The matter of the reorganization of the business office was discussed and upon motion of Regent Brown, seconded by Regent Baker, the following recommendations were adopted:

- (a) That effective July 1, 1938, the position of Business Manager be discontinued and the position of Comptroller substituted therefor.
- (b) That effective July 1, 1938, the name and title of Comptroller be substituted for the name and title of Business Manager wherever the latter appears in the laws, by-laws, and rules and regulations of the Regents.
- (c) That A. W. Peterson be appointed Comptroller with the rank of Professor, effective July 1, 1938.

Called vote was taken, all Regents present voting and voting "Aye".

Upon motion of Regent Christopherson, seconded by Regent Brown, it was VOTED, To approve extra orders for the men's dormitories as follows:

- |   |        |
|---|--------|
| 1. Rubber tile                                  | \$6099 |
| 2. Bath room changes at a cost of approximately | 5000.  |

The matter of plans for two additional dormitories, including kitchen plans, was discussed, and upon motion of Regent Gates, seconded by Regent Callahan, it was

VOTED, That the plans be approved and that the Wisconsin University Building Corporation be authorized to advertise for bids, and to award contracts subject to the approval of the Executive Committee.

President Dykstra reported that thus far the Emergency Board had not made the requested appropriation of \$4500 for sewers and water mains for the men's dormitories.

President Dykstra reported the offer of the Iron Mountain, Michigan, Chamber of Commerce of CCC Camp buildings and site for a summer camp. No action taken.

President Dykstra reported to the Board that the Governor's

✓ Advisory Committee has acted on the two radio stations which have been under the State Department of Markets and Agriculture. The radio stations will be turned over to the University on July 1, 1938, and it will thereafter be the responsibility of the Board of Regents to operate these stations.

✓ Upon recommendation of the President and upon motion of Regent Gates, seconded by Regent Callahan, it was

VOTED, That provision be made for ten graduate scholarships of \$250 each, one for each of the nine State Teachers Colleges and one for Stout Institute, if the Committee on Research finds it feasible to do so.

✓ President Dykstra presented the request of the Department of Intercollegiate Athletics for WPA projects totaling \$371,000, \$265,000 to be requested from WPA, \$106,000 to come from 20.41(5)C, with the understanding that the \$35,000 surplus for 1937-38 in 20.41(5)C would be used as a part of the \$106,000. This would involve a request to the Emergency Board for an appropriation of \$71,000 for the 1938-40 biennium. Upon motion of Regent Christopherson, seconded by Regent Callahan, the following recommendations of Director Stuhldreher were approved, subject to the approval of the Executive Committee as to details:

1. That the President and the Board of Regents approve the Camp Randall W.P.A. project totaling an expenditure of \$371,000, of which amount the W.P.A. authorities will contribute \$265,000, leaving \$106,000 for superintendents, supplies, and material, to be contributed by the Sponsor.

Adopted.

2. That the Board of Regents authorize the expenditure of \$35,000 from the Surplus in the 1937-38 Athletic Council 5-C revolving Fund Budget as a part of the Sponsor's contribution totaling \$106,000.

Adopted.

3. That the Board of Regents request of the Emergency Fund Board an appropriation of \$71,000 as the balance of the Sponsor's contribution for the project.

Adopted.

4. That the Intercollegiate Athletic Department, from its Budget in 1938-39 and 1939-40 in the event that its estimated receipts are realized, transfer to the University Building Fund not to exceed \$71,000, in order that the University may proceed with other contemplated buildings, funds for which would ordinarily come from the Emergency Board.

Adopted.

5. If a transfer from the Emergency Board is not possible, that

the Board of Regents permit the Intercollegiate Athletic Department to proceed on a "pay as you go" basis for materials and supplies in the completion of the Camp Randall W.P.A. project.  
Adopted.

Called vote was taken. Regents voting "Aye", Backus, Baker, Callahan, Campbell, Christopherson, Gates, Glover, Miller, Wilkie (9). Regents voting "No", Brown, for the reason that he believes such work should be done under contract.

President Dykstra called attention to claims for damages caused by the Engineers' St. Patrick Day parade, which were received from the Madison City Council. Upon motion of Regent Brown, it was VOTED, That the claims be referred back to the City Council by President Dykstra with advice that the Regents have no legal authority to pay them.

President Dykstra referred to PWA program for building projects on the campus and stated that these requests would be brought to the Executive Committee, which was granted power to act on them at the meeting of the Regents held on April 26-27, and to report back to the Board.

#### RECOMMENDATIONS OF THE SECRETARY

1. The Secretary recommended the acceptance of \$1000 in full settlement of the \$2500 deficiency judgment in connection with the Louis F. Jermain foreclosure. Upon motion of Regent Callahan, seconded by Regent Gates, it was the
