## DUAL ATHLETIC MEET

### CONTEST ASSURED

THIRD DRAMATIC EXHIBITION  
COMING IN THREE WEEKS.

Casts for Three Plays Completed—  
Substantial Cash Prizes Provided  
—Daily Rehearsals.

The third dramatic contest is now assured. At first some difficulty was experienced by the promoters in getting the casts well balanced and the parts adjusted but now the work will be pushed and the contest will take place at the Fuller within three weeks.

The casts have now been selected and have started daily rehearsals under the direction of Mr. Walton H. Pyre and Miss Jennie Butt.

The contest will be held about the first week in June in the Fuller Opera house. Good sized cash prizes have been provided which will be awarded to the casts winning first and second places. The judges will consist of five selected from the faculty and the city.

Three plays are to be enacted this year and in all about twenty students will appear. "Hector," "That Rascal Pat" and "To Oblige Benson" are the three pieces selected and are said to be well adapted to amateur work.

The cast of "Hector" is as follows: Frederick Long, merchant—Ralph Gromann.

Louise, his wife—Miss Mary Swain. Oscar Spencer, young student—Dwight Beebe.

Jacob Einstein, pawn broker—F. O. Leiser.

August, the servant—Wm. Vroman. Watson, the clerk—E. J. MacEachron.

Fanny, a maid—Ester Donnelly.

Messenger Boy—

The cast of "That Rascal Pat" is: Pat Maggerty, a handy servant—Donald MacDonald.

Major Puffjacket—John V. Brennan. Laura—May Kittelsson.

Nancy, her maid—Mary Wright.

Those who will appear in "To Oblige Benson" are:

Mr. Benson—E. D. Clifford.

Trotter Southdown—Jacob Primakow.

Mr. Meredith—Harry Johnson.

Mrs. Benson—Miss Carolyn Hayner.

Mrs. Southdown—Miss Elizabeth Shepard.

### BIG MEET TOMORROW.

Illinois' Athletes Arrive in Madison Tonight—Officials.

Coach Kilpatrick received a letter this morning saying that the Illinois team will arrive at eight o'clock this evening and put up at the Avenue Hotel.

The Illinois team is reported in good shape and will give Wisconsin a hard fight. Last year Wisconsin won by only one point and the contest will doubtless be close this year also, for Illinois' team is stronger this year than last and Wisconsin is, if anything, rather weaker.

Bell and English will be strong in the dashes for Illinois, they having recently won the hundred and two-twenty events in the triangular meet with Chicago and Notre Dame. Cayou is also with the team this year and will stand a good show in the quarter. In the pole vault and running broad jump they are also well represented.

Wisconsin is in a rather crippled

condition. In the two mile run, both Bredsteen and Carpenter are out, but Smith and MacEachron are running well and have a good show of winning this event for Wisconsin.

This will be the only opportunity the students will have to see the track team at work this year, for the meet with Chicago comes off at Marshall Field. A large crowd should turn out and see the team work and help them with some genuine old Wisconsin rooting.

Following are the Wisconsin entries: 100 yd. dash—McGowan, Senn, Poage; 220 yd. dash—McGowan, Senn, Hayden; 440 yd. run—Chapman, Poage; 880 yd. run—Burdick, Ross, MacFarland; mile run—Keachie, Hahn; 2 mile run—Hahn, Smith, MacEachron; 120 yd. high hurdles—R. McCrossen, Schule; high-jump—Meyer, Bishop, Hughes; pole vault—Bishop, Wheeler, Mucklestone; shot put—Cochens, Webster; hammer throw—Lerum, Webster; discuss throw—Wheeler, Webster, Watson; broad jump—Hughes, Borreson, Schule.

The officials of the track are as follows:

Clerk of Course—Stuart Lyle. Assistant clerk—Herbert F. John. Announcer—Joe Davies.

Judges of finish—Dr. Elsom, A. Chamberlain, Phil King.

Timers—A. M. O'Dea, L. D. Sumner, T. Jones.

Field judges:

Weights—C. S. Stangel, W. C. Sutherland, A. F. Larson.

Jumps—M. John, H. J. Peele, R. Remp.

Starter—Dr. Shell.

### ROWING ORDER CHANGED.

Coach O'Dea Again Gives Freshman Crew a Shaking-up.

Yesterday afternoon Coach O'Dea again changed the rowing order of the freshman crew. He found that the boat was not well balanced with the old order of the men. The men on the first freshman boat are now, McComb, stroke; Christman, seven; Thom, six; Deering, five; Keith, four; Kimball, three; Krueger, two; Banta, one.

The Varsity boat is still rowing in the old order. Coach O'Dea is not at present very well satisfied with the work of the crews but hopes to bring them around all right in a few days.

The best material for a freshman crew evidently came last year and it now looks as though 1904 would not be able to follow up the example set for them by 1903. The work of the men is constantly improving however, and by the time of the St. John's race the freshman will no doubt have a crew that can make a creditable showing. Kimball and Deering were added to the freshman squad at the training table making ten men now in the squad.

### Fine Concert Tonight.

Mrs. Louis Auer, who is to sing at the Choral Union concert in Library Hall this evening, began her professional career in the drama, playing leading parts with W. H. Crane and Richard Mansfield. She studied singing in Europe, and developing into a fine dramatic soprano, sang one season in opera. At the close of the season she married and has not sung in public since that time until the present season. She is described as a very magnetic singer, and a young woman of charming personality.

Mr. August Hyllested, the pianist, who is to appear at the same concert, has a wide reputation in Europe as well as America.

### BELOIT 7; VARSITY 3

#### LOCALS UNABLE TO SOLVE AD-KINS' DELIVERY.

Fielding Errors Contribute to the Defeat—Beloit Wins in First Two Innings.

Beloit defeated Wisconsin yesterday in the second game of the series by the score of seven to three. The visitors won through well bunched hits assisted by the numerous fielding errors of the home team. They fell on Mathews in the first two innings for six hits, resulting in five runs, driving him to the bench.

After that, with Richardson in the box, the home boys buckled down and played good ball, but it was too late to overcome Beloit's lead. In the last seven innings Wisconsin made three runs as against two for Beloit.

Adkins for Beloit pitched a star game, striking out twelve men, giving a single base on balls and allowing but seven scattered hits.

Beloit came to bat first and E. Brown sent a hot grounder just inside third base for a two-bagger. E. Merrill batted to Brobst, who tossed it to Schreiber, catching Brown on third. Adkins fled out to center field, but Merrill reached home before the ball. R. Brown singled just over first, and Slater, who had reached first by a hit and second on Adkins' fly, raced home. Dupee and Morey, however, did not reach first.

Harkin, Leighton and Ware drove easy balls to the fielders and Wisconsin was promptly retired. Lipp of Beloit reached first on an error and second on A. Merrill's hit. Then Brown, who headed the batting list, sent his customary two-bagger just inside third base and a minute later E. Merrill crossed the home plate for the third run of the inning.

Richardson replaced Mathews at this point and pitched an excellent game, the remaining runs made being brought in by fielding errors. Had he pitched the entire game it is probable the result would have been considerably different as Beloit was unable to solve his curves effectively. He signaled his first time at bat by a safe hit, which later resulted in his scoring the first run of the game for the locals.

Captain Pierce was in evidence again with his stick work. In the fourth he lined out a terrific drive, which was good, for three bags, the longest hit of the game.

The feature of the game was the all-around work of E. Brown, who out of five times at bat, secured two two-baggers and two singles, besides playing an excellent fielding game and running bases like the wind.

The score:

### Athenae's Banquet.

The annual senior banquet of the Athenaeum society will be held next Saturday night. The committee having the arrangements in charge has selected Mr. Gohlke as toastmaster, Mr. Robert Haight as junior toaster, Mr. Eugene Byrne as sophomore toaster, and Mr. Blackman as freshman toaster.

### MRS. M'KINLEY DYING

TELEGRAPHIC REPORTS RECEIVED LATE THIS AFTERNOON FROM SAN FRANCISCO STATE THAT THE PRESIDENT'S WIFE IS SINKING RAPIDLY AND WILL PROBABLY NOT SURVIVE THE DAY. EVERYTHING THAT MEDICAL SKILL CAN DO HAS BEEN DONE AND THE FAMILY HAS BEEN SUMMONED TO HER BEDSIDE.

### TENNIS TOURNAMENT.

Many Interesting Matches Yesterday in First Round.

The first round of the Tennis Tournament was held yesterday afternoon beginning at 3 o'clock. The results were as follows:

Gates beat Reineking 6-1, 6-1. Johnson beat P. B. Turner 6-3, 6-4. Helmholz beat Gillette 6-1, 6-4. Seaman who drew a bye to the first match was defeated by Gates 1-6, 6-2, 6-3.

The first games were not exceedingly interesting, but some of the later ones were quite fast for the first day's play. There were but few spectators because of the ball game at Camp Randall, but as the semi-finals come on there will be much larger attendance and this will be an incentive to the players to put up faster games. The courts are in good condition, and the managers are trying to have the turf back of the courts removed.

The greatest surprise in yesterday's play was Seaman's defeat by Gates. Seaman is one of the strongest players, but was unaccountably out of form yesterday. His loss of the game puts him out of the finals; however, he has the right to challenge the winner of the tournament and thereby to regain his place on the team.

### Mandolin Club Election.

The annual meeting of the Mandolin Club was held last night and officers were elected as follows: leader, Robert T. Smith, Jr.; manager, Osmund M. Jorstad.

The club will discontinue rehearsals jointly with the Glee Club and band.

## CONCERNING COMMUNICATIONS.

Unsigned communications will not be printed in the Cardinal, but it is always glad to print any communication the authorship of which is known to the editor, although the name need not be published unless so designated.

## Your Only Chance.

The Illinois meet tomorrow will be the only occasion Wisconsin students will have to see their team in competition on the home grounds this year. With such a team as we have this season, with such opponents as we will have tomorrow, with such an athletic spirit as has sprung into being in the last few weeks, and with such weather as there bids fair to be, this meet ought to be the big thing of the season. Everybody ought to turn out and then turn in and give the boys a good rousing old-timer in the way of a rooting exhibition.

## Dramatics.

It is pleasant to notice the general interest that seems to be taken in dramatics this spring. The general character of the work is excellent and the number of people taking part in the various club plays and dramatic contests is unusually large.

Not only is the practical value of such training apparent, but it tends strongly to general culture and is as real education as some of the courses that are more apt to be credited with being "solid."

These exhibitions are also an element in "college spirit" and they assist materially in saving our extra-classroom college interests from being too entirely absorbed by the all-prevailing athleticism. Let the play go on.

## The Weather.

Cloudy to-night and Friday with probable showers.

Henry Wade Rogers, L. L. D., formerly president of Northwestern University, was yesterday elected a professor in the Yale law school at a meeting of the Yale corporation.

## Local and Personal.

Michigan defeated Chicago yesterday at Ann Arbor by a score of 10 to 6.

The last military hop of the season will take place in the University Armory, Saturday evening, May 25.

Prof. Olson leaves tomorrow to celebrate the 17th of May at Soldiers' Grove, Wis., where there is a large Norwegian settlement. He will be the orator of the day.

A piano recital by the pupils of Miss Card of the University School of Music will be given Friday evening, May 17th, in the music lecture room, Library Hall. The recital will begin at 7:45.

Albert Woltersdorf has left the University for his home in Columbus, Wisconsin. Mr. Woltersdorf has been doing graduate work in the Pharmacy department, and several months ago he bought out one of the leading drug stores in Columbus and will now take charge of the business personally.

Lieutenant Ross of the 3d infantry and Lieutenant Waldron of the 9th infantry arrived last night from Fort Snelling. They with Colonel Joachim are to be the judges at the final competitive drill this afternoon. The medals for the winners have not arrived yet, but if possible they will be awarded at the next military hop.

## W. S. Robertson Honored.

W. S. Robertson, who has held the University graduate scholarship in history the past year, has been notified of his election by the graduate faculty of Yale College to the Bulkley fellowship in American History. He has accepted and will leave next fall for New Haven. As there was a large number of applications for the fellowship and the standard required is exceedingly high, the election is a high honor to Mr. Robertson.

Owing to the resignation of Dr. Franklin Carter, president of Williams College, the trustees of the college are looking for a new president. James H. Canfield, chancellor of the University of Ohio and a graduate of the class of '67, and Hamilton W. Mabie also of '67, and recently elected to lecture in Johns Hopkins University, are talked of to fill the vacancy. Dr. Henry Hopkins, son of Mark Hopkins is also under consideration.

An honor has been conferred upon the University of Wisconsin by Old England. She was chosen one of the twelve leading universities of America, which were invited to send representatives to the millennial of the death of King Alfred the Great.

## Interscholastic Dec.

The High Schools in the State  
Interscholastic declamation contest  
have practically completed their  
preliminary league try-outs, and a  
committee will be appointed next  
week to take charge of the final. It  
has already been arranged that the  
contest will be held in the afternoon  
at 3 o'clock, the day before the Inter-  
scholastic field meet. The contest  
has hitherto been held in the evening,  
but this year it was decided that the  
afternoon was more convenient, es-  
pecially as the banquet of the state  
teachers and principals is held that  
evening. The windows will be dark-  
ened and the lights used, however,  
and the change will not be noted.

## Stoughton.

The High School here has had an  
average attendance of about one hun-  
dred throughout the year. We have  
four teachers in the High school,  
namely, A. H. Sholtz, principal, Mr.  
O. M. Norlie, Miss Marie L. Sprague,  
Miss Andrea M. Anderson. Miss  
Sprague and Mr. Norlie are from the  
State University. Our school carries  
three courses, English, German, and  
Modern Classical as prescribed by  
the State Superintendent. Upon  
these we are accredited to the State  
University.

Our school has given more attention  
this year than ever before to  
literary work. Two literary societies  
have been organized, one composed of  
first and second year pupils, the other  
of third and fourth year pupils.  
Meetings of each have taken place  
every two weeks since last September.  
A joint debate between three  
representatives of each society was  
held recently upon the question of the  
English vs. Boers in Africa. This  
and other debates have been of much  
interest. Our school secured the  
banner in this year's high school  
league declamatory contest. Our  
representative, Ross Hyland, secured  
second place in the league contest and  
fourth in district contest at White-  
water.

Much interest in athletics is mani-  
fested this spring. Our boys meet  
Evansville High School next Saturday.  
We have several contestants who will  
go to the state meet this year.

School will close on the 13th of  
June. We have twenty-one prospective  
graduates. Commencement exercises  
will consist of orations by two  
members of the class and a lecture by  
Rev. E. G. Updike of Madison.
