The libraries provide public access to a wide range of material, including online exhibits, digitized collections, archival finding aids, our catalog, online articles, and a growing range of materials in many media.

When possible, we provide rights information in catalog records, finding aids, and other metadata that accompanies collections or items. However, it is always the user's obligation to evaluate copyright and rights issues in light of their own use.

East Hampton August 13th 1831

Dr. Leudder & My

Dr. Sir If you think the limb worthy.
You may give it a place among your celebrated and
choice collection of Natural curiosities: if not throw it aside
I send it on account of the growing celebrity of the tree
which is visited by a goodly number of persons from all
quarters =

Description

A limb of the celebrated Elm tree (Mentioned in
Morse's Geography) growing on Peag beach E.H.
the limbs of which are so thick that 8. or 10. men can lie at-
length and roll round on the top without any danger
of falling
