The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

3. "HOW MANY" - TAPE 78-10.5

How many children are there?

How many are sitting?

How many are standing?

How many are eating?

How many are running?

How many are swimming?

How many are singing?

How many are sick?

How many are happy?

How many are working?

How many girls are there?
