The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

why Plus?

Why change a best-seller?

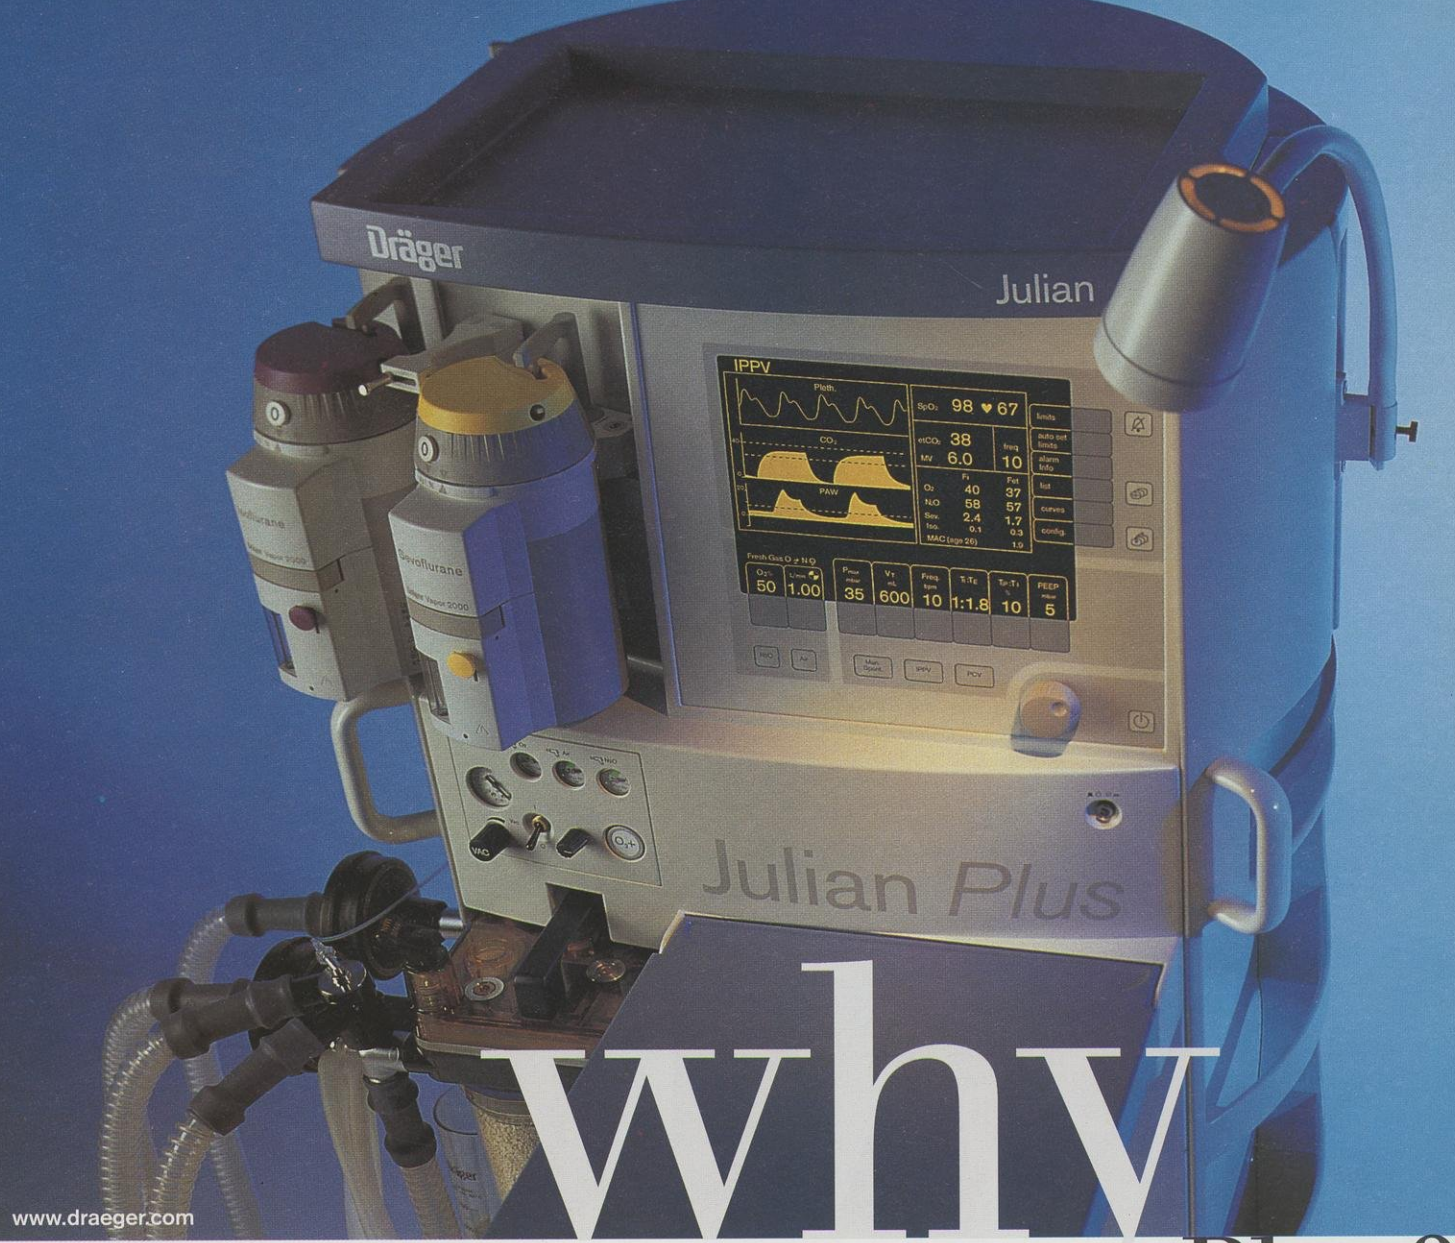

Because you and the patient are the focal point of our product philosophy. At Dräger we are never satisfied, even after selling more than 7,000 Julian systems worldwide.

The design of the new Julian *Plus* reflects the feedback received from numerous anesthetists around the world. New features such as a unique safety oxygen control and the "data doctor", a software self-repair function, underline Dräger's commitment to meeting your needs.

The application of ergonomic principles in Julian *Plus* has produced a successful symbiosis of form and function exemplified by ease of use, optional floor, wall or ceiling versions, and practical add-on extras. Julian *Plus* helps you optimize your workstation to save time and money.

Julian *Plus* enhanced for you - because you care.
