[Price Five Cents.]

## BADGERS BEATEN

### BELOIT WINS FROM VARSITY AT LINE CITY.

Score at End of Seventh Inning is  
Beloit 7, Wisconsin 0—Reedal and  
Adkins Pitch.

Special to the Cardinal.

Beloit, Wis. The Beloit College nine held the Varsity aggregation down to a score of 7 to 0 at the end of the seventh inning this afternoon.

The Varsity team, accompanied by subs, coaches, and a few faithful rooters left on a special train over the C. & N. W. R. R. at 2:30 for Beloit. Although the defeat of Minnesota had raised the hopes of Wisconsin supporters, the outcome of the game was considered extremely doubtful. Reedal was in the box for Captain Pierce's men while Adkins tossed for the Congregationalists.

### GOPHERS WORSTED.

#### Magnificent Rally in the Eighth Inning Gives Varsity the Game.

Badger was matched against Gopher yesterday afternoon and Badger won. In a whirlwind finish Wisconsin pulled the game from the fire and defeated Minnesota by a score of five to four.

For six innings everything was Minnesota. The visitors had scored four runs by well bunched hits assisted by a couple of glaring errors while Wisconsin's side of the score sheet was as blank and bare as the unfinished wall of the library. In the seventh inning the Varsity got together and worked one man around the bags. With the score four to one Minnesota was blanked in her half of the eighth. Then came the balloon ascension. Realizing that it was the beginning of the end the Minnesota players nerved themselves for a final effort while Wisconsin fans swarmed down to the fence bordering the field. Leighton was the first man up and swatted the second ball thrown into a vacant spot in the right garden. Captain Pierce next handled the stick and dropped a safe one in the same place. Ware, who had distinguished himself previously in the game by a long three-bagger, now lit on a high one which was neatly gathered in by the center. Before it could be fielded in Leighton, who had worked his way to third, sprinted across the plate. Salem had stage-fright at second and a hot one from Schrieber slipped through his hands. Pierce now played tag with about half of the Minnesota aggregation and while Schrieber trotted to second, he slid back to third. A combination of hits and errors let three Badgers make the circuit of the bags and the inning ended with the game won by a single score.

From a spectator's standpoint the game was most exciting. With nothing but goose-eggs to Wisconsin's credit for six innings, a Gopher victory seemed almost certain. The timely rally of the local, assisted by the generous support of the rooters, wrested victory from defeat. The confidence of the visitors made their downfall the more bitter although more satisfactory to Cardinal fans.

The work of the Varsity was quite good throughout the game although a couple of errors and costly wild throws can hardly be excused. The

high wind assisted the pitching department and safe hits were hard to make. For this reason Ware's three-bagger and Erickson's double base hit are the more noticeable. Captain Pierce played an excellent game although his throwing wing seemed rather wicked at times. His batting and base running was excellent, hits being forthcoming when necessary, while his quick work between bags in the critical eighth assisted materially in Wisconsin's victory. Mathews, who did the tossing for the locals, did effective work although rather wild at times. Freeman for the visitors was effective at nearly all times and had his support been first class throughout he would have won the game.

#### Score by Innings.

Wisconsin	0 0 0 0 0 1 4 x—5
Minnesota	0 2 0 1 1 0 0 0—4
Two-base hits—Erickson. Bases on balls—Off Mathews 4; off Freeman 3.	

#### Naval Ball, May 11.

The date of the naval ball has been fixed at May 11. Arrangements are well under way and everything points to a most successful party. The University band will furnish the music, and Professor Nitschke will lead. Arrangements are being made for chaparras. These will be announced later.

Dancing will commence at eight o'clock and continue until twelve. It will be made as informal and enjoyable a party as possible. The decorations will be simple but effective, and are under the direction of Architect Jennings.

In former years the naval ball has been one of the most enjoyable parties given during the college year. The purpose of the ball, as is generally known, is to help toward the support of the crew and with such object it deserves generous support.

Commodore Haskins has just returned from Milwaukee where he has been for the past week getting subscriptions for the crew. He says that the support given by Milwaukee business men has been very good, but that it will be necessary for the student body to do its share in order that the crew may have enough money for running expenses this year. Among the students the attitude toward the matter has so far been very depressing. Especially is this true among non-fraternity men. Among the fraternities the support has been better, but it will be necessary that a large amount be realized by the naval ball if the crew is given the support necessary this year.

#### Philomathia's Blowout Friday.

On Friday evening the freshmen of Philomathia will have their annual Blowout debate. All the men already have their debates well in hand. Freshmen of the other hill societies will be excused from work Friday night in order that they may attend the Philomathian exercises. Next Thursday evening is the date for Athenae's Blowout. As the men have all been working hard on the questions for some weeks, it is expected that they will be handled very thoroughly.

On the following Saturday, May 11, the Hesperian freshmen hold their annual event. The attendance to all of these debates will be large because all freshmen interested in debating will be present. Many outsiders also attend these events each year.

Shortly after the debates each society elects their Semi-public team on the showing made by the freshmen in the Blowout.

## TO REGULATE RUSHING

### FACULTY SOCIAL COMMITTEE CONFERS WITH FRATERNITIES.

Not Result of Recent Criticisms of University Society—Midweek Parties Also Discussed.

A conference was held at Library Hall last night between Prof. Julius E. Olson, chairman of the social committee of the faculty, and representatives of the various fraternities to discuss the methods of rushing employed at the University and the advisability of cutting down the number of parties given. The recent anonymous attack on fraternities which the legislators received through the mails was not the cause of the meeting as Prof. Olson has had it in mind over a month to have a talk with representatives of the Greek letter societies that the work of the social committee of the faculty might be facilitated and entirely understood. Each fraternity was represented by two delegates.

The meeting was merely a faculty conference between the fraternities and the social committee to discuss the situation and nothing definite was decided upon. The main subject under discussion was the question of rushing, it being desired that some suitable agreement might be made in regard to the matter. At many Universities some rules are adopted in regard to governing rushing. At Dartmouth no rushing of any kind is permitted until the first of October. By this time the fraternities have had opportunity to pick their men and all rushing and bidding is done in the next few days. Such an arrangement has been found satisfactory to both fraternities and the faculty for it avoids all interference with school work as the result of early rushing and saves considerable expense to the fraternities. At Minnesota a somewhat similar plan was tried sometime ago but was found to be unsuccessful and given up on that account. It was found impossible to prevent early rushing and the plan had to be given up. It is thought that if such a plan were adopted here similar results might be expected, for in so large a university as Wisconsin where so many fraternities are represented and competition is so keen, it would be hard to make the plan work to any practical advantage. The present arrangements are probably as good as any which could be adopted, and will probably be allowed to stand with slight change.

The question of midweek parties was also brought up and discussed. This however has never been a serious difficulty at Wisconsin, the spirit against it keeping down any such tendency toward midweek social activity.

No definite action was taken at the meeting, the time being devoted to merely a friendly discussion of the situation. Another meeting will be held soon and to this the sororities may be asked to send representatives.

#### LUCKY ACCIDENT.

##### Elevator Falls at Chadbourne Hall With Many Passengers.

The elevator in Chadbourne hall fell yesterday at about 1 o'clock, giving the 12 or more passengers a fright and a shaking up. As it fell only two floors and then but little more than at ordinary speed, no one was hurt

and but little damage was done.

Miss Mayhew, who was one of the passengers, says that E. S. Warner, who has charge of the elevator, was taking a load of young ladies up to the dining room on the fourth floor, and that when the second floor was reached the elevator stopped and would go no further, but immediately started to go down, at first slowly, then faster, until the bottom was reached, though at no time reaching a dangerous speed. Mr. Warner applied the brake, but it failed to work. When the basement was reached, the young ladies, though much frightened, tried to act as if nothing unusual had happened and walked up stairs again to the dining room.

A similar accident occurred about two years ago. Fortunately no one was injured that time either.

These lucky accidents recalls one even more fortunate which occurred some fifteen years ago when a huge brick chimney on the main building was blown over during a high wind one night and went crashing clear to the cellar, passing through two recitation rooms, in which some 50 students recited during the day, and leaving an open shaft some ten feet square from cellar to and through the roof. Had classes been in progress at the time an awful casualty would have been inevitable.

#### STUDENT RECITAL THURSDAY.

##### School of Music Has Arranged an Attractive Program.

A student recital will be given by students of the University School of Music to-morrow evening, May 2, at 7:30, in Library Hall. Invitation programs may be had at the book and music stores or of any of the teachers of the School of Music. The following is the program:

1. Piano—Gay Butterflies, Gregh, Olive Lipe.
2. Piano—Barcarolle, Behr, Esther Simpson.
3. Vocal—Herzenfruehling, Wicked, Lucca Schott.
4. Piano—Berceuse, Grieg, Regina Groves.
5. Vocal—a. Shepherd's Cradle Song, Somervell—b. In Blossom Time, Needham, Bessie Brand.
6. Piano—Callirhoe, Air de Ballet, Chaminade, Eleanor Purcell.
7. Cello—Nina, Siciliana, Pergolesi, C. A. Urner.
8. Piano—Sonata Appassionata, op. 57, Beethoven, W. M. Fowler.
9. Vocal—Mount of Olives, Parker, F. P. Bowen, Jr.
10. Piano—Erotik, Grieg, Hazel Alford.
11. Piano—Legende, Lund-Skabo, Emily Chynoweth.
12. Vocal Trio—Flower Greeting, Curschmann, Lyla Ranson, Susie Nelson, Agnes Pratt.
13. Piano—Polonaise, Chopin, Meta Wagner.

#### "A Celebrated Case."

The German musical-military drama to be given tomorrow night at Fuller Opera House by local talent for the benefit of the hospital fund promises to be a pronounced success. A complete rehearsal was successfully carried through last night. A large advance sale of seats has been made and the promoters will no doubt be able to turn over a substantial sum for this worthy object.

#### LATER, SPECIAL.

The final score was 10 to 1 in favor of Beloit.

#### Keeps Up the Record.

Since the last public meet the track team has been doing some creditable work and surprises may be expected in the coming dual meets. So many factors go to make a successful track team that it is not often that they are combined. Most of them seem to be present at Wisconsin this year and we ought to have a first-rank team. The number of men out for most of the events is more nearly what it ought to be than the showing has been for the last two years.

#### Let the Good Work Go On.

Students who use State street (and who does not use it more or less) have had their hearts gladdened by the disposition shown on the part of the property holders along that thoroughfare to replace the consistently disreputable walks that border it. It has been particularly unpleasant to stumble along these walks at night and the movement towards reform should be hailed with joy and given what encouragement a down-trodden but always hopeful community can give it.

#### A New Badger Board.

The sophomore class has completed its Badger Board organization and has thus taken the preliminary steps to the production of their annual. The Badger is taking a position of gradually increasing importance in the life of the University as the size of the institution increases. The class of 1903 has succeeded in electing a strong and representative board and should be congratulated upon the wisdom of its choices. The standard which it has set before it is a high one but the board ought to be able to equal it. The Badger is to a great extent indicative to the outside public of University life and the standard which it maintains is of the greatest importance.

J. M. Clifford, real estate broker.

#### The Weather.

Fair to-night and Thursday.  
Showers Thursday in the northwest.

#### 1902 vs. 1904 Tomorrow.

In spite of the hot weather which has made it decidedly uncomfortable for the players, the junior and freshman basketball teams have been practising steadily and the prospects of a close game are increasing. The game will be played tomorrow at 3 o'clock in the women's gymnasium and some hard work will have to be put in in the short 15 minute halves, which are the longest that the warm weather will permit.

Owing to the smallness of the gymnasium only three hundred tickets can be sold, and even that number will crowd the hall too much for comfort. Tickets are to be obtained only from members of the teams before the afternoon of the game. Possibly some few may be sold at the door.

The following have been chosen to act as officers: Mr. Claude Beebe, referee; Messrs. Helmholtz and Carter, umpires. The coaches of the two teams, Mr. Bishop for the freshmen, and Mr. Hirschberg for the juniors will act as time-keepers and Mr. Stover as scorer.

The juniors have had every disadvantage in the way of practise, as they were without a coach for some time and have had only three or four real practise games. Since the freshman-sophomore game, the freshmen have had a hard time pressing in subs for practise.

The passing on both sides is excellent, and there are more all around good players than have been matched against each other before.

#### No May Festival.

Owing to the failure of the arrangements for obtaining the necessary music from out of town the May festival, which was to have been given under the auspices of the Choral Union has had to be given up. Professor Parker had made arrangements with a man who contracted to furnish the music, but owing to the cancellation of other dates the agent could not bring his articles here and Professor Parker's plans were thus frustrated.

The regular Choral Union concert however will be given on May 16, and arrangements for this are well under way. Several artists from out of town will be obtained and regulations are now being carried on for these. Nothing definite has as yet been decided upon in this matter but it will be announced later.

#### Mile Relay in Inter-collegiate.

At a meeting of the graduate representatives of the conference colleges it was decided to add a one mile relay race to the list of prescribed events. This race is intended to be similar to the annual event run off by Pennsylvania in which all eastern colleges compete. This should be a popular number of the program and should also be an important factor in determining the big nine championship. California will probably compete at the meet in case she sends a team East.

The completed list of officials was also announced and contains the usual notables at such athletic events.

#### Senior Arrangement Committee.

The committee on arrangements of  
the senior class will meet at Ladies'  
Hall, Thursday evening at seven  
o'clock. All members of the committee  
are requested to be present.

F. C. McGowan, chairman.

#### Important Meeting.

The Y. M. C. A. meeting Thursday  
evening will be led by F. H. Kurz.  
Specially important business will be  
presented at the business meeting.  
All association men at all interested  
in the welfare of the association are  
urged to be present.

### Local and Personal.

—Delta Delta Delta gives its spring  
formal party Friday evening.

—The Y. M. C. A. will give another  
Sacred concert on Sunday, May 12 at  
Library Hall.

—Rho chapter of the Psi Upsilon  
fraternity will give a dancing party  
at the chapter house Saturday even-  
ing.

—Professor Dowling is out on a high  
school inspection trip, which will in-  
clude Spring Green and Hillside Home  
school.

—Mr. Sidney Hobart Ball has gone  
to Philadelphia where he represents  
the local chapter of Psi Upsilon at the  
national convention of the fraternity.  
The body convenes today.

—Professor F. H. King intends to  
go to Portage county this week to  
get some data on experimental work  
which he is conducting in that region.  
He will be absent for several days.

—The golf club held a meeting last  
night, but because of the poor at-  
tendance nothing was done except to  
call another meeting for tomorrow  
evening, at 7:30 o'clock in the Park  
Hotel parlors. The student golf play-  
ers are especially urged to attend, as  
it depends upon this meeting whether  
or not anything is done this spring.

—Owing to the favorable weather  
during the past two weeks, the work  
on the University farm has progressed  
very rapidly. Nearly all the choice  
seed grains used on the experimental  
flats have been sown with the ex-  
ception of some forage crop seeds  
which are to be planted later in the  
season. No less than thirty-five  
different varieties of oats will be  
tested this year. Also twenty  
different varieties of barley have been  
sowed. These choice varieties of  
grain are from all the different grain  
producing countries in the world.

Yale has again made changes in her  
course of study, following the lead of  
Harvard, so that a student may now  
complete a university course in three  
years.

is a common saying of a person  
who exhibits low spirits, nerveless  
action and a failure to enjoy even  
the most cheery surroundings.  
Nine times out of ten this condi-  
tion is accounted for by poor diges-  
tion, which affects the mind and  
nervous system, besides enfeebling  
the body.

## Pabst Malt Extract The Best Tonic

is a complete remedy for the 'blues'  
and a promoter of good health and  
good cheer, being a pure, nourish-  
ing, concentrated food of easy  
digestion and soothing action.

I prescribe your "Best" Tonic in all  
cases where a pure and reliable malt extract  
is indicated. It has given me the best satis-  
faction. DR. W. B. PAYNE, Covington, Va.

phies.**GOOD WORK BY TRACK MEN.**Team Developing Unexpected  
Strength in Field Events.The track men are making some ex-  
cellent showings this week at Camp  
Randall. For the past three years  
prospects never have been so good at  
this time of the year for a strong  
team. Unexpected developments in  
weight and field events during the  
past week have shown that Wiscon-  
sin will have a team that will not be made  
up of a few stars, but will be equally  
strong in many branches.Webster who has been throwing  
the discus 107 feet with a free swing  
has begun to throw with the assis-  
tance of the double and has done as  
well as 117 feet. This increase of  
ten feet with the use of the turn  
means much and it can be safely pre-  
dicted that by the time of the inter-  
collegiate meet he will put the discus  
125 feet. Lerum with the hammer  
has shown remarkably good develop-  
ment within the past week. He is  
powerfully built with close set  
muscles and is well fitted for hammer  
throwing. At the beginning of the  
season Coach Kilpatrick had no hope  
of being able to develop a man to  
run the quarter, but Chapman al-  
though very light is running in re-  
markably fast time.Muckleston is also doing regular  
work with the team this spring and  
although most of the work he has  
done has been vaulting for form, he  
has made a few trials for height and  
has already cleared the bar at 10 feet  
5 inches.Schule, although not yet in form  
can be depended upon to do some-  
thing in the broad jump which he won  
last year without much difficulty.  
He will have it harder this year to  
pull out a first for Wisconsin, inas-  
much as Illinois' broad-jumper has  
cleared 22 ft. 6 in. this spring in  
competition.Keachie and Hahn are two good  
running mates in the mile and are  
showing good form. Their team work  
in the races has always been ex-  
ceptionally good. Bredsteen, Carpen-  
ter, MacEachron, and Smith are four  
two milers that it will be hard to  
pick three men from as with the ex-  
ception of Bredsteen they are very  
evenly matched. Senn is leading the  
sprinters at present and certainly  
has the speed to make him a fast  
man.All the men are looking forward  
anxiously to the annual University  
out-door meet to take place at Camp  
Randall one week from next Satur-  
day.**They are Models.**Of style, workmanship and durabil-  
ity. The shoes we are showing for

of all kinds of up-to-date pipes.

Everything in cigars and tobacco.

Carl Boelsing, the State street, to-  
bacconist.**RUSH MEDICAL COLLEGE.**

In Affiliation with the Univ. of Chicago.

Organized 1837.

The academic year of Rush Medical College is  
divided into four quarters, corresponding with  
those recognized with the University of Chicago,  
beginning respectively the first of July, first  
of October, first of January and first of April,  
each continuing for twelve weeks. A recess of  
one week occurs between the end of each Quar-  
ter and the beginning of the next following.The general course of instruction requires  
four years of study in residence with a minimum  
attendance upon three Quarters of each year.  
A student may begin his college work on the  
first day of any Quarter, and may continue in  
residence for as many successive Quarters as he  
desires. Credit will not be allowed, however,  
for more than three consecutive Quarters. At  
least 45 months must elapse between the date  
of a first matriculation and the date of gradu-  
ation. For further information, address

RUSH MEDICAL COLLEGE,

Chicago, Illinois.
