Conference honors individual student-athletes for their outstanding work in the classroom by selecting them to the WIAC Scholastic Honor Roll. The Conference Office compiles the names of the student athletes who have qualified for the Scholastic Honor Roll from information submitted by the campuses. A student-athlete has to maintain a 3.0 (B) or better grade-point-average during the last academic year and compete in at least one athletic contest to be recognized.

WIAC ALL-ACADEMIC AWARDS

Since 1989, the former Wisconsin Women's Intercollegiate Athletic Conference recognized the institution with the highest overall GPA for its female student-athletes. Beginning in 1998, the WIAC will recognize the institution with the highest GPA for its female and male student-athletes separately as well as an overall award combining both the men's and women's programs. The awards will be announced in August for the preceding academic year.
