The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Summer 67

Hi:

The news — that dear I  
was so worried about is ~~at~~ on  
hand. All's well!

Captive in my own house  
yesterday — family gathering.  
Enough said.

Milwaukee happenings 4  
blocks from our house. Father  
guess they be a bit too far  
out but my Polish neighbors  
shd. be segregated behind  
a high fence!

We have Suez by Hugh  
Thomas — if you

want to borrow it, also <sup>but not till</sup> ~~the~~ Nov.  
we get The Manchester Affair  
if you'd like that.

Don't know — Death of a  
Pres for me in late fall  
maybe — sent out 16 poems  
last week. Production is good.

Walking with this note will  
see how the garage business  
is there.

Took pictures yesterday,  
the people looking up toward  
the Flower of the Sun, like  
~~an~~ Egyptians. The tallest  
has now consented to bloom.
