The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

Why They Believe

Long ago they say the Oneidas saw a witch coming along as a light at night. They went inside a house and there was a man dead in a gun. They went in and he closed the door. In the morning he would let her out and so he did let her out and they dead man rose up. So that is why they believe that all witches should be killed.
