(Cont.)

A called vote was taken, Regents Arveson, Callahan, Campbell, Hodgkins, Jones, Kleczka, Sensenbrenner voting "Aye"; Regent Grady voting "No". The motion was declared carried.

Regent Grady stated that he voted "No" on the ground of excessive cost of unnecessary portions of the construction.

Upon motion of Regent Jones, seconded by Regent Callahan, it was VOTED, That authority be granted to raze the former Athletic Ticket Office Building located at 711 Langdon Street.

Upon motion of Regent Jones, seconded by Regent Campbell, it was VOTED, That upon the recommendation of the Campus Planning Commission, the plans and specifications for the proposed addition to the Milwaukee Extension Center be approved.

Upon motion of Regent Jones, seconded by Regent Kleczka, it was VOTED, That upon the recommendation of the Campus Planning Commission, the Regents adopt the schedule of land area assignments shown on the map marked Exhibit A (on file) for the tampus area west of Charter Street and north of Dayton Street until the very much needed expansion area south of University Avenue is acquired. In addition to the area north of Dayton Street and west of Charter Street, the athletics groups are also assigned certain areas south of Dayton Street and north of Regent Street, as indicated on the map. It is understood that the Athletics Departments will develop these areas first, plus such additional areas south of Dayton Street and north of Regent Street as may be acquired for athletic purposes. In the event that the athletics departments need additional space after these developments have been made, they may then request the use of land at the west end of the marsh in the area indicated as an expansion joint on the map.

It is understood that this action does not preclude the assignment of additional areas south of Dayton Street and east of Charter Street to these divisions of the University.

It is further understood that these assignments of land areas make no commitments as to the location of buildings other than the locations which have previously been approved by the Regents.

The unassigned areas will continue in their present usage until some decision as to other usage is reached. It is further understood that in cases where permanent assignments are made differing from current usage, the current usage will continue until the area is needed by the division of permanent assignment.

Regent Kleczka presented the following recommendations of the Personnel Committee:

- 1. That LeRoy E. Luberg be appointed assistant vice president of academic affairs at an annual salary of \$7500, effective immediately.
- 2. That the duties of the assistant vice president of academic affairs shall be to assist the vice president of academic affairs in the discharge of such duties as may be assigned to that office. The assistant vice president of academic affairs will be assigned primary responsibility in suitable areas. Both of the above officers will be available to assist the president in such fields as he may desire.

Upon motion of Regent Kleczka, seconded by Regent Campbell, recommendations 1 and 2 of the Personnel Committee were adopted.

3. That the title of director of public service be discontinued.

Upon motion of Regent Kleczka, seconded by Regent Hodgkins, recommendation No. 3 of the Personnel Committee was adopted.

Vice President Baldwin read a request from the Zor Shrine Temple of Madison and the Kiwanis Crub of Madison addressed to the Regents requesting the use of the University Field House on March 20, 1949, for the purpose of staging the Horace Heidt Youth Opportunity Show. Vice President Baldwin explained that this request had been given consideration by the University Auditoriums Committee and that this committee had notified the applicants that the committee did not have authority to approve the request in view of the University policy of not making University property available for private gain and also because of interference with other University functions. Upon motion of Regent Werner, seconded by Regent Kleczka, it

VOTED. That the action of the University Auditoriums Committee in denying the request of the Zor Shrine Temple and the Kiwanis Club of Madison for the use of the University Field House on March 20, 1949, for the purpose of staging the Horace Heidt Youth Opportunity Show be approved.

Regent Campbell voted "No". Regent Campbell explained that he objected because of the worthiness of the causes for which part of the proceeds of the show were to be devoted and he suggested that the rules should be modified to permit use of University buildings where the major percentage of the proceeds go for charitable purposes.

President Fred presented a box of cigars received as a gift from E. B. Rodriguez, Director of the National Library, University of Manila (Philippines), in appreciation of his having been given a diploma to replace the one destroyed in the Battle of Manila.

At 12:10 P.M. the meeting adjourned.
