PRICE 5 CENTS

COURT URGES USE OF FEE CARDS FOR CLEAN ELECTIONS

Recommendations to Senate Also Include Initialling of All Ballots

The use of fee cards in a manner similar to that employed by the athletic department in the sale of football tickets, and the initialing of all ballots are the two outstanding features in the recommendations made by the Student court to the senate which held its regular monthly meeting in the Law building last night.

Senate Judiciary Deliberates

No formal action was taken by the senate at this meeting, but these suggestions have been embodied into the regulations drawn up by the senate judiciary committee and will be voted upon at the next meeting.

The court made its suggestion after an investigation of the student election which was held on November 2. Although the court has not concluded its work in this regard, the report was made to the senate in order that the judiciary committee could complete its preparation of the new rules. If adopted at the next senate meeting the new regulations will go into effect at the regular spring election next semester.

May Check Voting

"The use of fee cards undoubtedly will slow up the voting at the polls, but we think that any regulation designed to prevent fraudulent voting will do the same thing," said Harold A. Seering '24, president of the Student senate, last night. "The senate is doing everything possible to prevent the recurrence of an affair like the one which took place last fall."

A. S. M. E. TO HEAR LOUIS ARNY TONIGHT

Louis W. Arny, secretary of the National Belting Exchange, will speak before the A. S. M. E. at 7:15 o'clock tonight in the Engineering building. He will discuss the manufacture and uses of belting and the relative merits of leather belting and leather substitutes. Mr. Arny has spoken before the A. S. M. E. before and is well acquainted with the subject of belting. The meeting will be open to the public and all engineers are especially invited.

DR. EDDY CHOSEN FOR CONFERENCE

Noted Religion Authority Will Be Speaker at Annual Religious Meeting

Dr. G. Sherwood Eddy will be the principal speaker at the annual religious conference, to be held Feb. 29, March 1 and 2. Frederick E. Wolf, general secretary of Y. M. C. A. announced yesterday.

The Y. W. C. A. and Y. M. C. A. cabinets decided on Dr. Eddy at their meetings this week. Gamber F. Tegtmeyer '24, chairman of the conference, will organize the committee at once, it was said.

The program for the conference will comprise the open meetings, a luncheon for faculty members, a dinner for representatives university men and women, a luncheon for representatives of the churches, and a dinner for students from foreign countries.

Dr. Eddy was in Madison for the religious conference in 1920. Since that time he has been around the world, visiting in 23 different countries. He was in Upper Silesia, Germany at the time of the vote on the status of the province.

"Dr. Eddy will speak on religion as applied to some of the outstanding world problems as the prevention of war, race prejudices, industrial disorders, and international relations," said Mr. Wolf last night.

Faculty Invited to Attend Regents Reception Tuesday

The annual reception for the regents of the university will be held next Tuesday evening, in Lathrop parlors.

Invitations for this affair have been sent to all members of the faculty by President E. A. Birge and Miss Anna Birge.

Governor and Mrs. John J. Blaine assisted by the following regents will receive: Gilbert E. Seaman, Milwaukee; Miss Zona Gale, Portage; Fred E. Bachman, Appleton; John C. Schmidtmann, Manitowoc; A. J. Horlick, Racine; Walter J. Kohler, Kohler; Harry L. Butler, Madison; Miss Leola M. Hirschman, Milwaukee; Theodore Kronshage, Milwaukee; Miss Elizabeth A. Waters, Fond du Lac; D. O. Mahoney, Viroqua; Franklin A. Nace, Iola; John E. Cashman, Denmark; Ben F. Faast, Eau Claire; and C. B. Casperson, Frederic.

LANDSCAPE CLUB TO FEAST ON PORK

Outdoor Topics Will Be Discussed By Speakers at Annual Meeting

A pig roast to be held at 6 o'clock tonight in Lathrop parlors will be a feature of the winter meeting of the Friends of Our Native Landscape who are holding their first meeting of the year this afternoon and evening.

Prof. F. A. Aust, of the department of horticulture, secretary of the Wisconsin chapter of the society will speak on "Out Door Advertising and the Public" at the joint session of the Friends and the State Horticultural society, to be held in the assembly chamber, this afternoon at 2 o'clock. Jens Jenson of Chicago, president and founder of the Illinois chapter, will talk on "Our Friends Away From Home." The other two speakers will discuss outdoor advertising.

"The pig roast banquet is more or less of a tradition of the Wisconsin chapter," said Professor Aust. The tables will be decorated with red and white candles and holly leaves and will be arranged around the wall, leaving room for the boar's head procession to enter. A small roast pig, with an apple in its mouth and a red ribbon on its tail, will be brought in by professors W. D. Frost and W. O. Hotchkiss. The singers in the procession will be the Varsity quartette."

The banquet, very "piggy" in character will be served by Halls and Commons in cafeteria style. After the "feast for the body" the "feast for the mind" appears on the program. This is in the form of a masque entitled "Nordic and Tropic," written by Miss Ragna Eskell, of the Illinois chapter, the speaking parts of which will be taken by Helen Ollis '26 and Ruth Mathews '26 of the Wisconsin players and eight pantomime parts by members of the society.

STEBBINS GIVES TALK ON NORWAY TRAVELS

An illustrated talk on his travels in Norway was given by Prof. R. Stebbins of the Art department at a meeting of the Arts and Crafts club held last night in the machine shop. A short business meeting in which plans were outlined for the coming semester took place before the talk. A skating party, a play, and a Mardi-Gras carnival dance to which all university students will be invited are the events that are already planned.

SOPHOMORE COMMISSION MEETS IN Y. M. C. A.

What changes will make the Sophomore commission a more useful and helpful organization to the members and the campus will be the main topic taken up at the meeting of the group in the fellowship room of the Y. M. C. A. this noon. Reports from the delegates who attended the Indianapolis convention of the Student Volunteers will be given.

COMMITTEE PICKS GILMORE'S MELODY AS BEST FOX-TROT

"Southern Hearts" Will Be Introduced at Pre-Prom Dance Saturday

Elliot Gilmore's "Southern Heart" will be the fox trot to which all who attend the "Prom of History" will dance, it was decided by the committee of judges last night.

"Southern Heart" will be introduced at the pre-prom dance next Saturday night, Jan. 12, at Lathrop hall. This is the first year that the prom fox trot has been played publicly before the prom at the capitol.

"As the name suggests it is a weird song of the tropics. It has a dreamy melody with regular rhythm and no long skips," said Clara Hertzberg, chairman of the committee, in describing the composition.

Roberts Wins Recognition

Gordon Roberts was given a close second place and high mention by the committee of judges who were enthusiastic about his "Speakable Moon."

Final tryouts were held yesterday afternoon in Lathrop parlors at 4:30 and the decision was not reached until 7 o'clock. Those who presented fox trots at the final tryouts were Eliot Gilmore '26, Gordon Roberts '25, Jesse Cohen '24, and Nathan Grabin '25.

CONDITION EXAMS SHOW POOR GRADES

Eighty Per Cent of Students Get Unsatisfactory Marks, Records Prove

That 35 per cent of the students who take condition examinations fail to pass them; that 45 per cent get only a grade of poor; and that, of the remaining 20 per cent, only a few get grades of excellent, are the results George Chandler assistant secretary of the faculty found in checking over 850 condition examination papers recently.

"Figuring on this basis, a student has about one chance out of three of failing," Mr. Chandler said.

"Applications for examinations have been made by 135 students of the College of Letters and Science, and 20 in the College of Engineering."

The examinations for Letters and Science students will be given in 165 Bascom hall, and those in economics and engineering will be given in Sterling hall and Engineering building respectively. All condition examinations are to be given at 1 p. m. Saturday, January 12.

"In accordance with the ruling in force for several years, no grade points will be given those who pass the examinations," added Mr. Chandler.

ORKESSUS ANNOUNCES ELECTION OF MEMBERS

Orkessus announces as its new members, Genevieve Brown, Helen Hosstaeter, Lenore Johnson, Loraine Cheeseman, Lois Barry, Doris Lingenfelder, Sylvia Orth, Earnestine Troemel, Katherine Winslow, Marian Strong, Maud Lombard, Marjorie Westendarp, Margaret Murray, Doris Ullman, Blanch Hayes, Ester Fowler, Jane Pierson, Ida Rappaport and Marian Williams.

The honor of membership is given to those girls who show unusual ability and interest in regular class work. Contrary to the general belief that skilled dancing alone entitles one to membership in the club Miss Josephine Young, secretary of Orkessus, said last night that the club was also open to girls interested in other arts.

The general plan is the working out of individual problems and presenting them to the class.

MORPHY TO CONDUCT CLASSES IN MUSIC AT OHIO UNIVERSITY

Prof. E. W. Morphy, of the university school of music, has accepted an offer to teach at Ohio State university, during the summer session this year.

Professor Morphy will leave Madison immediately after the commencement exercises in June, to take charge of classes at Columbus. He will conduct classes in theory of music, practical instrumentation, and advanced orchestration.

After the summer term Professor Morphy will go to Syracuse, New York. Last year he assisted the Syracuse Chamber of Commerce in organizing a band contest for the Empire State fair. He will act in an advisory capacity for a similar contest this year.

PROM PLANS MADE BY NON-FRAT MEN

RESERVATIONS MADE FOR NON-GREEK MEN; TEN BOXES HELD OPEN

"Prom arrangements for non-fraternity men will undoubtedly be more complete and more satisfactory this year than ever before," stated Gordy Hecker, chairman of the committee on men's arrangements following a meeting of interested men at the Y. M. C. A. last night.

Arrangements for at least two parties of non-fraternity men were made, and several others are to be formed soon. Cliff Nolte, informed the men that ten good boxes are to be held open for non-fraternity parties: the parties to vary in size and in pre and post-prom functions as the members desire.

All individuals and parties desiring reservations or information in regard to arrangements for any functions should call Gordy Hecker, B. 1971, or Al. Nicholau, B. 7624. Another meeting of men interested will be held in the Green Room of the Y. M. C. A. at 7:15 next Tuesday.

PRESS CLUB TO HEAR BOYLE ON WIRE NEWS

A regular meeting of Press club will be held at 7 o'clock next Tuesday evening at the Delta Pi Delta house.

At this meeting, James E. Boyle, the Associated Press representative at the Capital Times, will deliver a talk on the organization of the Associated Press and will tell some of his interesting experiences in newspaper work.

Preceding Boyle's talk, initiation will be held for those unable to attend the regular initiation. All old members must attend.

"W" PLAYERS ARRANGE DRAMATIC PROGRAM

The Wisconsin Players will hold an open meeting in the concert room at Lathrop hall, at 8:15 o'clock tonight following the regular business meeting of the club.

A program has been arranged which the club officers think will be of interest to all students interested in dramatics. Any student may attend.

Miss Gertrude Johnson, of the speech department, will read Drinkwater's one act play, "X Equals 0, A Night of the Trojan War." A selection from Marie Stuart also will be read by members of the organization.

PROF. FISH TO ADDRESS SOCIAL SCIENCE CLUB

Prof. Carl Russell Fish will talk at the next meeting of the Social Science club to be held January 18 at Lathrop hall. New officers for the second semester will be elected before this address. The club has abandoned efforts to have George Perry Rutledge, Atlanta national lecturer of the Ku Klux Klan, lecture in Madison. Other prominent speakers however will appear during the next semester under the auspices of this club.

FRAUTSCHI NAMES COMMITTEES FOR '24 COMMENCEMENT

NEW GROUP FOR MEMORIAL UNION PROMOTION ADDED TO LIST

Senior class committee chairmen, the members of their committees and the commencement speakers for the class of 1924 were announced last night by Walter A. Frautschi, president of the senior class.

One new committee was added to the list of those of previous years in the Memorial Union Promotion committee, the purpose of which will be to coordinate the senior class directly with the union by whatever means it deems advisable.

10 COMMITTEES ANNOUNCED

The committees and speakers as announced are as follows:

Publicity—Harold Maier, chairman, Marion Se Cheverill, Dorothy Lawton, Frances Warren, Vernon Beardsley, Porter F. Butts, Wilfred Wille.

Social—Nella Burgess, chairman, Gordon Wanzer, assistant chairman, Rosamond Nolte, Mildred Rieck, Arthur Ardiel, William Buckley.

Alumni—Helen Kingsford, chairman, Florence Fox, Pauline Newell, Lee Hanson, John Blossom, Robert Nethercut, Henry Franklin.

O'HARA HANDLES FINANCES

Finance—Arthur O'Hara, chairman, Mabel Crummey, Grace Kellogg, Walter Plewke, Edwin Schuhahn, William Fronk, Ted Field.

Commencement—Earl Cannon, chairman, Marion Metcalf, Esther Bilstad, George Finkle, Hugo Czerwonky.

Invitations—Howard Lyman, chairman, Ellen Harris, Katherine Boyd, Johnson Bennett, Allan Park.

Play—Laurence Hastings, chairman; Marcella Neff, Roberta Louder, Everett Bogue, Nelson Fairbanks, Sidney Thorson.

Pipe of Peace—Wilbur Wittenberg, chairman; Josephine Keech, Winfred Fletcher, John Packard, G. Owen Paulson, Earl Plettner, Robert Averill.

Cap and Gown—Marvin Schaars, chairman; Eleanor Libby, Josephine Snow, Tracy Johnson, Clark Hazelwood, Frank Cosgrove.

Memorial Union Promotion—John Dawson, chairman, Lois Jacobs, Margaret Calsen, Paul Eschweiler, Ezra Crane, Stanley Slagg.

(Continued on page 6)

HARESFOOT STARTS DANCING CLASSES

DIRECTOR SCHUTER WILL ARRIVE HERE SOON TO BEGIN WORK

Haresfoot has resumed its weekly dancing classes at 4:30 on Tuesday and Thursday afternoons to get men in trim for Mr. Schuter, who is expected to arrive here this week for preliminary arrangements.

The club has issued another call for men to try out for parts in the chorus, and all men who have dancing and swaying ability either in men or girl's characters are urged to attend the classes. A special class is being formed for beginners.

Men will be divided in three groups, those of short stature to form the pony girls chorus, those of medium size the show girl chorus and the largest ones the boys chorus.

Candidates are being run through several of the routine dances used in previous shows, with those trying out for feature roles given special training in feminine mannerisms.

This is the first year the dance classes have been held and have been successful in finding talent and will be continued until the date for final tryouts.

Freshmen, according to university ruling, are not eligible.

TO PLAY BURLEIGH COMPOSITION HERE

Minneapolis Symphony Orchestra Selects Work of Local Violinist For Concert

Sinding's "Old Melody" will be the opening number of the violin recital given by Cecil Burleigh in Music hall at 8:15 tonight, under the auspices of the University School of Music.

The Milandre-Burmester "Minuetto" followed by Leclair's "Sarabande" and "Tambouring," will make up the first group offered on the program.

The four movements of Caesar Franck's "Sonata," and "Nouvelle Fantaisie," by Sarasate, taken from the opera "Faust," comprise the second and third groups.

He will be accompanied by Leon L. Iltis, pianist and professor of piano at the University School of Music.

The Minneapolis Symphony orchestra has included in its repertoire one of two orchestral compositions written by Cecil Burleigh, American violinist and composer, who will give a public concert Thursday evening in Music hall auditorium.

This composition, which the orchestra is introducing Sunday in a concert in Minneapolis, is called "Mountain Pictures," and is a group of pictures in music inspired by nature, a type of work typical of this thoroughly American composer.

Since coming to Madison to take charge of the violin department of the University School of Music, Mr. Burleigh has composed approximately 25 pieces for the piano, and more than a half-dozen songs for vocal presentation.

Mr. Burleigh has written altogether more than 100 violin sketches, and nearly 100 songs and pieces for the piano. Most of his works were written before here. A recently completed concerto and one of his orchestral works have not yet been published.

The artist will play selections from two groups of violin studies which he has composed in his recital Thursday evening. He will play three of five "Indian Sketches," including "The Warriors," "From a Wigwam," and the "Sun Dance." He will also play a prelude and an Etude which he has written.

Girls' Glee Club Prepares January Concert Program

Members of the Girls' Glee club, under the direction of Dr. Charles H. Mills, are putting finishing touches to their program to be given in Music hall, at 8 o'clock Wednesday evening, January 28.

The program will consist of several groups of songs interspersed with solos by Katherine Reid '26, soprano, and with instrumental selections.

One group to be sung is composed of French songs, including the following numbers: "Lovely Wood," Lully; "After a Dream," Faure; "Shepherd Mine Own," French Air.

"Mother Goose Arabesque" also will be given as a separate number.

Tickets will be on sale within a short time for 35 cents each, according to Myrtha Biehusen '26, in charge of publicity for the concert.

Curtain Club Play Progresses. Says Prof. B. Q. Morgan

Rehearsals for "Fanny's First Play" which is to be given by the Curtain club Jan. 21 are progressing well according to Prof. B. Q. Morgan.

Mrs. S. J. Cleveland, who takes the part of Fanny, was a member of a small troupe of amateurs who travelled about Cape Cod during the war. Miss Bertha Oschner who has come to Madison especially for this production has taken part in many Curtain club performances.

Prof. J. F. Pyre is in charge of the production this year. He took charge of the four one act plays given by the club last year.

Prof. Smiley Blanton, Prof. Warner Taylor, Prof. E. A. Burns, and Mr. R. A. Young also take prominent parts in the play. All of these men have appeared in the Curtain club productions in the last few years and have greatly pleased the Madison audiences.

Bequests and Gifts Totaling \$3,000,000 Given University

Bequests and gifts made by private citizens to the University of Wisconsin now total more than \$3,000,000, according to a report recently made by Ben F. Faast, Eau Claire, chairman of the Regent committee on trust funds. Many of the funds were given to endow scholarships and to provide loans for needy students.

Approximately \$225,000 of the total has been received by the university and is administered in the form of 30 trust funds for the specific purposes specified by the donors. The balance is held in trust estates for the payment of annuities to individuals and will be received by the university some time in the future. Among these estates are of Col. William Vilas, Madison, J. S. Tripp, Prairie du Sac, Calvin K. Jayne, Madison, Anna Marston, Madison, and Torger Thompson, Deerfield.

These figures do not include many other gifts by citizens, such as the Washburn observatory, the Bradley Memorial hospital, the Lincoln statue, the Hoard memorial, the John Muir bust, the Van Hise bust, and the future million-dollar Memorial Union building for which alumni, students, faculty and friends of the University already have subscribed approximately \$850,000.

The 30 trust funds are Mary M. Adams fellowship in English, \$10,000; C. K. and Mary M. Adams fellowship fund, \$23,586.71; William J. Bryan prize fund, \$495.57; Amelia E. H. Doyon scholarship, \$5,000; Henry Gund scholarship in German

\$5,000; M. M. Jackson professorship in law, \$20,000; John A. Johnson student aid fund, \$20,010.84; James T. Lewis prize fund, \$641.25; Fannie P. Lewis scholarship fund, \$10,000; Latin League fund, \$3,738.10; Milwaukee Gas Light fund, \$431.49; Secretary's loan fund, \$1,259.68; Christian R. Stein Student aid fund \$1,000; Carl Schurz Memorial fund, \$41,849.22; Adam Conrath Memorial fund, \$129.48; Class of 1912 Loan fund, \$1,344.36; Hollister pharmacy fellowship fund, \$10,328.00; President Adams fellowship in Greek, \$10,000; Class of 1913 loan fund, \$1,348.43; President Adams fellowship in history, \$10,000; Wisconsin pharmaceutical research fund, \$6,827.02; Eavn W. Evans Memorial fund, \$2,000; Carl Jandorf Memorial fund, \$129.63; Mary M. Adams fellowship in English, \$10,000; Graduating Classes' chimes fund, \$13,069.65; Mary J. Eichelberger fund, \$20,000; Jane Oakley fund, \$5,000; Miller Memorial beekeeping library fund, \$1,700; Edna Kerngood Glicksman prize fund, \$1,000; the Martha Gunhild Week scholarship, \$5,000.

Bequests received since June include the Martha Gunhild Week scholarship; Torger Thompson endowment of chair in Scandinavian languages; Edgar Pennoyer Scholarship fund, bequeathed by Miss Alice Pennoyer, Kenosha; loan fund for agricultural students bequeathed by Calvin K. Jayne, Madison; Thomas Marston fund to endow loan fund for needy students or a scholarship, bequeathed by Mrs. Anna G. Marston, Madison.

Christmas Tree For Campus Luminaries Decorated By Co-op

By having the first Christmas tree for football men and other prominent students of the university the Co-Op established a precedent on December 18.

Members of the Co-Op trimmed the tree with red and green rope, bells, wreaths, tinsel and candy canes.

Dolls, horns, drums, street cars, and horses were distributed to delight the hearts of the manly eleven.

Irish, Holmes and Teckmeyer were overjoyed with their dolls, while Williams with his train of cars, defeated Below and Nelson in a race with their electrics.

The tree was a success in all but one respect.

Numerous youngsters were so eager to play with the toys belonging to "our heroes," that some of

the gifts were missing, but the team has the consolation of knowing they were, at any rate, remembered.

HAWAIIANS WIN

CORVALLIS, Ore. — Hawaiian University beat Oregon Aggies 7 to 0 in a football game played New Year's day in Honolulu. Heat, humidity, and lack of substitutes were given as the causes for the downfall of the team from the continent.

RUSSELL UNABLE TO LECTURE HERE

Pneumonia Prevents Speaker From Appearing Until Late Next Semester

Bertrand Russell who was to have lectured here February 23 will not come to the United States until sometime in April because of illness due to pneumonia. He will not address a Wisconsin audience, as a result, until late in the semester. Professor R. E. N. Dodge, chairman of the committee on lectures and convocations announces. Dr. Russell recently held a fellowship in Trinity college at Cambridge. His lecture is March 22.

is the author of a text used by the philosophy department, "Problems of Philosophy."

Two other European lecturers have been arranged for by the committee.

A. J. B. Wace who is the director of the British School of Archeology at Athens will give two lectures here on January 23 and 24. The first of the series will be on "Mycenae, the Wonder City of Ancient Greece." "Prehistoric Greece: A Study in Archeological Reconstruction" will be the subject for the second lecture.

Alice Salomon of the University of Berlin is the second of the speakers to be brought here. She has been called "the Jane Addams of Germany." The date set for her lecture is March 22.

SATURDAY TO SEE FIRST OF THREE TRACK CONTESTS

"W" Men Barred From Competition; Second Meet Set For January 19

The first of a series of three intra-mural track meets in which "W" men are barred from competition, will be held at 2 o'clock Saturday, January 12 in the annex of the men's gymnasium at which time the four classes will tangle for honors.

As in all interclass meets, the winners will be awarded numerals, while the winners of the yearling class will necessarily brighten their chances for making the freshman track team. The team will be picked at the conclusion of the third meet, which is an inter college meet scheduled for January 26.

Second Meet Planned

The second intramural event is dated for January 19, when the frosh and varsity tracksters will entertain track fans for most of the afternoon. Although the varsity track team is considered the best since 1917, it will not have any easy time in winning the affair as the first year class has also produced some men of unusual caliber, and are capable of giving the more experienced varsity men stiff competition.

The intramural track schedule, which has just been completed, was announced last night as follows:

January 12—Interclass meet.

January 19—Frosh-varsity meet.

January 26—Intercollege meet.

Frosh Telegraphic meet will be held with Iowa in February, the date still to be decided upon.

March 22—Eighteenth annual Wisconsin's relay carnival.

March 25-26—Sigma Delta Psi tryouts.

MACKLIN STUDIES MARKETS IN EAST

Atlantic Coast Co-operative Organizations Will Be Given Attention

Prof. Theodore Macklin of the economic department of the College of Agriculture is going back to the east today to resume his study of marketing organizations. He will go to New Jersey to study cooperative potato marketing, then to Prince Edward Island to investigate an egg marketing organization, then he will resume his potato work, going to Maine and Michigan.

Professor Macklin has been in Washington D. C. and Virginia, studying the five cooperative potato marketing associations in operation in that region. Wisconsin growers are planning such an association and want facts and figures from these successful enterprises. Macklin spent a week at the Bureau of Agricultural Economics at Washington D. C. getting statistics of these five organizations. An especially successful organization is that of the East Shore Virginia Produce Exchange, owned by 5000 farmers and handling 8000 to 10000 carloads of potatoes each year with an annual business of \$9,000,000 to \$19,000,000.

Macklin's work consists in getting Wisconsin Cranberry Sales company, the Wisconsin Cooperative Creameries' Association, and the Door County Fruit Growers' Association.

JANUARY COUNTRY MAG HAS MANY FEATURES

Containing many big feature stories, some live campus news, and real crabby crabs, the January issue of the Country Magazine makes its appearance today.

Gerald Jenny '24 whose essay on country fairs won a first prize in national competition among Agricultural colleges has submitted his essay as a feature for this issue. Ten other stories of various phases of Agriculture have been written

King Winter's Smile Cause of Frown to Varsity Pucksters

King Winter has changed his frown to a smile and the varsity hockey squad is bemoaning his sudden change of heart since the rink on the lower campus is rapidly getting out of shape and minutes are precious in preparing for the first match of the season with Marquette at 3 o'clock Saturday afternoon.

The Hilltoppers have had a solid month of practice and reports from Milwaukee indicate that the team is in excellent shape. Coach Bob Blodgett's men, handicapped by their lack of practice, are making a last minute attempt to prepare for the Catholics. Workouts for the rest of this week will be held on the lake so that the rink may be in the best possible shape for the match next Saturday.

The men Blodgett has picked to start the game are Ray Hilsanhoff or Art Saari, goal tender; Bill Ritchie, right defense; Captain Johnson, left defense; George McLean, right wing; Emmett Moran or Chester Gross, left wing; Mace Harris, center. Ritchie hurt his ankle in practice this week and may not be ready to start the game.

STAGE SKI HIKE ON NEXT SUNDAY

Winter Sports Men to Meet at 3 O'Clock For Cross Country Travel

The Winter Sports club, organized recently to promote interest and activity in winter sports, has slated cross country ski hike for Sunday afternoon. Everyone is invited and in addition to the exercise and fun the added inducements of a picnic supper and bonfire is offered.

The club intends to meet at the pumping house near the foot of Park street at 3 o'clock sharp and to go out to the brick factory hill, where there are excellent facilities for skiing. Everyone is expected to bring two bits in his pockets to pay for the hot dogs, buns, coffee and marshmallows.

ADVERTISING CLUB ELECTS OFFICERS

Paul Robertson '24, was elected president of the University Advertising club for the coming semester, at a meeting at the Y. M. C. A. last Tuesday night. Other officers elected were Elizabeth Clark '24, vice president; Donald Bell '25, secretary; Robert Casterline '25, treasurer; William J. Fronk '24, senior director; Willis Sullivan '25, junior director.

The club made plans to devote several future meetings in constructively criticizing and discussing the advertising work of the various campus publications.

Prof. E. H. Gardner spoke on the success of former members of the club. He expressed the opinion that people who get experience in college publications have an advantage over those who do not have this opportunity.

"The essence of advertising is getting an idea that will move the goods and expressing that idea," was Dr. Gardner's summary.

SPEAKER WILL TALK ON INTERNATIONAL PEACE

Charles Mason Remey, author, artist, architect, and world traveler, will give a free lecture at 7:30 o'clock tomorrow in Music hall. He is to speak on "The Coming Universal Society of Nations and the Universal Religion of the Future."

Mr. Remey has spent the past 12 years of his life in the Holy Lands and Egypt, and has made a study of the international problems of the world.

The public is invited.

Faculty members and students. Copies of the issue may be obtained at stands in Ag hall, Home Economics building, drug stores and news stands.

While the game with Marquette is not a conference meet, several matches with Big Ten teams have been arranged. The week-end after the Marquette game Michigan will come here to play two games. The Wolverines have an excellent team this year, but the squad has been handicapped by lack of practice. Minnesota will come here January 25 and 26 to play two games. The men from the North always have a good hockey squad and they probably will run true to form again this year.

The present schedule provides for a rest during Prom week for the squad although officials are dickered with Notre Dame for a game at that time. All of the other schools have an indoor rink.

Marquette and Wisconsin will compete again on February 22 and Coach Blodgett is trying to arrange a game on the twenty-third with the I. A. C., of which Tommy Tredwell, captain of last year's Wisconsin squad a goal tender. The last two matches of the season will be held with Minnesota at Minneapolis on February 29 and March 1.

GYM SHOOS by Orie

"The mind is stronger than the body," is the firm belief of Mead Burke, track coach, after watching several of his shot-putters work out.

We see by the papers that the frosh kind of ran over the varsity yesterday. The frosh came off the floor looking like a bunch of wet bananas, but they sure gave the varsity a good run. The dope seems to indicate that either the frosh are getting darn good, or the varsity is not up to form.

The first workout for the water-basketball team happened yesterday afternoon. Joe watched them a long while and then decided to let the fraternity teams splash around instead.

Oodles and oodles of coeds are due for a jolt tonight. Joe Steinauer advised his swimming varsity to report for time-trials tonight or turn in their tights. No doubt there will be plenty of gamboling on the silvery waves tonight!

Well folks, Bert Hilberts came out for track last night and gave the track team a treat. The half-mile team ran a 660 in fairly good style, considering the time they've been out.

That Wisconsin is well represented in each and every sport is certainly true. No real fan could get a better inspiration than to stand in the annex and see the roving bodies of the crew men work out, and then see the multitude of tracksters spring around that track. Oh my but it's impressive!

One of the big events of the winter sport season is due to come off on Saturday at 2 o'clock, when Jim Vallee's college relay teams do their stuff on the ice, on the ring behind the gym. Everybody out!

"You can't keep a good man down," said Eschweiler, water basketball captain, as he came up for another gulp of air.

ALUMNI TO HEAR OF CHICAGO WELFARE WORK

A Wisconsin alumnus, Edwin Converse (Ned) Jones '07, who has been financing Chicago's largest general welfare organization, The United Charities of Chicago, during the last five years, will give an address on "Chicago's Other Self" before the University of Wisconsin

FROSH AND VARSITY SWIMMERS TO CLASH

The second of the series of three practice swim meets being held between the frosh and varsity swimmers will be held in the gym at 7:30 o'clock tonight. Steinauer's warning to swimmers has brought men on both squads out and a real swim is looked for.

The frosh, nosed out Tuesday night by one point after taking two wins from the varsity in former meets, are going out to show they are the best. Bennett and Gerber, varsity stars, will probably be in the lineup tonight.

Coach Steinauer has posted a list in the tank room of men on the varsity squad. He wishes these men to see him personally within the next few days to receive instructions for the Iowa meet to be held January 19.

GREEK CAGE TILTS ON AGAIN FRIDAY

Six Inter-Fraternity Games Scheduled For Tomorrow and Saturday

The second round of the interfraternity basketball tournament will start at 5:40 o'clock tomorrow afternoon in the men's gymnasium.

Six games will be played tomorrow and two Saturday this week. The rest of the games will be played almost every day starting Wednesday next week. The time for these games will be decided upon tomorrow. It is understood that teams will not have to play two days in succession, the schedule being so arranged that there will be championship games one day and consolidation games the next. The executive committee is hoping that the tournament will be over about January 22.

Teams in the second round of the tournament and playing tomorrow are:

5:40 o'clock—Sigma Phi vs Delta Sigma Phi, Theta Xi vs. Alpha Kappa Alpha, Sigma Phi Epsilon vs. Sigma Chi.

6:30 o'clock—Theta Chi vs. Delta Upsilon, Alpha Gamma Phi vs. Delta Kappa Epsilon, Tau Kappa Epsilon vs. Delta Pi Epsilon.

WINTER SPORTS BEGIN SATURDAY AFTERNOON

The first of a series of Winter sport events will be held on Saturday afternoon at two o'clock sharp, on the newly constructed rink behind the gym, when a four-man relay team representing each college will vie for honors in a half mile race.

Jim Vallee '27, has been appointed chairman of the affair by outdoor sports director, George Martin. Team captains will be announced in the Cardinal tomorrow. The men have been working out daily on Lake Mendota in preparation for the stiff competition they are bound to encounter. There is much promising material in school, and it is hoped that this will be instrumental in fostering the interest in winter sports at Wisconsin.

Chris Pope '27 and Charles Rosenthal '27, two prominent engineers have laid out a half mile track for the event.

HILE OBTAINS 15-YEAR LEASE ON NEW HOTEL

A 15-year lease has been obtained by H. H. Hile, proprietor of the Belmnot Hotel, on the new hotel being built by Piper brothers on the former site of their grocery store. Original plans were to call this new building the Hotel Piper but these have been changed and it will be called the Belmont Hotel.

After completion of the building the old building will be called the Belmont Hotel Annex. Both the Belmont and the Belmont Hotel Annex will be operated under the direction of Mr. Hile.

MARTIN PREPARES BIG PROGRAM OF WINTER SPORTS

Inter-College Relay Skating Race Saturday is First Event on Card

Don't let the present untimely drizzle dampen your spirits, skiers and skaters and ice boaters, for a multitude of good times are in store for you, and a little rain now means good ice next week. At least that's what George Martin says. And George ought to know, for he is collaborating with Old Man Winter in an effort to show students the amount of sport that the winter months can furnish.

He has prepared an extensive program of events to take place in the next two months, and everything from ice boat racing to cross country ski tournaments is on the list. A staff of assistants is working on details now and every affair is guaranteed to be a whiz from start to finish.

Saturday Sees First Saturday starts things going with an intercollege relay skating race for men and an interclass event for women. Jim Vallee is in charge of arrangements and some fast skating is predicted.

The annual skate across Lake Mendota comes off January 19. Bob Blodgett won the event the last two years and authorities have decided that is enough for one man; so the race this year is to determine his successor.

The international ski tournament, the most spectacular event ever held here, comes February 9. Entries are coming in from all over the country, and it looks as if the affair this year might eclipse anything ever held here before in this line. At least something drastic is bound to happen when a gang of ski-totting Norskeys get together.

Two Ski Races Slated Two cross country ski races, one January 26 and the other February 21, are slated. They are for both men and women, the men to race two or three miles, while the women are to cover a mile.

The ice carnival which was so favorably greeted last winter is to be duplicated and even outdone this season. It is scheduled for February 16 and extensive preparations are now under way to make it a memorable occasion.

"Y" TO HOLD FREE TUTORING CLASSES

Instructors, Grads, and Upperclassmen to Prepare Students For Exams

Free tutoring will be given to students.

Under the supervision of the Y. M. C. A. a list of instructors, graduates, and upperclassmen who will help in certain subjects is being compiled. Students who want to be aided in their university work are urged to see Frederick E. Wolf, general secretary of the Y. M. C. A. and arrange for a tutor.

These tutors are men who are giving their services gratis. They are qualified to help students by their own high standings and their knowledge of the work to be taken up. Members of the Junior council are offering their services.

Eight members of the Triangle fraternity have offered their services as helpers to students. If other students or groups of students would aid in this work, I am sure their help would be appreciated," said Mr. Wolf last night.

13 Filinino Constables Killed By "Fanatics"

MANILA—Thirteen members of the Philippine constabulary, including two officers, have been killed by religious fanatics on the Island of Mindanao off the northeast coast according to official advices.

THE DAILY CARDINAL

FOUNDED APRIL 4, 1892

University of Wisconsin official daily newspaper, owned and controlled by the student body. Published every morning except Monday during the academic year by The Daily Cardinal Company, Incorporated, at the Union Building, 752 Langdon Street, and at The Capital Times Building, 106 King Street, Madison, Wisconsin. Printed by The Capital Times Company.

Member of the Western Conference Editorial Association

Entered as second-class mail matter at the post office at Madison, Wisconsin.

Editorial Office—Union Building, Phone B. 250, before 6 p.m. Capital Times, Phone B. 1137 after 7 p.m. Business Office—Union Building, Phone B. 6606 before 5 p.m.

Subscription Rate—\$3 a year, \$1.75 a semester. Single copies 5 cents

ROSS AND RUSSIA

It is with no altruistic motive of supporting a besieged member of our own institution, that the Daily Cardinal takes a stand upholding the position of Prof. Edward A. Ross in regard to the recognition of the Russian soviet; but it is rather with a sense of feeling that the text of President Coolidge's message recently made before congress implies a friendliness toward belaboured Russia, which did not warrant the curt reply of Secretary Hughes to Russia's overture.

Whether or not the facts which Mr. Ross submits in regard to the United States' department of state, is not a matter for discussion. Certain it is, however, that a man of Mr. Ross's recognized influence and position, would not from his own mind fabricate stories for his own interests. He is too much a man for that. Information of some kind he must have.

It is altogether probable to be sure, that the information which Mr. Ross did have might have been inaccurate. Nevertheless, the fact remains that Mr. Coolidge in his message declared:

"But while the favor of America is not for sale, I am willing to make very large concessions for the purpose of rescuing the people of Russia. Already encouraging evidences of returning to the ancient ways of society can be detected. But more are needed. Whenever there appears to be a disposition to compensate our citizens who were despoiled, and to recognize that debt contracted with our government, not by the Czar, but by the newly formed Republic of Russia; whenever the active spirit of enmity to our institution is abated. Whenever there appear works for repentance: our country ought to be the first to go to the economic and moral rescue of Russia. We have every desire to help and no desire to injure. We hope the time is near when we can act."

A most friendly paragraph that seemed, and so Russia thought. But to the overture of Minister Tchitcherin, Secretary Hughes replied in a most curt and brief manner. It would seem that the president's words and the offer for negotiation by Russia, would merit a more careful attention than was given. And furthermore, according to Senator Borah, there seems to be little proof for the validity of the Muscovite documents. Sweeping statements as to a wide spread publicity and propaganda movement are easy to make but should be proved.

Then, furthermore, if it is the form of government and the personnel of the leaders which hinders, it does not seem that the same things influence in the question of Turkey. As Mr. Borah questioned, "does the United States require a certificate of character

for he officialdom of a nation as a requirement precedent to recognition?"

Professor Ross should be complimented and encouraged to further his plan of throwing more light on the Russian question and in endeavoring to establish a recognition of the country. Student thought should be directed to this most vital present day problem. The Daily Cardinal will be glad to publish any communications, pro or con, on the question.

KANSAS POETRY

The perennial and unfailing discussion of "What's the world coming to," "What's wrong with the younger generation," etc., etc., seems to be in no immediate danger of dying out, particularly in reference to the shortcomings of present day college students. In fact, if we were not so notoriously modest, we might feel flattered at all the attention being bestowed on us by the more zealous and militant of our elders.

No less an authority than William Allen White, of Kansas, has taken it upon himself to expose our weaknesses to the pitiless gaze of the public in The New Student appropriately entitled: "Why Students Are Stupid." The good man evidently does not think it necessary to prove, or even assert, that students are stupid; he leaves such self-evident matters aside, and leaps to a consideration of the why's and wherefores. This attitude, it must be confessed, takes us aback somewhat; it is disconcerting. Of course we know that we are stupid, but we didn't know that everybody else knew it too, that the stupidity of students is so open and notorious that it is an axiomatic assumption. And it's really too bad. With a little more pains, we might have been able to preserve indefinitely the appearance of being somewhat intelligent.

It is a little difficult to make out from the article just why students are stupid, but apart from this very slight fault, the article is first rate, and makes capital reading. Speaking of "the hordes of stupid, ineducable college students," Mr. White says:

"Perhaps the college softens them a little. Perhaps seeing the books in the library and thumbing and memorizing the texts for their classrooms does pull off some of their feathers and rud off some of their barbarous paint. Perhaps they will make homes in which the *Cosmopolitan* and *Motion Picture Magazine* and sets of uncut and unread books may decorate the rooms. So perhaps their children, feeding upon this poisoned pabulum, will get some inkling of the love of books and the desire for things of the spirit."

There is hope, apparently, in the dim future. "But just now the college is the haunt of a lot of leather-necked, brass-lunged, money-spending snobs who rush around the campus snubbing the few choice spirits who came to college to seek out reason and the will of God."

It is seldom that we get hold of such a nice, juicy specimen as this. We had no idea that Mr. White was so impassioned a writer. If we could only learn to handle language like the foregoing, we wouldn't mind being stupid. Look at the brilliant contrast in the final sentence; the clang and clamor of "leather-necked, brass-lunged, money-spending snobs," and then the quiet, flute-like note: "the few choice spirits who came to college to seek out reason and the will of God." The thing is positively poetic.

We have already said that it is poetic; not the least of its poetic qualities are those of inconsequentiality. Reason is that his article seems to us unanswerable. We have already said that it is poetic; not the least of its poetic qualities are those of inconsequentiality and unanswerableness.

DAMNING PUBLICITY

We read "\$500,000 to be spent on annual Junior Prom at the University of Wisconsin." Again we read, "College life is four years of glorious club life," and yet again we read "Bright college days often mean loss of life's best chance of success and darker days of disappointment later," and "Had Lincoln gone to college you never would have heard of him."

To believe some of the tales we read would turn the mind to abject fear at the suggestion of a college, giving it the light of a place where extravagance and vice are the rulers, instead of thought, the mind, the higher ideals of life.

To capitalize on the casual mistakes of students, to fling them broadcast via the press as common flagrant, to brand colleges as the hotbeds of atheism, of money and liquor orgies, is to attack at its foundation the citizenship of America.

If universities are as rotten as some would paint them, they would never be existing today. If they were of no more use than we read they are, if they ruin a person's chances in after life instead of multiplying them, why enrollments of our great universities increasing many fold every year?

The damning publicity we read is either true, and if so, should be directed to the roots of the situation—the heart of the thinking nation, or else it is ridiculous.

We are much inclined to class it as ridiculous.—The Daily Maroon.

DECade Doubles Greek Strength

Faculty Sanction Increases National Fraternities on Wisconsin Campus

Fraternities have been established so long at Wisconsin, and have become so much a part of the university that students entering in the past few years have taken them for granted rather than questioned their period of existence.

The first social fraternity was founded on this campus in 1857, while the next one followed 16 years later. Throughout the years that have passed since other groups of men have formed themselves into house clubs, and as such have received charters from more than two-thirds of the national social fraternities in the United States.

Until three years before the United States entered the war there were only 21 chapters of national fraternities at Wisconsin. Previous to that time, although the faculty had permitted and to some degree encouraged the establishment of fraternities, it had not encouraged such action as forcefully as it might have done.

Dean Scott H. Goodnight, since the year 1914, when he entered upon his duties as dean of men, has been a constant and staunch supporter of the desire among students for more fraternities. Since 1914 as many new chapter have been established on the campus as had been founded in the previous 57 years.

At the present time there are two house clubs on the campus which will soon be in a position to apply for a national charter. With more than 65 national social fraternities in the different universities of the country ample opportunity is given for groups of men to form, and to later become Wisconsin chapters of national fraternities.

Dance Celebrities Provide Thrills in Orpheum Program

Jack and June Laughlin, headlining the program at the Orpheum the last half of this week, bring their spectacular dance direct from a musical production that contained such celebrities as Julian Eltinge, Lew Dockstader and Tom Brown and his Saxophone band. The brilliancy of the cast did not overshadow "Dancing Wild."

Keene and Williams will have with them 15 minutes of joyous laughter in their "Roadside Flirtation." Harry Keene, the "City Slicker," and Miss Williams, a country flapper, with gowns by "Woolworth," are a pair of characters who will please.

Madeline Young, who has appeared here many times, will bring on this engagement a group of southern singers. The troupe, singing the old southland songs in the original southland way and the new, snappy negro songs, as they should be sung.

Willie Schenk and Co., a comedy surprise from Europe, has been a riot in almost every music hall in the old country, and from indications he will be equally as successful here.

Kinzo, a juggling monologist, always pleases and does not need an introduction to vaudeville audiences.

W. H. A. Has Lecture Scheduled on Next Week's Program

WHA radio station next week will continue its series of lectures by local professors. The program follows:

Friday night, January 11, Dean Roe will give a series of readings. The schedule for next week is as follows:

Monday, January 14—"Wisconsin in China," by Prof. E. A. Ross, sociology department.

Wednesday, January 16—"Getting the Most Out of the Home Furnace," by Prof. W. E. Wines, Extension division, department of mechanical engineering.

Friday, January 18—"Benjamin Franklin's Place in American Journalism," by Prof. Grant M. Hyde, of the Course in Journalism.

More than 1,000 Badger school teachers recently enrolled in classes conducted in their home cities by the State University Extension division.

Woman Member Of Reichstag Is Labor Leader

Baronesse Katherina Von Cheim.

Baronesse Katherina Von Cheim is a member of the German Reichstag (People's Party) and is said to be that country's biggest woman industrialist. Her influence in the Reichstag is far reaching and she is a leader with tremendous power. Added to this is the fact that she is known as one of Germany's best dressed women. The combination is a little unusual.

OHIO STATE BACKS NEW FRAT GROUPS

Wisconsin Ranks High in En- rollment in Greek Organiza- tions

"The infants in the Greek world" are being backed by Ohio State university, for in the last four years eight national fraternities and three national sororities have been established there.

At Ohio State there are 33 fraternities and 17 sororities. Figuring an average membership of 20 this would make only 1,000 students who are members of fraternities and sororities, from a total student enrollment, in 1922 of over 8,000, or approximately 13 per cent.

Wisconsin is among Big Ten leaders as far as Greek letter membership is concerned. The only university far surpassing any of the others is Purdue, with almost one-fourth of the student body holding membership in fraternities and sororities.

The following table contains figures of the larger schools. Compare this list, the enrollment figures of which are taken from the 1921 World's Almanac, does not include the honorary, professional, or local groups.

School	Fr	So	En	Pct.
Illinois	49	19	9,208	15
Michigan	43	18	9,401	13
Wisconsin	39	18	7,294	16
Ohio	33	17	7,210	14
Chicago	32	17	10,880	6
Minnesota	30	16	8,120	11
Purdue	26	7	2,825	23
Iowa	21	11	4,933	13
Northwestern	20	15	7,759	10
Indiana	16	12	3,700	15

PRESS CLUB

WISCONSIN SPIRIT CHARMS PROFESSOR

Rostovtzeff Prefers Madison and University to Any Other Places

Michael I. Rostovtzeff, professor of ancient history, prefers Madison and the University to any city or university in the country.

When asked why he recently refused an offer to become a member of a large eastern university he shrugged his shoulders and answered with a smile "Because Madison is my home and I like the university. That's all."

Professor Rostovtzeff is a native of Petrograd, Russia, and one of the greatest authorities in the world on ancient history. He has studied in the universities at Kiev and Petrograd, and taught for five years in the latter where he was a member of the Academy of Science. After leaving Russia he studied and taught for two years at Oxford, and for the past four years has been at Wisconsin.

Research work in the field of ancient history has carried him into every country of Europe and several in Africa and Asia. He has written fifteen books and over 500 articles in five different languages, English, French, Italian, German and Russian.

Professor Rostovtzeff holds honorary degrees at the Universities of Leipzig, Oxford, and Rusia, and is a member of the Berlin, French, British and Russia academies and the Academy of Arts and Science at Boston.

CONSTRUCT NEW SHELL
CAMBRIDGE, Mass. — A new craft, designed to seat 16 men, has been constructed for Harvard oarsmen. The new boat is 35 feet long and 6 feet wide and seats eight men on a side, with an aisle between, which enables the coach to move from man to man to give personal instruction.

Approximately \$850,000 has been raised so far for the million-dollar Memorial Union building.

Life-member Memorial Union contribute liberally to the Memorial badges are given to alumni who Union Building.

Social Functions on Saturday Mark Finale of Season

Farewell social functions will be held on Saturday evening, to wind up the social regime before the semester grind. Among the affairs are:

Pre-Prom dance

The annual informal Pre-Prom dancing party will be given on Saturday evening in Lathrop hall. A special ten-piece Fairbanks orchestra will furnish the music. Special decorations are being planned.

Beta Theta Pi

Active members and pledges of Beta Theta Pi are holding a dinner party on Saturday evening, preceding the pre-Prom dance. Mr. J. Cauldwell is to chaperon the affair.

Theta Delta Chi

An informal dance will be given on Saturday evening at the chapter house of Theta Delta Chi. Mr. and Mrs. H. Petrie have been asked to chaperon.

Alpha Chi Sigma

Alpha Chi Sigma is entertaining informally at the chapter house on Saturday evening. Chaperons will include Prof. and Mrs. Oesterle and Dr. and Mrs. J. Vernon Steinle.

Pi Kappa Alpha

A sleigh ride party followed by a supper at Frank's, Middleton, will be given on Saturday evening by members of Pi Kappa Alpha fraternity. Mr. and Mrs. Robert Volkert will serve as chaperons.

Phi Beta Pi

A chapter house informal will be held on Saturday evening by actives and pledges of Phi Beta Pi fraternity. Dr. and Mrs. Hobart Cromwell have accepted the invitation to chaperon.

Zeta Psi

An informal house dancing party is planned on Saturday evening by members of Zeta Psi fraternity. Mr. and Mrs. C. S. Pope will act as chaperons.

Square and Compass

Square and Compass are entertaining on Saturday evening at an informal chapter house dancing party, with Mr. and Mrs. Joseph Pierson, chaperoning.

Phi Kappa

A "tux" party will be held at the Phi Kappa house on Saturday evening. Mr. and Mrs. E. J. McManama will attend as chaperons.

Theta Chi

Theta Chi are entertaining informally at a dancing party at the chapter house on Saturday evening. Prof. and Mrs. Elwell are to chaperon.

COMMITTEES PICKED FOR COMMENCEMENT

Continued from Page 1

Merrill Taft, Edwin Rohrbeck, William Hammond.

Class Speakers Chosen
Class History — Olivia Orth, Thomas MacLean.

Class Prophecy — Dorathea Wilius, Porter F. Butts.

Class Day Oration — John Fritschler.

Farewell to Underclassmen — Harold Seering.

Junior Response — Eliot Sharp.

Presentation of Memorial — Martin Below.

Ivy Oration — Oscar Christianson. Planter of Ivy — Daniel O'Neill.

Ivy Ode — Edith Porter, Anita Haven.

The president will be ex-officio member of all class committees.

Parochial School Closed Due to Faulty Furnace

No classes are being held at the St. Patrick's parochial school. School was not resumed there Monday as in other buildings owing to a defective furnace which prevented proper heating of the class rooms.

Travelers

Stuart Scott, son of Prof. and Mrs. Scott, Jefferson street, has returned to Yale, where he will resume his studies, after a holiday vacation with his parents.

Maurice McCaffery, son of Prof. and Mrs. M. E. McCaffery, Jefferson street, has returned to continue his studies at the University of Pennsylvania.

George K. Anderson, son of Prof. and Mrs. Rasmus B. Anderson, has returned to California, after a stay at the home of his parents. His two sons are attending Leland Stanford university.

S. G. A. PUTS BAN ON 12:30 NIGHTS

Friday and Saturday to Have 11 O'Clock Limit as Exams Aid

No more 12:30 nights after this week-end until exams are over!

Such was the decision of S. G. A. last night at a meeting held in Lathrop parlors. It was voted that Friday and Saturday nights should be 11 o'clock nights from January 18 to February 6, and that girls who are through exams may stay out after 11 o'clock on week-end nights only by special permission of the house mother.

Regular dancing classes will be held on Friday from 7 until 8 o'clock in Lathrop parlors during the "exam" period.

All books in the S. G. A. library will be loaned free for a period of two weeks, after which a fine of two cents a day will be charged.

Miss Dorothy John also announced that at the next meeting S. G. A. would cast its vote for five women from the senior class who are representative of the Wisconsin spirit and who will be in the section of the Badger for representative women of Wisconsin.

NEW PASTORS TO HEAR OF STUDENT PROBLEMS

In order to acquaint the campus pastors with the three new ministers that have recently come into university work and to discuss problems among students and their solution, Frederick E. Wolf is giving a luncheon at the Y. M. C. A. Friday noon. The new pastors are the Rev. Norman Henderson, the Rev. Marshall Olson, and the Rev. J. M. Walters.

Approximately 250 radio fans "took" a weekly course in code instruction conducted recently by station WHA, of the university.

We Lose Third Of Life In Bed; Make It Comfortable

The average person spends one-third of his life in bed! Therefore it behooves the housewife to see that the bed is made up for comfort as well as for attractive appearance, say home economics students at the University of Wisconsin.

Here are some of the ways they have learned to make bed-making easier:

If you are in the habit of tiring yourself out by running around the bed a dozen times to straighten a corner here and there, try moving around the bed only once. Make the bed entirely on one side, even to the spread, and then go to the opposite side. You must remember, however, to put the center of each article in the center of the bed.

Use slow steady movements.

Sheets always seem to slip out from under the mattress, so tuck the bottom one in five inches under the mattress at the head of the bed and tuck the upper one in five inches under the mattress at the foot of the bed.

The wide hem is always placed at the head of the bed. The upper sheet is put on with the wrong side up, so that the upper edge can be folded neatly over the top of the blanket and quilt.

The bed clothing should only reach to the person's neck and is only brought up that far on the bed when making it. Avoid too much covering at the upper end of the bed.

George Roderick Engaged to Marry Louise A. Huston

Announcement has been made at the Delta Gamma house on Monday evening of the engagement of Louise A. Huston, Ludington, Mich., and George Roderick, Grand Rapids, Mich. Mr. Roderick was graduated from the University of Michigan and is a member of Sigma Phi fraternity. Miss Huston is a freshman in the college of Letters and Science.

Hull-Williams

Announcement was made at the Delta Sigma Pi house on Monday evening of the engagement of Leland W. Williams to Ethel M. Hull. Miss Hull is a Madison girl, residing at 107 N. Butler street. She was formerly a student in the university.

Leland Williams, Bear Creek, is a member of Delta Sigma Pi, professional fraternity and also of Square and Compass. He is a senior in the course in commerce.

Alpha Chi alumnae

Alumnae of Alpha Chi Omega will be entertained at the home of Mrs. R. M. Reisner North Baldwin street, at 7:30 o'clock tonight.

Part Time Schools

Vocational Training Popular; Believe 1924 Will Be Biggest Year

Increased interest in vocational education in Wisconsin during the present year is indicated by statements of vocational directors of cities over the state, according to George P. Hambrecht, state vocational director. Mr. Hambrecht expressed the belief that enrollment in vocational classes during the present term will pass the 52,000 mark.

Vocational directors meeting in Milwaukee last week reported favorable conditions in vocational schools throughout the state, director Hambrecht said. Ninety percent of the students who attend vocational or part time schools show a great personal interest in their work, the directors declared, while but a small per cent are disinterested and do not care for their work.

Preparing for Business?

Men — anxious to rise to positions of responsibility in business should investigate the one year intensive training course offered at Babson Institute.

Classes are conducted on the conference plan. The instructors are experienced business men, successful in their own lines. You work on actual cases — not hypothetical problems. You are shown how to solve the same kind of problems that will confront you in actual business practice.

Write for Booklet

Send for booklet "Training for Business Leadership." Describes the courses in detail and gives complete information about the facilities of Babson Institute and shows how men are trained for executive roles. Write today. No obligation.

Paul Stark Is Reelected Head Of City Y. M. C. A.

Paul E. Stark

All officers of the city Y. M. C. A. for 1923 were re-elected at a meeting of the board of directors Wednesday noon for the year 1924. They are: Paul E. Stark, president; F. M. Wilcox, vice-president; L. E. Atkinson, treasurer, and E. J. Frautschi, recording secretary.

WINTER FAILS TO STOP AUTO TRIP TO COAST

Frozen carburetors, icy roads, huge snow drifts, and below zero weather were not enough to change plans of Mark Purcell and Ray Wengel '24, and they left Madison Monday afternoon in a touring car bound for the Pacific coast where they hope to find warmer climate. Purcell will enter a medical school on the coast and Wengel will return to complete his work in the medical school here.

Madison Man Game Protective Body Director

Dr. A. S. Heddon of Madison was named to the board of directors of the Wisconsin Game Protective association at the convention which closed in Madison Tuesday. Dr. J. A. Holmes of Appleton was elected president. C. L. Harrington of Madison spoke on "Forestry" at the convention.

JUSSELL PREDICTS BADGER SUPREMACY

Bright Agricultural Conditions
Planned For Wisconsin
Farms For 1924

Dominating the agricultural field in 1923, Wisconsin is making plans to hold that same position during the year 1924.

The general agricultural program for the Badger state as outlined by H. L. Russell, dean of the Wisconsin college of agriculture, makes provisions for happy homes, efficient marketing, farm records, a close study of the markets, production of quality products, growing of more legumes and an effort to make Wisconsin self-supporting.

"On our farms in Wisconsin where livestock and its products already make up over 80 per cent of our farm income, it is doubly necessary that we free ourselves as far as practicable from cash outlay for the purchase of such feeding stuffs as roughage. Some concentrates we will always have to purchase, for Wisconsin produces neither wheat, cotton or flax, the by-products of which make up a considerable part of the feeding stuffs that are used with our dairy and livestock. To continue to import such coarse forage crops as alfalfa hay that could so readily grow in our own state, is anything but a sound business policy. Alfalfa laid down in Wisconsin never gets down in price to a cent a pound, and often is not far below the farm price of some of our standard grain crops. To the railroad goes more for freight on such bulky, coarse commodities than to the farmer in the West who produces the crop. Surely costs of production can never be lowered to the point of maximum profit when we pay out millions of dollars for such feeds that can be raised at home," Dean Russell declares.

"This year, as never before, a legume campaign should be put on that would replace hundreds of thousands of acres of low protein timothy with such high protein feeds as alfalfa, clover and soy bean hay. The drought of last summer proved to many farmers that alfalfa, by virtue of its deeper root system, was able to stand the weather better than clover. With lime, inoculation, and right strains of seed, alfalfa can be secured even on our acid soils. On the lighter sandy soils, the soy bean makes a most excellent growth. These high protein hays with silage meet the needs of our live stock when supplemented with moderate amounts of concentrated feeds."

Bulletin Board

PROM PARTIES

All persons or groups desiring to arrange Prom parties are asked to get in touch with Gordon Hecker B. 1971, or Alfred Nicholas, B. 7624.

FINANCIAL REPORTS

Treasurers of organizations desiring an audit made of their books are requested to leave them in 22 South Hall before January 15. Saddle and Sirloin will meet at 7:30 o'clock tonight at Ag hall. Jas. R. Garver of the Wisconsin Livestock Adv. Assn. will speak on "The Proper Advertising of Wisconsin Livestock."

THESES AND TOPICS

Call Capitol 245.

Y. W. DISCUSSES GROUPS ORGANIZED

Girls Meet to Talk Over Questions, Not Study Bibles

The Y. W. C. A. is probably the first in the country to organize discussion groups. These are small groups that meet, not for Bible study, but are just "Discussion Groups."

"This is the most worth while, to my mind, that Y. W. is doing," said Miss Mary Anderson student secretary of the organization.

Groups were organized after Helen Kasbeer and Carl Rogers, delegates from this university to the World's Conference at Peking, China two years ago, saw the need of just this sort of thing.

The book used is "Studying Jesus in the Records" by Henry Burton Sharman of Canada. However, any new group wishing to study another book may do so.

Meetings will be held at any time decided upon with a leader who meets on Mondays or Thursdays at 4:30 o'clock in the Y. W. office in a leader's group to prepare herself to help her own group.

At present there are several groups: one senior, one junior, two of leaders, three at Barnard, two at Chalbourne, and three groups outside of the dormitories.

City Hall Mice To Contribute Their Bit To Science

City hall mice in future will be subject for study purposes at the university, according to Fred Cummings. Three cage traps were presented to him Wednesday morning with the request that he deliver them alive. Twenty mice were caught in the municipal building Monday.
